

CITY OF TAMPA'S
LIFT UP LOCAL
ECONOMIC RECOVERY PLAN

Dear City of Tampa Community,

Through this COVID-19 recovery, we need your help to lift up our local businesses and empower them to re-open responsibly.

The City of Tampa is launching the Lift Up Local Economic Recovery Plan, allowing restaurants to expand outdoor seating to safely serve customers (in accordance with the CDC's social distancing guidelines), and allowing you to enjoy your favorite restaurants responsibly too.

This program does not allow for social gatherings or loitering. Violations of social distancing guidelines should be reported to the Tampa Police Department and violators will be subject to a fine. All patrons should have a reservation and avoid gathering in groups outside restaurant establishments.

We are asking patrons for their voluntary compliance with the guidelines set forth by the City of Tampa. By being a responsible patron, you can support our local businesses and protect our workforce, our customers, and our community.

Our small businesses are the backbone of our economy. Let's do the right thing to help them re-open responsibly so that we can get back to all the things we love about Tampa, together.

For more information about Lift Up Local, visit tampagov.net/LiftUpLocal or call the Tampa's Recovery Hotline at 1-833-TPA-INFO.

Your Mayor,

Jane Castor

RESPONSIBLE PATRON CHECKLIST

Best practices to help Tampa safely & successfully re-open from the COVID-19 pandemic

- No seat, No Service.** All restaurant patrons must be **SEATED**. If tables are filled, you must **leave the establishment**.
- You may not stand around with a drink**, inside or outside a restaurant. You must be seated at a table or **leave the establishment**.
- Restaurants **may not exceed 50% of allowable capacity inside**. When the max capacity is reached, no one else may be admitted.
- Move along.** Lingering and loitering at the entrance of an establishment is **prohibited**.
- Make a reservation** for dining where applicable.
- Maintain a **6-foot distance** from those not in your group whenever possible
- Wash your hands regularly
- Wear facial coverings** when in public or when safe social distancing cannot be maintained
- Do not gather in groups of more than 50
- Get tested for COVID-19**
