

Hillsborough Ave at East Gate Plaza/Meridian Apts Signalization Improvements (FPID 435956-1) (CIP Project #1000684)

Project Description:

This segment of East Hillsborough Avenue is a key arterial roadway with posted speeds of 40 mph. This project provides for design and construction of a new traffic signal with crosswalk and pedestrian improvements at the intersection of Hillsborough Avenue with East Gate Plaza.

This area has experienced 21 pedestrian/bike crashes with 2 fatalities between 2008 and 2012. FDOT’s decision to install traffic signals at this location was made after the April 15, 2014 community meeting with elected officials, City of Tampa staff and local citizen group. The City of Tampa is designing, acquiring the needed property, and constructing the improvements. FDOT is funding the construction phase via a Joint Project Agreement (JPA) with City of Tampa.

Concept Plan:

Project Information:

Phase	Firm	Cost	Funding	Schedule	
				Start	Finish
Survey & Design	Element Eng.	\$48,981	City (LOGT)	May 2014	Feb 2015
Geotechnical	MC Squared, Inc.	\$3,792	City (LOGT)	Jul 2014	Aug 2014
Property Acq.	n/a	\$14,000	City (LOGT)	Aug 2014	Oct 2015
Construction	Florida Safety Contractors, Inc.	\$306,700	FDOT (JPA #ARS18)	Oct 2015	Mar 2016
