RESOLUTION NO. 2015-723

ANNUAL STORMWATER RESOLUTION

A RESOLUTION OF THE CITY OF TAMPA, FLORIDA, RELATING TO THE PROVISION OF STORMWATER MANAGEMENT SERVICES PROVIDED BY THE CITY'S STORMWATER UTILITY; IMPOSING STORMWATER CHARGES AGAINST DEVELOPED PROPERTY LOCATED IN THE STORMWATER SERVICE AREA FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2015; APPROVING THE INCREASED RATE OF STORMWATER CHARGES; APPROVING THE STORMWATER ROLL; DIRECTING THAT THE STORMWATER ROLL BE CERTIFIED TO THE HILLSBOROUGH COUNTY TAX COLLECTOR; AND PROVIDING AN EFFECTIVE DATE.

RECITALS

WHEREAS, the City of Tampa, Florida (the "City"), has heretofore enacted Chapter 21 of the City of Tampa Code, as amended and supplemented, and particularly as amended and supplemented by Ordinance No. 2003-0200 enacted by the City on August 7, 2003 (the "Stormwater Code"), to authorize the imposition of Stormwater Charges against real property burdening the City's Stormwater System, and thus specially benefited by, the City's Stormwater Management Services; and

WHEREAS, the imposition of a Stormwater Charge is an equitable and efficient method of allocating and apportioning the cost of the City's Stormwater Management Service among parcels of property that are burdening the City's Stormwater System and thus specially benefited by provision of the Stormwater Management Service; and

WHEREAS, pursuant to the Stormwater Code, the City proposed the creation of the Stormwater Service Area by its Resolution 2003-937, adopted August 7, 2003, as amended (the "Initial Assessment Resolution") as the entire incorporated area of the City; and

WHEREAS, pursuant to the Stormwater Code, the City imposed Stormwater Charges within the Stormwater Service Area by its Resolution 2003-1111, adopted September 11, 2003 (the "Final Assessment Resolution"); and

WHEREAS, the City desires to continue the imposition of Stormwater Charges in the Stormwater Service Area using the tax bill and direct billing collection methods for the Fiscal Year beginning on October 1, 2015; and

E-2015-8 CH21

WHEREAS, in order to continue the imposition of Stormwater Charges for the Fiscal Year beginning October 1, 2015, the Stormwater Code requires the City to adopt an Annual Stormwater Resolution during its budget adoption process for each Fiscal Year, which establishes the rate of Stormwater Charges for Stormwater Management Services and approves the Stormwater Roll for the upcoming Fiscal Year, with such amendments as the City deems appropriate, after hearing comments and objections from all interested parties; and

WHEREAS, the updated Stormwater Roll has heretofore been made available for inspection by the public, as required by the Stormwater Code; and

WHEREAS, as required by the terms of the Stormwater Code, notice of a public hearing has been published and mailed to each property owner of properties for which the Stormwater Charge for Stormwater Management Services has been increased or which will be charged for the first time, notifying such property owner of the opportunity to be heard; the proof of publication and an affidavit of mailing are attached hereto as APPENDICES A and B, respectively; and

WHEREAS, a public hearing has been duly held on August 27, 2015, and comments and objections from all interested persons have been heard and considered as required by the terms of the Stormwater Code.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF TAMPA, FLORIDA THAT:

SECTION 1. RECITALS. The above recitals are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Annual Assessment Resolution.

SECTION 2. AUTHORITY. This Annual Assessment Resolution is adopted pursuant to Chapter 166, Florida Statutes, the Stormwater Code, and other applicable provisions of law.

SECTION 3. DEFINITIONS. All capitalized terms used in this Annual Assessment Resolution shall have the meanings defined in the Stormwater Code, the Initial Assessment Resolution and Final Resolution.

SECTION 4. INTERPRETATION. Unless the context indicates otherwise, words importing the singular number include the plural number, and vice versa; the terms "hereof," "hereby," "herein," "hereto," "hereunder" and similar terms refer to this resolution; and the term "hereafter" means after, and the term "heretofore" means before, the effective date of this resolution. Words of any gender include the correlative words of the other genders, unless the sense indicates otherwise.

