ANNUAL ACTION PLAN FOR PY2018 (FY2019)
OCTOBER 1, 2018 THROUGH SEPTEMBER 30, 2019

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

This Annual Action Plan presents the City of Tampa's strategic approach to housing activities and community development for the fiscal year 2018-2019. The plan considers market conditions for a wide range of housing characteristics, including the number of available housing units, cost and condition of housing, homeless facilities and services, special needs facilities and services, and barriers to affordable housing. The City will pursue strategies focused on housing rehabilitation, homeownership assistance, rental assistance, new construction of affordable housing, assistance for supportive housing operations, assistance for persons experiencing homelessness, and support for public service operations. This diverse range of strategies is intended, ultimately, to bolster the City's core structural components – its families, homes, neighborhoods, and businesses.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Affordable Housing

The City will support the provision of decent housing by increasing the availability/accessibility of affordable housing. The City will address this priority need by funding activities that include the following: homeowner rehabilitation, homeownership assistance, housing counseling, tenant-based rental assistance, new construction of affordable housing, rapid re-housing, facility-based supportive housing, permanent supportive housing, and supportive services.

Public Services

The City will support availability/accessibility to decent housing and a suitable living environment by funding organizations providing essential services for low-income and limited clientele populations. The City will assist non-profit organizations in carrying out public service activities assisting low-income persons, youth, seniors, and persons with disabilities. These services are designed to promote self-sufficiency for residents, which in turn promotes permanent housing.

Economic Development

The City will provide access to economic opportunity for low-income or limited clientele populations by funding organizations or businesses supporting activities including: capital access programs and micro-

enterprise or micro-funding programs. These programs will encourage resident economic self-sufficiency and vibrant local economies in communities suffering from underinvestment.

Homeless Services

The City will support ending homelessness by providing funds to organizations carrying out and administering homeless activities including: homeless prevention, rapid rehousing, emergency shelters, and HMIS. These activities will be conducted in accordance, and coordination with, the City's Continuum of Care agency, the Tampa Hillsborough Homeless Initiative (THHI).

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The need for housing affordable to the workforce is critical to economic development in the city of Tampa, with regional implications as well. Resurgent job and housing markets had led to development pressures in all areas of the city. However, many in the workforce cannot afford the housing produced in this current market. This need has reached critical levels. For example, the 2018 Florida Home Matters Report by the Florida Housing Coalition shows that professionals such as teachers, nursing assistants, police officers and customer service workers cannot afford to purchase a median priced home. Therefore, the community needs market-driven strategies to encourage more private sector participation in the development of workforce housing in the city and the region.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

the City of Tampa solicited public feedback through newspaper announcements, public hearings, and meetings made available to the public in geographically diverse locations, and an online survey. The City hosted two public meetings to collect feedback on priority needs in the City – one meeting was held in East Tampa, and the other was held in West Tampa. There were a total of ___ survey responses in English, and an additional __ survey responses in Spanish.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The City of Tampa hosted a total of two public meetings during its citizen participation process for the Annual Action Plan. The following summaries are provided as a high level overview of comments received during those meetings.

East Tampa area public meeting

- Improvements to the physical condition of public schools in East Tampa.
- Improvements in diversity of businesses and a stronger local economy, particularly in commercial corridors.
- Improved facilities for aging populations, particularly an improved recreation center with programming for seniors.
- Improved outreach related to opportunities for job skills and employment readiness programs, some of which already exist in East Tampa.
- Improved access to healthy food options, including attracting a new full-service grocery store.
- Improved access to health care facilities, including laboratories for diagnostic services.
- Improved access to daycare facilities in East Tampa, particularly in the 33610 zip code.

West Tampa area public meeting

- Stronger homeownership rates are needed in West Tampa. It was suggested this be accomplished through rehabilitation of existing housing stock.
- Improved access to a diversity of businesses in West Tampa.
- Increased diversity in organizations receiving grant funding, particularly for organizations and businesses operating in West Tampa.
- Improved understanding of community assets in West Tampa area. There is a perception that the broader public does not recognize the cultural, economic and recreational assets in West Tampa, and the City was encouraged to publicize these through the creation, and maintenance, of an online asset mapping tool.

6. Summary of comments or views not accepted and the reasons for not accepting them

During the Public Hearing in June there was one public comment regarding the City's allocation of Public Service dollars. The person whose agency was not funded requested that the City make the grants small so that more non-profit agencies could recieve funding. A letter was sent explaining that the reason the agency was not funded was because the activity did not meet the HUD requirement to fund new or expanded programs not previously funded in the past 12 months. The letter also included the HUD guidance related to the program allocation guidelines.

