City of Tampa Addendum

ADDENDUM 1
DATE: June 11, 2026

Contract: 26-C-00027; Stormwater Pond Dredging and Restoration

Bidders on the above referenced project are hereby notified that the following addendum is made to the Contract Documents. BIDS TO BE SUBMITTED SHALL CONFORM TO THIS NOTICE.

Item 1 - Have any permits been started for this project including county state and Army core?

Response: No

Item 2 - Are there predetermined ponds?

Response: The city has over 127 stormwater ponds of various sizes and depths. At some point most of them will need dredging. Dredging will consist of bathymetric surveys before and after dredging based off the original plans.

Here are addresses of 5 stormwater ponds we will most likely be dredging during the contract.

3803 E 19th Av., Tampa, FL 33605

2498 N 34th St., Tampa, FL 33605

Item 3 - Are there culverts and pipes as well?

Response: No

Item 4 - Are quantities are estimated or guaranteed?

Response: Estimated

Item 5 - Access constraints?

Response: Not at this time

Item 6 - What equipment are contractors expected to use?

Response: Please refer to page SP-1, Bidder Requirements:

Bidders may be required to provide with their bid, evidence in writing that they maintain a permanent place or places of business and have adequate equipment, finances, and personnel to provide the specified services. This evidence shall include, but not be limited

to: a list of current contracts, their value, and a contact person with each firm; at least 3 references who can verify work of a similar nature done by your firm in the last 3 years; a list of owned and/or leased equipment available for use on this award; a list of key personnel and a brief summary of their qualifications.

Provide a complete list of tools and equipment owned or leased.

Item 7 - Are there available plans for the project that can be provided for contractor review?

Response: There are no plans associated with this contract, this is a work order contract, services are determined by the need to improve each site/ pond.

Item 8 - There are no plans, or specifications along with locations of the Ponds to be dredged. Can you point me in the direction to obtain more information regarding this project?

Response: See Item 7 above. Technical Specifications are on pages TS-1 to TS-8 of the bid documents.

All other provisions of the Contract Documents and Specifications not in conflict with this Addendum shall remain in full force and effect. Questions are to be e-mailed to ContractAdministration@tampagov.net.