SECTION 5. FINDINGS. It is hereby ascertained, determined and declared that the Initial Assessment Resolution, Final Assessment Resolution, and each prior Annual Assessment Resolution are hereby ratified and confirmed.

SECTION 6. CLASSIFICATION OF TAX PARCELS; EQUIVALENT STORMWATER UNITS. Each Tax Parcel located within the Stormwater Service Area has been assigned a classification and a number of equivalent stormwater units ("ESUs") consistent with the provisions of the Initial Assessment Resolution and Stormwater Code. ESUs are also referred to as an "ESFIA" or equivalent square footage of impervious area and is the standard unit used to express the Stormwater burden expected to be generated by each parcel of property.

SECTION 7. MITIGATION POLICY. The Mitigation Credit Policy attached to the Initial Assessment Resolution continues to be in effect and is hereby incorporated into this Annual Stormwater Resolution by reference.

SECTION 8. STORMWATER SERVICE AREA. The City shall provide Stormwater Management Services to all Developed Properties within the Stormwater Service Area. All or any portion of the cost of providing Stormwater Management Services may be funded from the proceeds of the Stormwater Charges.

SECTION 9. IMPOSITION OF STORMWATER CHARGES; APPROVAL OF STORMWATER ROLL. The Tax Parcels of Developed Property described in the Stormwater Roll, as updated, are hereby found to be specially benefited by the City's Stormwater Management Services, in the amount of the Stormwater Charges set forth in the updated Stormwater Roll, a copy of which is incorporated herein by reference and has been maintained and available for public inspection at the City Clerk's Office as well as present or available for inspection at the above-referenced public hearing, are hereby approved. It is hereby ascertained, determined and declared that the estimated revenue to be derived from the imposition of Stormwater Charges at the annual rate of \$82.00 per ESU does not exceed the budgeted Stormwater Service Cost. Stormwater Charges in the amounts set forth in the Stormwater Roll (based upon the annual rate of \$82.00 per ESU), are hereby levied and reimposed on all Tax Parcels described in the Stormwater Roll. Adoption of this Annual Stormwater Resolution constitutes a legislative determination that all parcels charged derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Stormwater Code, the Initial Assessment Resolution and the Final Assessment Resolution, and a legislative determination that the Stormwater Charges are fairly and reasonably apportioned among the real properties that burden the Stormwater System and thus receive the special benefit.

SECTION 10. COLLECTION OF STORMWATER CHARGES.

(A) The Stormwater Service Assessments shall be collected pursuant to the Uniform Assessment Collection Act, as provided in Section 21-132 of the Stormwater Code and the Final Assessment Resolution. The Director of the Department of Transportation and Stormwater Services is hereby authorized and directed to certify and deliver, or cause the certification and delivery of, the Stormwater Roll for the Stormwater Service Assessments to the Tax Collector by September 15, 2015, in the manner prescribed by the Uniform Assessment Collection Act. The Stormwater Roll for the Stormwater Service Assessments, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the same form as attached hereto as APPENDIX C.

(B) The Stormwater Fees against Government Property included on the Stormwater Roll shall be collected by a separate bill sent to each owner of Government Property by first class mail, as provided in Section 21-133 of the Stormwater Code. The Director of the Department of Transportation and Stormwater Services is hereby authorized and directed to prepare and mail or cause the preparation and mailing of the separate bill for Stormwater Fees to Government Property. The separate bill for Stormwater Fees shall be mailed no later than November 1, 2015.

SECTION 11. STORMWATER CHARGE LIENS. Such Stormwater Charges imposed within the Stormwater Service Area listed on the Stormwater Roll described in Section 9 hereof shall constitute a lien against assessed property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims until paid. The lien for Stormwater Charges shall be deemed perfected upon adoption of this Annual Stormwater Resolution. Upon perfection, the lien for Stormwater Service Assessments collected under the Uniform Assessment Collection Act shall attach to the property included on the Stormwater Roll as of January 1, 2015, the lien date for ad valorem taxes, and the lien for Stormwater Fees shall be attached to the property in accordance with the Stormwater Code.