7. Summary

The Annual Action Plan, one of five annual plans, outlines how federal resources will be allocated. Each year after that an Annual Plan will be completed to communicate how these funds will be allocated to meet the objectives identified in the Consolidated Plan.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

In developing this Annual Action Plan, the City of Tampa conducted a thorough outreach effort to engage with critical stakeholders in the region. This outreach effort was designed to duly record stakeholder input and develop an informed set of priority needs to help guide the City's investment strategies over the course of this Consolidated Plan. This outreach effort included multiple stakeholder forums, where organizations from across the community development spectrum, social service providers, lenders and financial institutions, realtors, community leaders, and faith-based organizations came together to discuss the City's needs.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City of Tampa actively coordinates with the Tampa Housing Authority (THA) to address a multitude of needs within the city. Chief among these needs is provision of affordable housing opportunities for the city's lowest income residents, ideally housing located in communities with access to job, transportation, and healthcare options. The City supports THA's large-scale redevelopment efforts, which includes mixed-use development, provision of social services, and other supports in health and housing. Additionally, the City of Tampa makes every effort to coordinate with its neighboring local government partners, including Hillsborough, Pinellas, Pasco and Hernando counties. This coordination results in a streamlined HOPWA EMSA administrative process, coordination on regional fair housing efforts, and fair lending education and outreach efforts.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Tampa consulted with THHI, the CoC responsible for coordinating social service providers, homelessness outreach, and services targeted to persons experiencing homelessness in the City of Tampa and in Hillsborough County. Consultation with THHI was conducted through multiple interactions, including direct engagement with providers working in coordination with THHI, one-on-one interaction with THHI officials, and during a CoC coordinating session.

Officials from the City of Tampa serve on THHI's board of directors, facilitating constant communication with THHI and its efforts to address the needs of homeless persons in the City, and in surrounding regions. In addition to board leadership, the City of Tampa coordinates with THHI on a variety of programs and initiatives, including Operation Reveille, a program to support homeless veterans in the City. Additionally, the City supports THHI's program called "Beginning of the End Abolishing

Homelessness (BEACH)", an initiative geared toward rapid rehousing and housing first operations during an annual "surge" event. The surge event is intended to deploy massive resources into the community, coordinate entry of chronic homeless persons into the system, and link those individuals with housing and services immediately, or as soon as possible. Similarly, the City supports a program called "A Place Called Home," designed to rapidly re-house families with children experiencing homelessness. Finally, the City supports THHI's efforts to address homeless unaccompanied youth in the region through a program called "TEAM up to end youth homelessness" through rapid rehousing and coordinated entry through a housing first approach during a surge event.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

ESG funds allocated to the City for PY 2018-19 were disbursed in consultation with THHI to ensure maximum effectiveness and targeting of resources in areas with the greatest need. THHI representatives are included on the City's ESG application review board, to ensure full participation by the CoC. Additionally, consultation between the City of Tampa and THHI was conducted through direct engagement with THHI and its officers, and through solicitation of input from social service providers working under the coordination of THHI. The outreach conducted in this manner resulted in meaningful perspective on local conditions and specific needs within the community related to homelessness.

After consulting with THHI and its provider partners, the City of Tampa selected projects eligible for its ESG funds, with intended outcomes targeting emergency shelter operation and rapid re-housing services offered by local service providers with a proven track record of success. A number of these providers have received funds in previous years through Tampa's ESG allocation, and proven themselves particularly effective in using the resources.

In terms of performance standards, the City is a member of the CoC, and thus has a voice in THHI's development of performance standards for the CoC. The CoC at large provides input and helps THHI develop, work toward, and meet performance standards for the region's social service providers and agencies. Additionally, the City assists in developing an effective HMIS management system through its active role on THHI's UNITY Advisory Committee.

1. Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

To complete its Consolidated Plan and solicit meaningful input from the public, the City of Tampa conducted a robust citizen participation process in accordance with its citizen participation plan. The City of Tampa targeted historically underinvested and underrepresented communities throughout the City, in particular East Tampa and West Tampa. The City hosted public meetings in these target areas, and posted public notices regarding the opportunity to attend the public meetings in advance. The City posted notices in local newspapers, engaged in specific outreach to Spanish speakers, and made every effort to host public meetings in locations accessible to underrepresented residents. This targeted outreach resulted in well-attended meetings, where the City presented details on the Consolidated Planning process, how it impacts the local community, and solicited feedback from the community on priority needs.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

During PY 2018-2019, Tampa expects to receive an annual allocation of $8,971,482 as follows: CDBG - $3,159,459, HOME - $1,695,248, HOPWA - $3,864,852, and ESG - $251,923. The total funding available during PY 2018-2019 also includes program income of $817,771 from the CDBG and HOME programs and unexpended funds from prior years of $2,475,984. This brings the total funding available in PY 2018-2019 to $11,362,258.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City will use the federal funds to support projects and programs implemented by City staff as well as non-profit organizations, developers, and other partners. For the projects to be successful, other funding sources including in-kind resources are often added to the federal funding in order to have sufficient resources to benefit the population to be served as well as to cover expenditures that may not be allowable under the CPD programs or to cover indirect costs. The source of these additional funds will depend on the nature of the activity. For example, funds provided for public service activities will be matched by the agencies receiving funding from other sources including public and private sources as well as foundations and fundraising.

The City is required to provide a specific percentage of funds from non-federal sources to be eligible to receive the HOME and ESG grant funds. The HOME program requires a 25% match which may be reduced by HUD if the City is distressed or suffered a Presidentially declared disaster. For PY 2017-2018, Tampa was granted a 50% match reduction due to fiscal distress. The City will satisfy the HOME match through the State

Housing Initiative Program (SHIP). The ESG program requires the City provide a 1:1 match. The ESG match will be provided by the subrecipients selected through the annual application process.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Florida Statutes Section 166.0451, Disposition of municipal property for affordable housing, requires that cities create an inventory list of real property with fee simple title appropriate for affordable housing. Tampa maintains the inventory of City-owned surplus land through its Real Estate Division. There were 120 parcels of publically owned land that the City made available under an RFP for the development of permanent affordable housing. The City recently awarded 95+ publically owned single family residential lots to a Domain Homes, Inc. to expand the supply of affordable housing and deconcentrate poverty in the RE/CAP areas in Tampa. The Project is intended to help rebuild the inner city by providing affordable housing opportunities for income eligible individuals or households. These affordable housing opportunities are seen as the engine to further opportunities that will help foster place-making and community investment.

2	**Goal Name**	Homeowner Assistance
	Goal Description	Funding will also be increased for housing counseling services to support families purchasing homes and stabilizing thier housing cost.

3	**Goal Name**	Rental Assistance
	Goal Description	The City of Tampa is experiencing exponential growth that has created a housing crisis. Housing cost are rising rapidly causing low-moderate income families to move annually in a search for more affordable housing. That search is moving people further and further from employment and services which in turn is causing transportation cost to go up. The City will allocate funding to support the development of affordable rental. Funding will also be provided for the Tenant Based Rental Assistance Program to help homeless families and those with HIV/AIDs
4	**Goal Name**	New Construction
	Goal Description	The City of Tampa is experiencing exponential growth that has created a housing crisis. Housing cost are rising rapidly causing low-moderate income families to move annually in a search for more affordable housing. That search is moving people further and further from employment and services which in turn is causing transportation cost to go up. The City will allocate funding to support the development of affordable single family homes. CHDO funding for atleast 5 units of new housing

5	**Goal Name**	Public Service Assistance
	Goal Description	**ABE BROWN MINISTRIES -** The awarded dollars will be used specifically for outreach and intake activities, case management and associated assessments, career development and life skills training, and employment placement assistance. Each program participant will receive the following services: Background Screening, Risk Assessment, Mental Health and Substance Abuse Assessments (based on participant's need and willingness to participate), Comprehensive Needs Assessment and Plan of Care, Career Development Certificate (upon completion of Career Development training), and Employability Skills Assessment and Employment Profile. In addition to these services, participants may receive ancillary assistance with transportation, obtaining records necessary for employment, and may qualify for incentives to assist them during their transition. The program will assist 72 clients. $100,000**IDS SERVICE ASSOCIATION OF PINEALLAS DBA EPIC** This funding will allow EPIC to assist eligible clients in addressing mental health and improving their overall quality of life. This provides a solid foundation of care that is linked to preventing homelessness. The program will assist 570 people. **$100,000** **COMPUTER MENTORS-** This is a project to provide computer training for City of Tampa residents. The project includes a fundraising effort to raise funds to refresh all of the computers in City of Tampa Recreation Department Community Centers with new computers. Additionally, these computers will be used to provide training for two categories of students: (1) Late elementary (4th and 5th grades) and middle school children through the KidsCode Program; and (2) Adults and senior citizens through the Adult Computer Literacy Training Program. The program will serve 500 participants. **$73,000** **METROPOLITAN MINISTRIES** UpliftU® is a trauma-informed supported housing program which holistically focuses on addressing the individual needs of the families and single women served. Enrollment into the program is ongoing based on space available. Clients take an average of 9 months to complete the program. This past year, 81% of families and single women (50 households) exiting completed the program and were successfully housed. Further, 87% of UpliftU® families reported being stably housed 12 months after graduating. CDBG funds will specifically be used to support the Case Management component of the Uplift U program. The program will serve 75 households**. $100,000** **SENIORS IN SERVICE The Senior Companion Program provides in-home services to low-income, elderly City of Tampa residents that allow them to remain in their homes while providing opportunity to low-income volunteers to earn a modest stipend. This project will serve 115 people. $100,000**

