CITY OF TAMPA

May 6, 2009

Honorable Chairman
and Members of the Community Redevelopment Agency

Ladies and Gentlemen:

The departments of Revenue & Finance and Economic & Urban Development are providing this report for the quarter ending March 31, 2009 to keep you informed of the overall financial condition of tax increment funds (TIFs) as well as the status of current capital projects and programs.

Included for each CRA are 1.) Financial Reports for FY 2007, FY 2008 and FY 2009 that track budgeted, expended and encumbered funds as well as the balance of budgeted funds that are unspent 2.) Statement of interest earnings that provide the current balance available for additional district projects, and 3.) A TIF Capital Project Tracking and Status Report, which shows the current status of each capital project in a CRA that received TIF funding in FY 2007-2009. For each capital project, known information about funding, contracting date and projected completion is reported. Explanatory project notes including future year funding commitments are also provided.

As always, we look forward to any suggestions or feedback on this report, so that we can make modifications in future quarterly reports.

We continue to be pleased with our redevelopment progress and with our mutual stewardship of tax increment funds. Your Board leadership in these matters is greatly appreciated.