SECTION 12. EFFECT OF ADOPTION OF ANNUAL STORMWATER RESOLUTION. The adoption of this Annual Stormwater Resolution shall be the final adjudication of the issues presented herein (including, but not limited to, the apportionment methodology, the rate of the fee for service to Government Property, the rate of assessment, the adoption of the Stormwater Roll and the levy and lien of Stormwater Charges), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the effective date of this Annual Stormwater Resolution.

SECTION 13. CONFLICTS. All resolutions or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

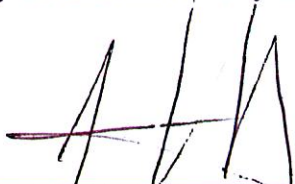

SECTION 14. SEVERABILITY. If any clause, section, other part or application of this Annual Stormwater Resolution is held by any court of competent jurisdiction to be unconstitutional or invalid, in part or by application, it shall not affect the validity of the remaining portions or applications of this Annual Stormwater Resolution.

SECTION 15. EFFECTIVE DATE. This Annual Stormwater Resolution shall become effective immediately upon its adoption.

PASSED AND ADOPTED by the City Council of the City of Tampa, Florida on August 27, 2015.

LEGAL NOTICE

**PUBLIC NOTICE
RESOLUTION NO. 2015-556**

**NOTICE OF HEARING TO
IMPOSE AN INCREASE IN
STORMWATER SERVICE
ASSESSMENT AND
PROVIDE FOR COLLECTION
OF NON-AD VALOREM
ASSESSMENTS**

Notice is hereby given that, pursuant to Section 21-126 of the City of Tampa Code, the City Council of the City of Tampa, Florida, will conduct a public hearing to receive written comments and hear testimony from all interested persons regarding adoption of a Resolution and approval of the Stormwater Roll for Fiscal Year 2015 in the area receiving Stormwater Management Services from the City, as shown above. The hearing will be held at 8:30 A.M., or as soon thereafter as possible, August 27, 2015, in the Tampa City Council Chambers located at 315 E. Kennedy Blvd., Tampa, Florida 33602 [OR OTHER LOCATION]. Note that the maximum stormwater charge per Equivalent Stormwater Unit (ESU) for Fiscal Year 2016 and thereafter is proposed to be \$82 per ESU (an increase of \$48 from the Fiscal Year 2014 rate of \$36 per ESU). The Stormwater Service Assessments and Stormwater Fees partially fund the City's cost to provide Stormwater Management Services in the area shown above.

In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the City Clerk at (813) 274-8397 at least 72 hours prior to the date of the hearing. If hearing impaired, telephone the Florida Relay Service Numbers, 850-435-1668 (TDD) or 850-435-1603 (Voice), for assistance. All affected property owners have a right to appear at the hearing and to file written objections with the City Council. All written objections to the non-ad valorem assessments and fees must be filed with the City Council of Tampa within twenty (20) days of this notice. Please include your name, folio number, and the reason you object to the assessment on all written objections. Address all written objections as follows: Director of Transportation and Stormwater Services; Attention Chief Engineer, Stormwater Division, Department of Transportation and Stormwater Services RE: Objections to Stormwater Charges; 306 E. Jackson Street, Sixth Floor North, Tampa, Florida 33602. Any person wishing to appeal any decision of the City Council with respect to any matter considered will need a record of the proceedings and may wish to ensure that a verbatim record of the proceedings is made.

The Stormwater Service Assessments will be collected by the Hillsborough County Tax Collector and failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property which may result in a loss of title to your property.

If you have any questions, please contact the Stormwater Utility Administrator at (813) 274-3101.

THE CITY OF TAMPA, FLORIDA
INTERESTED PARTIES MAY APPEAR AND BE HEARD AT SAID HEARING.