6	**Goal Name**	Homeless Assistance
	Goal Description	This year the City of Tampa received $251,923 and allocated 60% for Shelter grants and 40% for Rapid Rehousing. The agencies are under three year contracts and this is the second year. The agencies were funded as follows:**Alpha House of Tampa, Inc** operates a 23 bedroom licensed maternity home to serve homeless pregnant women with multiple risk factors for the delivery of a low birth weight baby. Alpha House also provides transitional housing to parenting women and their infants and young children. ESG funds will be used for shelter operations which will benefit 70 unduplicated clients at 201 S. Tampania Avenue, Tampa, FL 3369. **$88,595** **CATHOLIC CHARITIES** provides rapid re-housing assistance for individuals and families who are homeless. Rapid Re-Housing services are provided by an onsite case manager/family care worker to provide short-term assistance to families who are homeless. Services include relocation and stabilization, rental and utility deposits and arrear payments as well as up to three month of rental assistance. ESG funds will be used to house approximately 25 unduplicated households. Services will be offered from the Catholic Charities office located at 2021 E. Busch Boulevard, Tampa, FL 33612. **$95,731** **The Spring of Tampa Bay, Inc** provides safe haven, emergency shelter, and supportive services to victims of domestic violence. The Spring of Tampa Bay provides a continuum of services that include emergency shelter; children's services including shelter case management; transitional housing; and outreach services. ESG funds will be used for shelter operations which will benefit 1,150 unduplicated clients within the City of Tampa limits. The location of this shelter is confidential. **$55,000**

Projects

AP-35 Projects – 91.220(d)

Introduction

The City will undertake various projects during the 2018-2019 program year focused on providing decent affordable housing, creating a suitable living environment for residents, and supporting economic opportunities for businesses and potential entrepreneurs. The City will also fund projects targeted towards ending homelessness and assisting persons living with HIV/AIDS and their families. The City will utilize their HUD grant programs including CDBG, HOME, ESG and HOPWA to carry out activities intended to address priority needs in the community and ensure the greatest impact to beneficiaries.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

In identifying priorities, the City uses a ranking system to determine needs as low, medium, high, or no need. In ranking needs within the community the City takes into consideration information from the Needs Assessment, Housing Market Analysis, citizen participation process, and agency consultation. The City assesses the amount of funding available, the target areas with the most need for assistance, and the type of activities that will best address those needs to determine geographical allocations.

The priority ranking system is as follows:

- High Priority: Activities determined as a critical need and will be funded during the Consolidated Plan period.
- Medium Priority: Activities determined to be a moderate need and may be funded during the Consolidated Plan period as funds are available.
- Low Priority: Activities determined as a minimal need and are not expected to be funded during the Consolidated Plan period.
- No Need: Activities determined as not needed or are being addressed in a manner outside of the Consolidated Plan programs. Funding will not be provided for these activities during the Consolidated Plan period.

