U-WMBE/Underutilized BBE Subcontract Goal: **30.0%**
U-WMBE/BBE Goal Attainment: **14.2%**
Good Faith Effort Compliance: **Sufficient**

The Minority and Small Business Development Office evaluated the Good Faith Effort Compliance Plan (GFECP) submitted by Vogel Bros. Building Company and determined they complied with the requirements of the Equal Business Opportunity Program (EBO) by having performed meaningful action steps to (a) identify and (b) directly solicit Underutilized-WMBE (BBE) eligible companies to quote divisions of work commensurate with the participation goal. The project goal was narrowly-tailored on the basis of fourteen (14) out of twenty-three (23) subcontract categories wherein the requisite, eligible U-WMBE companies represented a minimum availability group. The overall group exceeded two-hundred (200+) available certified companies, by subcontract tasks.

NOTE: The subcontract goal is narrowly-tailored (per policy) to target underutilization of affected groups in specific trade/industry categories. Any WMBE/SLBE achievement that was not a variable in calculation of the narrowly-tailored goal is considered ancillary. Ancillary participation cannot be credited toward meeting the narrowly-tailored goal, but may count toward overall project participation when GFECP criteria for the underutilized group are met.

COMPLIANCE STATEMENT: Total WMBE participation is 14.2% representing U-WMBE/BBE (African American Enterprise). Vogel Bros. Building Co. is eligible for contract award and has executed Official Letters of Intent (LOI) with each COT certified vendor.