SHIRLEY FOXX-KNOWLES, CMC
CITY CLERK

APPENDIX B

AFFIDAVIT OF MAILING

AFFIDAVIT OF MAILING

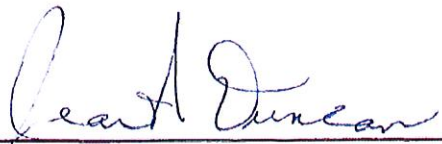

BEFORE ME, the undersigned authority, personally appeared **JEAN W. DUNCAN, P.E.**, and **SANDI MELGAREJO** who, after being duly sworn, depose and say:

1. Jean W. Duncan, P.E., Director of the Department of ~~Public Works~~ ^{Transportation & Stormwater Services} for the City of Tampa, Florida, ("City"), pursuant to the authority and direction received from the City Council, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with Sections 21-126 and 21-127 of the City of Tampa Code.

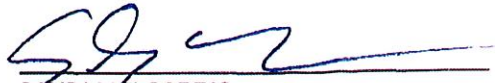

2. Sandi Melgarejo is the Project Coordinator for GSG. GSG has caused the notices required by Sections 21-126 and 21-127 of the City of Tampa Code to be prepared. An exemplary form of such notice is attached hereto. GSG has caused such individual notices for each affected property owner to be prepared and each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the City expects to collect by the assessment; a statement that failure to pay the stormwater fee may force the City to take alternative action to collect the stormwater fee; a statement that all affected property owners have a right to appear at the hearing and to file written objections with the local governing board within 20 days of the notice; and the date, time, and place of the hearing.

3. On or before July 31, 2015, GSG caused the mailing of the above-referenced notices in accordance with Sections 21-126 and 21-127 of the City of Tampa Code by First Class Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Hillsborough County Property Appraiser for the purpose of the collection of stormwater fees.

FURTHER AFFIANTS SAYETH NOT.

******* THIS IS NOT A BILL *******
**THIS IS A NOTICE OF PROPOSED STORMWATER CHARGE RATE INCREASE
AND PUBLIC HEARING FOR THE STORMWATER SERVICE AREA**

Dear Property Owner:

In 2003, the City Council enacted an ordinance to create a Stormwater Utility and provide a dedicated funding source for stormwater management by the City's stormwater system. Since that time, Stormwater Service Charges have been imposed on all improved property that utilizes the City's system. The Stormwater Service Assessment has been included on the property tax bill mailed each November for private property. The rate for the Stormwater charge has not been increased since 2005. The Stormwater Service Assessments are based on the estimated amount of stormwater runoff generated by impervious surface, such as roof tops, driveways, patios, parking lots, etc. on a property. The City has determined that the median single-family residence in the City includes 3,310 square feet of impervious surface, which is the value of one unit of "Equivalent Stormwater Unit" or "ESU Value." Generally, the number of ESUs has been calculated individually for each parcel of property by dividing the impervious surface area by 3,310 square feet. Because the Stormwater Service Assessment will be collected by the Tax Collector of Hillsborough County, pursuant to Chapter 197, Florida Statutes, failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property, which may result in a lien on the title to your property.

You are receiving this notification because you own property in the Stormwater Service Area and the City initiated efforts to improve its stormwater system operation and maintenance services which requires an increase in the charges. The current rate is \$36.00 per ESU. The proposed maximum Stormwater Service Assessment rate will be \$82.00 for each ESU annually, commencing with the property tax bill mailed in November 2015. The estimated amount to be collected by the City annually is \$14,122,204 and will be used for increased activities for the operation and maintenance of the City's stormwater system, planning for future stormwater improvements, to implement improvements with citywide benefits and other related costs permitted under the ordinance.

Information related to credits for stormwater mitigation can be obtained by calling **(813) 274-3101**.

The following provides information about the above parcel:

Number of ESUs: 1.49

Maximum Annual Stormwater Service Assessment: \$122.18

You have an opportunity to provide comments for City Council consideration at a public hearing to be held at 9:30 a.m., or as soon thereafter as possible, on August 27, 2015, in the Tampa City Council Chambers in Old City Hall 3rd floor, located at 315 E. Kennedy Blvd., Tampa, Florida, on the proposed increase. You may also file written objections with the City Council within twenty (20) days of the date of this notice. Please include your name and parcel number on all correspondence and address as follows: Stormwater Division; Comments to Non-ad Valorem Assessments; 315 E. Kennedy Boulevard, Tampa, Florida 33602. If you decide to appeal any decision made by the City Council with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the City Clerk at (813) 274-8397 at least 72 hours prior to the date of the hearing. If hearing impaired, telephone the Florida Relay Service Numbers, 1-800-955-8771 (TTY) or 1-800-955-8770 (Voice), for assistance.

