

# 47<sup>th</sup> and Frierson Pond PH II

## Flooding Relief FY2017, District 5

Estimated cost: \$660K

- **JUSTIFICATION:**

Due to closed basin and lack of drainage system, City will be expanding drainage capacity in the Frierson Ave & 47th Street area to help alleviate flooding problems. Besides pond expansion in Phase 2, roadway repaving and re-routing of water system will be part of the pond construction work.

- **PROJECT DESCRIPTION:**

City has completed land acquisition phase and Frierson Ave will be completely vacated between 47th St and 45th St.

- **RELATED ISSUES:**

Existing pond built in phase 1 will be expanded in Phase 2.