There are various elements that produce obstacles to meeting need within the community. Addressing all housing, homeless, and community developments needs is a difficult task due to lack of funding. The City utilizes all possible resources and continues to seek leveraging sources to meet as many underserved needs as possible. The current housing market and economic environment also serve as barriers to meeting needs. Unemployment rates and stagnant incomes add to the number of families and individuals needing access to services and many times the capacity to fund and implement existing or additional programs is limited. The City utilizes its CDBG, HOME, ESG, and HOPWA funds to the fullest extent to assist in meeting underserved needs. Leveraging efforts with public and private funding agencies are also made to supplement federal funds and increase the

resources available to address community needs.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Tampa has a total of seven geographic areas that will receive funding over the course of the Action Plan. Those geographic areas are as follows:

- East Tampa. Identified during preliminary research related to the City's Assessment of Fair Housing. The East/Central Tampa target area includes census tracts identified as a racially/ethnically concentrated area of poverty.
- West Tampa. Identified during preliminary research related to the City's Assessment of Fair Housing. The East/Central Tampa target area includes census tracts identified as a racially/ethnically concentrated area of poverty.
- Citywide. The City funds operations that benefit census tracts outside of specific target areas. These investments are categorized under the Citywide geography.
- Hillsborough County. As the administrator for a regional HOPWA eligible metropolitan statistical area (EMSA), the City is responsible for disbursing HOPWA funds across a four-county region. This Action Plan includes investments in Hillsborough County under that administrative plan.
- Hernando County. As the administrator for a regional HOPWA eligible metropolitan statistical area (EMSA), the City is responsible for disbursing HOPWA funds across a four-county region. This Action Plan includes investments in Hernando County under that administrative plan.
- Pasco County. As the administrator for a regional HOPWA eligible metropolitan statistical area (EMSA), the City is responsible for disbursing HOPWA funds across a four-county region. This Action Plan includes investments in Pasco County under that administrative plan.
- Pinellas County. As the administrator for a regional HOPWA eligible metropolitan statistical area (EMSA), the City is responsible for disbursing HOPWA funds across a four-county region. This Action Plan includes investments in Pinellas County under that administrative plan.

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Assistance will be provided City wide to low and moderate income families as the City seeks to Affirmatively Further Fair Housing by deconcentrating poverty. Both the Federal and State funds will be

used to promote financial stability and independence through a number of different programs developed and administeretd to meet both output and outcome measures. The majority of the funding will continue to address the RE/CAP areas identified in the Annalysis of Fair Housing Impediments/AFH

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The City will make efforts to address affordable housing needs and provide the largest impact to beneficiaries by funding various activities including: housing rehabilitation; direct financial assistance to homeowners; tenant-based rental assistance; security deposit and utility assistance; housing counseling; and new construction.

The City will dedicate over $9 million of CDBG, HOME, ESG, and HOPWA funds towards addressing affordable housing needs during the 2018-2019 program year.

AP-60 Public Housing – 91.220(h)

Introduction

Public housing serves an absolutely critical housing need for the region. The housing inventory managed by THA and made available through Section 8 and other mobility-based rental assistance programs are critical to meeting the demand for housing. In the City of Tampa, the THA offers subsidized rent for some of the most at-risk populations in the region, including the elderly, persons living with a disability, persons diagnosed with HIV/AIDS, and extremely low-income families. In addition to the THA, the City of Tampa also works with other housing authorities in the region through its role as the administrator for HOPWA funds across a four-county EMSA.

Actions planned during the next year to address the needs to public housing

Actions related to addressing the needs of public housing residents in this Action Plan primarily relate to projects awarded through the HOPWA program. In total, the City of Tampa will award $773,912 in funds to the Pasco County Housing Authority ($199,281) and the THA ($651,837) to provide tenant-based rental assistance for persons living with HIV/AIDS and their affected family members. Specifically, these funds will be used to provide rental assistance vouchers, and support program operations and administrative costs. The resources allocated to Pasco County Housing Authority are expected to assist 21 unduplicated households, and funds awarded to the THA are expected to assist 75 unduplicated households. The City will also provide $1,066,384 in funds for tenant based rental assistance to the Boley Centers, a recognized public housing authority in the state of Florida. These funds are expected to assist 145 households. Additionally, the City will continue to provide HOME funding for multi-family rental developments in THA's West River redevelopment project ($2,000,000), also in the City's West Tampa target area, and provides general funds to support THA's housing counseling program.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

THA is actively engaged in programs designed to support resident self-sufficiency, including programs aimed at encouraging homeownership. A principle program administered by the THA, and supported by the City of Tampa, is the Family Self-Sufficiency (FSS) program. The FSS program was created to enable families to achieve economic independence and self-sufficiency. The FSS program tackles the problem of dependency by giving economically and educationally disadvantaged families the opportunity to receive housing under the Housing Choice Voucher Program and the supportive services necessary for them to obtain an education and/or job training and secure permanent employment. The head of the household is expected to obtain higher education and permanent employment with the assistance of the FSS program. The participant can withdraw from the program at any time without being penalized, if the contract terms are met. The City of Tampa will continue to support the program, primarily through

public recognition, counsel, and ongoing coordination.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The Tampa Hillsborough Homeless Initiative is the lead entity for the Continuum of Care planning process in Tampa-Hillsborough County.