If you have any questions regarding the number of ESUs assigned to your property or the amount of the Stormwater Service Assessment, please contact the Stormwater Division by telephone at **(813) 274-3101**.

**THIS IS A NOTICE OF PROPOSED STORMWATER CHARGE RATE INCREASE
AND PUBLIC HEARING**

Dear Government Property Owner:

In 2003, the City Council enacted an ordinance to create a Stormwater Utility and provide a dedicated funding source for stormwater management by the City's stormwater system. Since that time, Stormwater Service Charges have been imposed on all improved property that utilizes the City's system. The rate for the Stormwater fees (which is part of the stormwater service charges) has not been increased since 2005. The Stormwater Fee is based on the estimated amount of stormwater runoff generated by impervious surface, such as roof tops, driveways, patios, parking lots, etc. on a property. The City has determined that the median single-family residence in the City includes 3,310 square feet of impervious surface, which is the value of one unit of "Equivalent Stormwater Unit" or "ESU Value." Generally, the number of ESUs has been calculated individually for each parcel of property by dividing the impervious surface area by 3,310 square feet. The Stormwater Fee will be collected for government property by a separate bill to be mailed in November. Failure to pay the Stormwater Fee will result in the City seeking all available legal remedies for collection.

You are receiving this notification because the City initiated efforts to improve its stormwater system operation and maintenance services which requires an increase in the charges. The current rate is \$36.00 per ESU. The proposed rate will be \$82.00 for each ESU annually for the Stormwater Fee, if approved, which would begin in October 2015. The estimated amount to be collected by the City annually is \$14,122,204 and will be used for increased activities for the operation and maintenance of the City's stormwater system, planning for future stormwater improvements, to implement improvements with citywide benefits and other related costs permitted under the ordinance.

Information related to credits for stormwater mitigation can be obtained by calling **(813) 274-3101**.

The following provides information about the above parcel:

Number of ESUs: 17.77

Maximum Annual Stormwater Fee: \$1,457.14

You have an opportunity to provide comments for City Council consideration at a public hearing at 9:30 a.m., or as soon thereafter as possible, on August 27, 2015, in the Tampa City Council Chambers in Old City Hall 3rd floor, located at 315 E. Kennedy Blvd., Tampa, Florida, on the proposed increase. You may also file written objections with the City Council within twenty (20) days of the date of this notice. Please include your name and parcel number on all correspondence and address as follows: Stormwater Division; Comments to Stormwater Fees; 315 E. Kennedy Boulevard, Tampa, Florida 33602. If you decide to appeal any decision made by the City Council with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the City Clerk at (813) 274-8397 at least 72 hours prior to the date of the hearing. If hearing impaired, telephone the Florida Relay Service Numbers, 1-800-955-8771 (TTY) or 1-800-955-8770 (Voice), for assistance.

If you have any questions regarding the number of ESUs assigned to your property or the amount of the Stormwater Fee, please contact the Stormwater Division by telephone at **(813) 274-3101**.

Folio # 185152.4030

**THIS IS A NOTICE FOR A PUBLIC HEARING FOR A
PROPOSED STORMWATER IMPROVEMENT ASSESSMENT
IN THE CENTRAL AND LOWER BASIN IMPROVEMENT AREA**

Dear Property Owner:

In 2003, the City Council enacted an ordinance to create a Stormwater Utility and provide a dedicated funding source for stormwater management for the City's stormwater system. However, those funds are for the operation and maintenance of the system not for certain capital improvement projects which can help resolve larger and continuing stormwater issues.

This notice is to advise you that the City Council is proposing to implement a Stormwater Improvement Assessment which was authorized when the Stormwater Utility was created in 2003, but has never been imposed to date. A Stormwater Improvement Assessment will allow the City to construct the necessary projects sooner by financing the construction and related costs up front and paying the debt with proceeds of the Stormwater Improvement Assessments. Without this financing ability the projects would be delayed and stormwater issues will continue.

