Water, water everywhere Florida is a peninsula. A peninsula is a large mass of land projecting into a body of water. Our state is nearly surrounded by water as is the entire world. Look through the St. Petersburg Times to find as many words as you can that are related to water. Make a list of the words and categorize them into nouns, pronouns, adjectives or adverbs.

Impacting the Tampa Bay area Throughout history, people have played a significant role in their surrounding environments. Look in the St. Petersburg Times for an article about a person who has made an impact on Florida. Print or clip the article. Summarize the main points of the article. Research this person on the Internet. Write a short essay about the impact the person has made and the results of the person's impact. Be sure to include whether this person has affected society in a positive or negative way.

This activity was created by the St. Petersburg Times Newspaper in Education department. The installations and the activities incorporate thefollowing Next Generation Sunshine State Standards:
