Rules

There will be rules that I have to follow when I am at the Park. There will be signs that remind me of what the rules are.

Trash

I will make sure I throw my trash into trash cans when I am finished with it. If I have a service animal with me I will make sure I clean up after him or her.

Water & Rest

If I get tired there will be places in the park where I can sit and rest or get a drink of water. There are water fountains for my service animals too if I have one.

The Playground

There will be a playground where I can play. I will take turns on the equipment if there are other kids there. I will stay on the playground where the adult that is with me can see me.

Things to do

While at the playground, there will be lots of things that we can look at or play with, like the ropes. I will ask the adult that is with me if I can touch and play with the sand before I touch it.

Dogs in the Park

There is a dog park near the park. If I have a service animal, he or she can play here at the dog park. The dog park looks fun for dogs, but it is not for kids to play on.

Nosie

There might also be a lot of noise in the park. I can cover my ears or put on headphones if it get too load.
