Residents of Sunset Park West Subdivision
Tampa, FL 33629

Subject: Contract No. 20-C-00045 Sunset Park West Water Main Improvements
Project Update **August** 2022

Dear Residents of Sunset Park West:

The purpose of this letter is to inform you that construction activities will be resuming in your neighborhood. Frankenmuth Surety has hired a new contractor to take over the Sunset Park West Water Main Improvements project. The new contractor—JVS Contracting, Inc.—will be remediating and completing the work begun by American Pipeline Construction. This work is scheduled to begin on or about Tuesday, September 6, 2022.

Next Steps

Contract Administration is working with JVS Contracting, Inc. to provide affected residents with a project fact sheet as well as an updated construction schedule. The City of Tampa will hold a Zoom meeting on September 7 and will attend the upcoming Sunset Park Area Homeowner's Association meeting on September 13 at the Jan Platt Library so that residents can meet with representatives from the City and JVS to discuss the project schedule and address questions and concerns related to the project.

Attached to this project update letter is a project map that indicates the areas where new water mains, service lines and hydrants have been or will be installed as part of this construction project:

- (Purple) New water mains and fixtures are in place and providing water service.
- (Yellow) Water mains and fixtures still need to be inspected and may need additional remediation before they can be placed into active service.
- (Red) Reflects water mains and fixtures still need to be installed.

Please direct any questions or concerns about the work to Mr. Tim Knisely, Construction Engineer at (813) 310-5178 or Mr. Joe Rego, Construction Supervisor, at (813) 690-7893 as they will be monitoring the project. For project updates, visit tampa.gov/water/sunset-park-west.

Sincerely,

Albert B. Calloway, Jr.
Chief Construction Engineer