The City of Tampa makes an effort to fund Continuum of Care Project Sponsors that exist within the City of Tampa City limits with other funding sources (e.g. ESG, CDBG and HOME), and have been certified for their consistency with the City's Consolidated Planning Document.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Tampa supports THHI through General Funds which are used to support the Hillsborough County CoC efforts which includes HMIS maintenance and outreach efforts. The City of Tampa also has two dedicated Tampa Police Offers who are dedicated to homeless services and outreach. The two officers act as liasons between the homeless individuals and families in our CoC and needed service resources.

Addressing the emergency shelter and transitional housing needs of homeless persons

Emergency shelter and transitional housing needs for homeless persons was noted as a high need priority in the survey administered during this consolidated planning process. Additionally, shelter for victims of domestic violence was also selected as a high need priority in the survey. Two projects awarded in this year's Action Plan meet both of these needs with a combined $143,595 in funding from the City's ESG allocation.

The first project is managed by The Spring of Tampa Bay ($55,000 in ESG). The Spring provides safe haven, emergency shelter, and supportive services to victims of domestic violence. The Spring of Tampa Bay provides a continuum of services that include emergency shelter; children's services including shelter case management; transitional housing; and outreach services. ESG funds will be used for shelter operations which will benefit 1,150 unduplicated clients within the City of Tampa limits.

The second project is managed by Alpha House of Tampa ($88,595 in ESG). Alpha House operates a 23-bedroom licensed maternity home to serve homeless pregnant women with multiple risk factors for the delivery of a low birth-weight baby. Alpha House also provides transitional housing to parenting women and their infants and young children. ESG funds will be used for shelter operations which will benefit 70

unduplicated clients.

In additional to assisting homeless activities through use of ESG, the City of Tampa will fund the Cathloic Charities Mercy House Transitional Housing Project through HOPWA funds. Mercy House is able to assist 34 transitional households at a time.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City of Tampa will fund Catholic Charities $95,703 in ESG funds to provide Rapid Re-Housing assistance to individuals and families to assist with transitioning into permanent independent living. As previously mentioned, the City will also continue to fund HOME TBRA vouchers earmarked for homeless individuals and families. The HOME TBRA clients will also received case management services to assist with resource identification to promote indpendance and self-sufficiancy.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City is an active partner of the Tampa-Hillsborough CoC. As a participant, the City participates in the planning process to coordinate homeless services in the Tampa-Hillsborough CoC. Together with Hillsborough County, the City of Tampa has funded homeless projects in the past and will continue to look for new opportunities to jointly fund homeless services and resources. The City will also continue to support the Tampa Homeless Hillsborough Initiative through General Funds and to fund non-profit partners through ESG, HOPWA and CDBG to provide homeless services, resources and housing opportunities.

Units provided in transitional short-term housing facilities developed, leased, or operated with HOPWA funds	38
Total	549

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of Tampa will continue to address the barriers to affordable housing as they relate to public policy barriers, financial barriers, and discriminatory barriers. The City of Tampa provides a monthly opporutinity through the Affordable Housing Advisory Committee meeting for both the public and community partners to attend and provide feedback regarding program design and community needs. it is through this forum that the City is able to receive additional comments throughout the year which provides the opportunity for program updates as needed to address barriers.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City will continue to implement the following strategies to eliminate barriers to affordable housing:

- Implement the goals and objectives of the City's Comprehensive Plan as it pertains to increasing the supply of affordable housing.
- Expedited permitting for affordable housing projects providing for efficient review and minimal delays.
- Provide incentives to assist in the provision of affordable housing such as the allowance of flexibility in densities for affordable housing, the reduction of parking and setback requirements, and reduction of impact fees.
- The allowance of affordable accessory residential units in residential zoning districts.
- Prepare a printed inventory of publicly owned land suitable for affordable housing and develop a strategy for disposition of this land.
- Support affordable housing developments neat transportation and major employments centers.
- Review policies, procedures, and regulations to determine the impact on the cost of housing.

AP-85 Other Actions – 91.220(k)

Introduction:

The City of Tampa recognizes that the needs of Tampa residents extend beyond housing and infrastructure. These needs include reducing lead based paint hazards, reducing poverty, developing institutional structures, and enhancing coordination between public and private social service agencies. The following is a list of actions that the City of Tampa intends to implement over the next fiscal year to achieve success in addressing the housing and community development needs of low to moderate income residents.

Actions planned to address obstacles to meeting underserved needs

The primary obstacle to meeting underserved needs is sufficient resources to meet already identified needs identified in the outreach conducted for this Action Plan. To meet these underserved needs, the City of Tampa will endeavor to secure additional private and public sources of financing over the course of the program year.

Actions planned to foster and maintain affordable housing

The City of Tampa recognizes the critical importance of maintaining its supply of affordable housing. As subsidized units reach their term of affordability, many units are removed from the city's supply of affordable housing due to market rate conversion. According to the Shimberg Center for Housing Studies, approximately 1,050 units of subsidized housing are expected to reach their affordability expiration (preservation risk assessment, accessed July 31, 2017).

The City of Tampa has selected a number of projects designed to enhance the supply of affordable housing, and increase access to sustainable housing options for low-income residents across the City. In particular, the City will fund three programs through its CDBG allocation for housing counseling services. The first program is offered through the Center for Affordable Homeownership, which provides housing counseling services to help low-moderate income families achieve homeownership. A total of $180,000 will be awarded to three organizations to administer the housing counseling services, assisting in processing applications for the City's Mortgage Assistance Program (MAP). The program is expected to assist approximately 150 clients within the City.

Actions planned to reduce lead-based paint hazards

The City of Tampa's housing programs have integrated the components of 24 CFR Part 35 into all of its policies and procedures governing federally assisted housing programs directly administered under the City of Tampa and those contracted with subrecipient organizations. Programs will be affected include

housing rehabilitation, acquisition, and TBRA as specified within 24 CFR Part 35.

The City also ensures compliance with lead hazard reduction requirements when CDBG, HOME, ESG, or HOPWA funding is used to acquire and/or renovate existing buildings for housing. Language is included in all subrecipient contracts identifying all lead regulations and procedures for notification and remediation.

Removing all lead-based paint from every house within the City of Tampa is not an economically feasible or realistic goal. However, the City addresses this issue through disseminating printed information concerning lead-based paint hazards to all residents in the City's housing rehabilitation program. The City's housing rehabilitation contractors are certified and/or have received training in the identification of lead hazards, proper methods of paint stabilization, interim control, abatement procedures and rehabilitation activities.

The City of Tampa will support any application for lead-based paint hazard abatement grants, especially those that will benefit residents classified as extremely low, low, and moderate-income.

Actions planned to reduce the number of poverty-level families

The City of Tampa is proud to support economic development projects through its CDBG allocation. These projects will help reduce the total number of poverty-level families in the City through increased job-readiness and foster women entrepreneurs.

The City of Tampa believes a strong, well-educated and highly prepared workforce is critical to the long-term success of tackling poverty in the City. With that in mind, the City will award $100,000 in CDBG public service funds to the Abe Brown Ministries workforce training program. These funds will assist the resource center in assisting hard-to-employ individuals, including ex-felons, welfare recipients, and non-custodial parents. Services provided will include job counseling, job training, job referrals/placements and customer follow-up. These funds will impact approximately 72 individuals in gaining meaningful employment.

Actions planned to develop institutional structure

Proper institutional delivery structures are critical to the long-term success of community development efforts in the City. These structures assist in proper targeting of resources, efficient use of those resources, and meaningful change in the number of poverty-level families in the City. The City of Tampa will continue to engage in coordination efforts between governmental agencies operating within the

City, and continued support for institutional efforts to address long-term challenges in the region.

Actions planned to enhance coordination between public and private housing and social service agencies

The primary means by which the City of Tampa will enhance coordination between public and private housing and social service agencies is through continued engagement with THHI and its CoC social service agencies. THHI hosts a monthly coordination meeting with all CoC members - including the City of Tampa - to discuss coordination activities, needs in the community, and any expected challenges. These meetings are critical to the long-term success of coordination activities, and the City of Tampa will be a champion of these meetings

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction:

Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	**0**

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income.Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	0.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

