Your Vision Benefits

Why is getting your annual eye exam so important?

Annual eye exams not only keep your eyes healthy but are an important part of managing your overall health. We're not just focusing on your eye health. We're connecting the dots to help you understand and improve your overall health.

The UnitedHealthcare Vision® plan is a no-hassle approach for everything from finding an eye doctor, using your vision benefits and easy access to eye health and wellness information.

It's important to understand your plan coverage, so always review your benefits before using them. Just visit **myuhc.com**®. Select "Vision" from the "Benefits & Coverage" tab and you will be taken directly to the UnitedHealthcare Vision page.

Access to a national network of providers

This includes optometrists and ophthalmologists as well as the choice of either a private practice or retail setting.

To find vision network providers, go to **myuhc.com**.

- Click on "Look up My Benefits."
- Under "Benefits & Coverage", click on Vision and then on 'Vision benefit highlights.'
- Click on "Finding a Provider" on the left side of the page.

Your Vision ID card:

You do not need a vision member ID card to use your benefits. However, if you'd like one, you can easily print one:

- Go to **myuhc.com**. Click on "Look up My Benefits".
- Under "Benefits and Coverage," click on "Vision" and then "Vision Benefit Highlights."
- Select "Print ID Card" from the main dashboard page.

With a UnitedHealthcare Vision plan, savings are easy to see.

You may be able to save up to 70% on your eye care needs. Take advantage of discounts on eyeglasses or contacts. You also have access to additional discounts for laser vision correction surgery and hearing aids.
