Construction Services Division

Construction Services, a division of the [Planning and Development Department](#), is a one-stop shop for all construction permit and inspection needs. The division reviews construction plans, issues permits, and performs inspections to ensure building projects are built safely and in compliance with state and local codes and regulations helping to create a vibrant, livable, and safe-built community. Whether you are remodeling a home, building your dream house, or constructing a high-rise building, we look forward to serving you.

Online Permitting System

The City of Tampa's Accela Citizen Access Portal (ACA), allows clients to submit new applications, search for information, pay fees, check the status of projects, and upload plans and documents. Visit us today at aca.tampagov.net to register for a new user account.

New Electronic Plan Review Solution

The City of Tampa's Planning and Development Department is excited to announce the launch date of Monday, March 4, 2019 for their new electronic document review solution for building records, the Digital Plan Room. The Planning and Development Department has partnered with ePermitHub to launch the Digital Plan Room, which is seamlessly integrated into the Accela Citizen Access (ACA) Portal. For more information on the new solution including what to do now and get prepared, tutorials, the City's Guide to Digital Signatures, document standards, and the training schedule, please click [here](#).

For more information about Accela, please visit our [Accela Help](#) page.

Construction Career Opportunities Available

In response to increasing construction activity within the community, the City of Tampa is seeking highly qualified individuals to fill exciting career opportunities in the inspection and plans review areas of its operation. Discover more details about each of these rewarding careers by visiting:
