C. Fiscal years covered by the Plan: 2022-2023, 2023-2024, 2024-2025

D. Governance: The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and Counties must be in compliance with these applicable statutes, rules and any additional requirements as established through the Legislative process.

F. Leveraging: The Plan is intended to increase the availability of affordable residential units by combining local resources and cost saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

G. Public Input: Public input was solicited through face-to-face and virtual meetings with housing providers, social service providers and local lenders and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding

Availability.

- H. Advertising and Outreach:** SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic, diverse neighborhoods and on the City's website, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list or if programs have a rolling, open application, no notice of funding availability is required.
- I. Waiting List/Priorities:** A waiting list will be established when there are eligible applicants for strategies that no longer have funding available. Those households on the waiting list will be notified of their status. Applicants will be maintained in an order that is consistent with the time completed applications were submitted as well as any established funding priorities as described in this Plan.

The following priorities for funding (very low income, Special Needs, etc.) described/listed here apply to all strategies unless otherwise stated in an individual strategy in Section II:

--

- J. Discrimination:** In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate on the basis of race, color, religion, sex, national origin, age, handicap, or marital status in the award application process for eligible housing.
- K. Support Services and Counseling:** Support services are available from various sources. Available support services may include but are not limited to: Homeownership Counseling (Pre and Post), Credit Counseling, Tenant Counseling, Foreclosure Counseling and Transportation.
- L. Purchase Price Limits:** The sales price or value of new or existing eligible housing may not exceed 90% of the average area purchase price in the Tampa – St. Petersburg – Clearwater standard metropolitan statistical area in which the eligible housing is located. Such average area purchase price may be that calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs. The sales price of new and existing units, which can be lower but may not exceed 90% of the average area purchase price established by the U.S. Treasury Department or as described above.

The methodology used is:

U.S. Treasury Department	X
Local HFA Numbers	

- M. Income Limits, Rent Limits and Affordability:** The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at www.floridahousing.org.

"Affordable" means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the

households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

- N. Welfare Transition Program:** Should an eligible sponsor be used, a qualification system and selection criteria for applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.
- O. Monitoring and First Right of Refusal:** In the case of rental housing, staff and any entity that has administrative authority for implementing the local housing assistance plan to assist rental developments, shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county or local housing financing authority may rely on such monitoring and determination, of tenant eligibility. However, any loan or grant in the original amount of \$10,000 or less, shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 15 years or the term of assistance whichever is longer, unless as specified above.

Eligible sponsors that offer rental housing for sale before 15 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.

- P. Administrative Budget:** A line-item budget is attached as Exhibit A. The City finds that the moneys deposited in the local housing assistance trust fund are necessary to administer and implement the LHAP.

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states: "A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan."

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states: "The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs." The applicable local jurisdiction has adopted the above findings in the resolution attached as Exhibit E.

- Q. Program Administration:** Administration of the local housing assistance plan will be performed by:

Entity	Duties	Admin. Fee Percentage
Local Government	Administration of the LHAP	100%
Third Party Entity/Sub-recipient		

- R. First-time Homebuyer Definition:** For any strategies designed for first-time homebuyers, the following definition will apply: *An individual who has had no ownership in a principal residence during the 3-year period ending on the date of purchase of the property. This includes a spouse (if either meets the above test, they are considered first-time homebuyers). A single parent who has only owned a home with a former spouse while married. An individual who is a displaced homemaker and has only owned with a spouse. An individual who has only owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations. An individual who has only owned a property that was not in compliance with state, local or model building codes and which cannot be brought into compliance for less than the cost of constructing a permanent structure.*
- S. Project Delivery Costs:** Must state the specific strategies and the specific activities that will be charged as a PDC. *State the percentage and/or maximum dollar amount.*
Project Delivery Costs will not exceed \$5,500. These project delivery costs performed by non-city housing staff may include income qualifications, underwriting services, title searches, credit reporting, appraisals, environmental reviews (Phase I, Phase II, etc.), loan closings, recording fees and document stamps, surveys, termite inspections, initial inspection/review, work write-ups, cost estimates, construction inspections and oversight, case management oversight until construction completion. These project delivery costs are actual amounts of services and deliverables.
- T. Essential Service Personnel Definition (ESP):** ESP includes teachers and educators, other school district, community college, and university employees, police and fire personnel, health care personnel, and skilled building trades personnel. Essential Service Personnel is defined as families that have a household member that is a teacher, law enforcement personnel, emergency service, medical personnel, skilled building trades in the housing industry and local government employees who meet the program guidelines and earn less than 120% of the median income for the Tampa – St. Petersburg – Clearwater standard metropolitan statistical area, adjusted for family size.

These requirements may be adjusted for rental developments if the requirements of other construction funding sources require a more restrictive list. The City of Tampa includes sustainable criteria in various housing construction requests for proposals and invitations to bid.

V. Describe efforts to meet the 20% Special Needs set-aside: *(describe which strategies and how Special Needs are prioritized for funding as well as agency partners working in this area)* The Special Needs set-aside will be met through all strategies with particular attention given to the Special Needs strategy for owner occupied rehab. Additionally, the City of Tampa will continue to cultivate partnerships with non-profits that focus on serving the special needs population as defined by F. S. 420.0004 and 393.063. The City will use these partners as referring agencies to SHIP program strategies.

W. Describe efforts to reduce homelessness: *(describe which strategies and how Special Needs are prioritized for funding as well as agency partners working in this area)* The City of Tampa coordinates with the Continuum of Care (CoC) through active participation in CoC discussion and efforts with the Tampa Hillsborough Homeless Initiative (THHI) and Hillsborough County. The result of the City, County and THHI collaborating and participating in planning efforts has been the City of Tampa assisting individuals and families who are homeless access shelters and receive rapid re-housing assistance. The City of Tampa leverages HOME Investment Partnership grant funds by administering a HOME Tenant Based Rental Assistance Program designed to assist individuals and families who are literally homeless.
