Dear Sir/Madam,

Thank you for your interest in the City of Tampa's Affordable Housing Inventory. - Property must be redeveloped as affordable housing (Sales price cannot exceed \$150 per Sq. Ft).
- Property to be redeveloped as a minimum 1200 sq. ft. heated single family home.
- Purchaser must obtain approval of the building plans by the City Development Services Division (HCD Design guidelines) prior to property transfer.
- Purchaser must provide construction schedule/ Construction timeline/ Architectural Plans.
- Purchaser is to provide a scope of work write-up to be reviewed and approved by HCD staff or its designee prior to property transfer.
- If the buyer is not identified prior to the request, purchaser must provide a marketing plan.
- Purchaser must show evidence of funding commitment to complete the rehab construction (i.e. Detailed construction cost estimate from a licensed General Contractor and bank funding commitment letter, bank statement, grant agreement to support the construction of the home).

If you have any questions regarding any of the required documentation, please feel free to call at (813) 274-8627 or email at Denise.Papajorgji@tampagov.net. Upon receipt of the complete and eligible packet, staff will prepare a memo and submit your request for approval.
