

City of Tampa Addendum

ADDENDUM 1

DATE: September 17th, 2026

Contract: 26-C-00003; FY26 -Miscellaneous PS Riser Replacements

Bidders on the above referenced project are hereby notified that the following addendum is made to the Contract Documents. BIDS TO BE SUBMITTED SHALL CONFORM THIS NOTICE.

Add the following Specific Provision “SP-3 Contractor Qualifications” to the contract

SP-3 Contractor Qualifications

Contractor shall possess the necessary licensing and experience to perform the pumping station rehabilitation work included in this contract. The contractor shall have a minimum 5 years experience of successfully performing projects of similar scope and difficulty including, but not limited to, setting up bypass pumping systems, removing existing DIP riser pipes, installing fused HDPE riser piping inside wastewater PS wet wells, installing valves and line stops. Contractor shall provide a list of a minimum 5 pumping station rehabilitation project references with contact information for review and approval.

All other provisions of the Contract Documents and Specifications not in conflict with this

Addendum shall remain in full force and effect. Questions are to be e-mailed to