The Stormwater Service Assessment (described on the reverse side of this letter) has been imposed since 2003 on all improved property that utilizes the City's system. The Stormwater Service Assessment has been included on the property tax bill mailed each November for private property. The Stormwater Improvement Assessment would also be collected annually on the property tax bill. The Stormwater Service Assessments and the proposed Stormwater Improvement Assessments are based on the estimated amount of stormwater runoff generated by impervious surface, such as roof tops, driveways, patios, parking lots, etc. on a property. The City has determined that the median single-family residence in the City includes 3,310 square feet of impervious surface, which is the value of one unit of "Equivalent Stormwater Unit" or "ESU Value." Generally, the number of ESUs has been calculated individually for each parcel of property by dividing the impervious surface area by 3,310 square feet. Because the Stormwater Improvement Assessment will be collected by the Tax Collector of Hillsborough County starting with your November 2016 tax bill, pursuant to Chapter 197, Florida Statutes, failure to pay the Stormwater Improvement Assessment will cause a tax certificate to be issued against the assessed property, which may result in a lien on the title to your property.

You are receiving this notification because you own property within the proposed Central and Lower Basin Improvement Area of the City. This area has been determined to be affected by stormwater issues which require the construction of projects to resolve the issues. The methodology to determine the Improvement Assessment rate is the same as the service assessment but imposed only within the Central and Lower Basin Improvement Area. The proposed maximum rate will be \$98.04 for each ESU annually for the Stormwater Improvement Assessment if approved and it would not be placed on the property tax bill until November 2016. The estimated amount to be collected by the City annually is \$16,877,756 and will be used for projects only within the Central and Lower Basin Improvement Area.

The following provides information about the above parcel:

Number of ESUs: 0.17 Maximum Annual Stormwater Improvement Assessment: \$16.67
Number of Annual Payments: 30 Total amount of all payments over 30 years: \$500.10

You have an opportunity to provide comments on the Improvement Assessment for City Council consideration at a public hearing at 9:30 a.m., or as soon thereafter as possible, on August 27, 2015, in the Tampa City Council Chambers in Old City Hall 3rd floor, located at 315 E. Kennedy Blvd., Tampa, Florida. You may also file written objections with the City Council within twenty (20) days of the date of this notice. Please include your name and parcel number on all correspondence and address as follows: Stormwater Division; Comments to Non-ad Valorem Assessments; 315 E. Kennedy Boulevard, Tampa, Florida 33602. If you decide to appeal any decision made by the City Council with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the City Clerk at (813) 274-8397 at least 72 hours prior to the date of the hearing. If hearing impaired, telephone the Florida Relay Service Numbers, 1-800-955-8771 (TTY) or 1-800-955-8770 (Voice), for assistance. If you have any questions regarding the number of ESUs assigned to your property or the amount of the Stormwater Improvement Assessment, please contact the Stormwater Division by telephone at (813) 274-3101. Information related to credits for stormwater mitigation can be obtained by calling (813) 274-3101.

APPENDIX C

FORM OF CERTIFICATE TO NON-AD VALOREM ASSESSMENT ROLL

**CERTIFICATE
TO
NON-AD VALOREM ASSESSMENT ROLL**

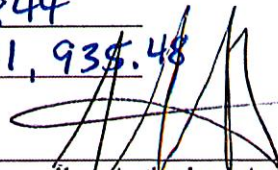

I, the undersigned, hereby certify that I am the Chair of the City Council or authorized agent of City of Tampa
(name of local government)

located in Hillsborough County, Florida; as such I have satisfied myself that all property included or includable on the Non-Ad Valorem Assessment Roll for the aforesaid county is properly assessed so far as I have been able to ascertain; and that all required extensions on the above described roll to show the non-ad valorem assessments attributable to the property listed therein have been made pursuant to law.

I further certify that upon completion of this certificate and the attachment of same to the herein described Non-Ad Valorem Assessment Roll as a part thereof, that said Non-Ad Valorem Assessment Roll will be delivered to the Tax Collector of this county.

In witness whereof, I have subscribed this certificate and caused the same to be attached to and made a part of the above described Non-Ad Valorem Assessment Roll this 9th day of September, 2015.
