## **Project Description/Artist Concept:**

Bay area photographer Bud Lee (Plant City) has created a large-scale photographic installation located in the façade of the new Port Tampa Community Center. Lee spent several months touring the Port Tampa neighborhood photographing sites, families, community groups, and individuals. The resulting installation presents a

collage of a community that is uniquely diverse and full of character. Passers-by, or visitors to the center can see themselves, their friends, neighbors, or physical reminders that define their community in the windows. You might say, that the community looks back at the community looking in.
