Plan Description:

The City of Tampa will allocate Neighborhood Stabilization Program (NSP) investments by utilizing a target area approach based on identifying specific geographic areas of greatest need. Within the City of Tampa city limits, Sulphur Springs, North Tampa, University Square and Old West Tampa are the primary target neighborhoods for homeownership. Nineteen other neighborhoods are identified and charted on pages 2-4 and referenced throughout this application as being areas that meet NSP-established criteria for eligibility, as well as for greatest need. These eligible neighborhoods were identified pursuant to the Housing and Economic Recovery Act of 2008 as outlined below: Greatest percentage of home foreclosures; Highest percentage of homes financed by a subprime mortgage related loan; and Areas identified as the most likely to face a significant rise in the rate of home foreclosures.

Recovery Needs:

The NSP-eligible activities shown in the table below will be provided in the targeted neighborhoods with specific activities determined by further analysis of need and cost effectiveness. Home ownership and land banking will be the emphasis in the Sulphur Springs, North Tampa, University Square, and Old West Tampa target neighborhoods. The emphasis in the other eligible neighborhoods will be to provide affordable rental housing to persons <50% AMI, including special needs populations.