   N/A

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

   The City of Tampa uses the recapture option 24 CFR 92.254(a) (5)(ii)(A)(1) to ensure long-term

affordability of the assisted property. The entire amount of the direct HOME subsidy becomes due and payable upon transfer of ownership interest during any point of the affordability period. The affordability periods are determined by the subsidy dollar levels and programs. The recapture requirement is subject to the limitations of the mortgage documents in place when the recapture requirement is triggered by a sale (voluntary or involuntary) of the housing unit. The amount recaptured cannot exceed the net proceeds, if any (or the amount of the HOME subsidy). The net proceeds are the sales price minus superior loan repayment (other than HOME funds) and any closing costs. To secure the city' s investment throughout the affordability period, the City uses a mortgage note attached to each property in the amount of the assistance. HOME funding language is included in all contract documents. The City's HOME program policy and procedures as well as the mortgage and contract documents are available for public review at the City's HCD Office.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

   The City of Tampa uses the recapture provision 24 CFR 92.254(a)(5)(ii)(A)(1) to ensure long-term affordability of the assisted property. The full amount of the direct HOME subsidy becomes due and payable upon transfer of ownership interest during any point of the affordability period. To impose and ensure the affordability and recapture provision, the City uses a mortgage note attached to each property in the amount of assistance. The City's HOME program policy and procedures, as well as the mortgage and contract documents, are available for public review at the City's HCD Office.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

   The City does not anticipate using any HOME funds to refinance existing debt secured by multi-family housing units that are being rehabilitated with HOME funds. In the event that it becomes necessary to refinance such existing debt, the City will seek HUD's prior approval as needed on a case by case basis.

Emergency Solutions Grant (ESG)
Reference 91.220(l)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

   The City of Tampa issues an RFA for funding consideration under the Emergency Solutions Grant (ESG) grant program. ESG funding was available for emergency shelter and housing services for homeless persons throughout the City of Tampa.

   No more than 5% of Emergency Solutions Grant funds may be utilized for administrative costs.

- ESG Project Sponsors must ensure the consistent participation in UNITY the local Homeless Management and Information (HMIS) system administered by the Tampa Hillsborough Homeless Initiative.
- Successful Applicants must utilize the Tampa Hillsborough Homeless Initiative's Coordinated Intake and Assessment System (CI&A). Further, the successful Applicant will establish a Memorandum of Understanding (MOU) with the community organizations participating in the Coordinated Intake & Assessment (CI&A) process established by the Tampa Hillsborough Homeless Initiative.
- The awarded agencies must also agree to abide by the policies and procedures written and provided by the Tampa Hillsborough Homeless Initiative any subsequent amendments.

ESG grant funds must be matched, dollar for dollar, with locally generated amounts.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

   The Tampa Hillsborough CoC has adopted the Vulnerability Index-Service Prioritization Decision Assistance Tool (VI-SPDAT) as the adopted method to assess individuals and families who are experiencing homelessness. The VI-SPDAT is an evidence-informed approach to assessing an individual's or family's acuity. The tool, across multiple components, prioritizes who to serve next and why, while concurrently identifying the areas in the person/family's life where support is most likely necessary in order to avoid housing instability.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

   ESG funds are only awarded the the RFA process. Applicants must attend a mandatory workshop where they are given the opportunity to ask questions about the appication, process and requirements. Following they are given approximately two weeks to ask additional questions before submitting their application. Applications are reviewed by a review committee made up of subject matter experts and are scored during a public meeting which applicants are encouraged to attend. Following the review meeting, City staff verify that all requirements have been met and awards are

announced.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

   The Tampa Hillsborough Homeless Initiative is the lead entity for the Continuum of Care (COC) planning process in Tampa and Hillsborough County. The Initiative is responsible for establishing and maintaining strategic efforts to develop long-term constructive solutions that address the underlying causes of homelessness as well as meet the immediate needs of currently homeless people. The City of Tampa is an active partner in working with the Tampa Hillsborough Homeless Initiative to develop the Continuum of Care needs assessments and strategically plan the use of community resources.

5. Describe performance standards for evaluating ESG.

   The City of Tampa adheres to using IDIS as the main reporting tool for the ESG program. In addition the City requires that all providers awarded with City ESG funds use and maintain an active participant role in using the local HMIS known as UNITY. Both IDIS and UNITY capture the federally required reporting fields to assist in evaluating the program goals and objectives.

   City of Tampa ESG providers are also asked to submit quarterly reports which mirror the reporting forms in IDIS. As a result, the City is able to review program goals and objectives quarterly to ensure that goals are being met. The City also conducts onsite monitoring to ensure that program compliance is being met.

CERTIFICATIONS

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) _____[a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.
