

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

As part of the Mayoral transition, Mayor Jane Castor initiated five transition advisory teams to provide a roadmap for guiding the implementation of key priorities of the Castor Administration: Transportation, Development Services, Workforce Development, Affordable Housing, and Sustainability/Resiliency. Each team was charged with an objective tied to the challenges and opportunities of its subject area. The overarching goal is to connect each teams' recommendations into a strategic roadmap that supports the Mayor's visions for transforming Tampa's tomorrow.

This Annual Action Plan presents the Mayor's strategic approach to housing affordability/community development for the fiscal year 2021-22. The plan considers the effects of the pandemic on housing insecurity and a wide range of housing characteristics, including the number of available housing units, cost and condition of housing, homeless facilities and services, childcare and barriers to affordable housing. The City will pursue strategies focused on new construction of affordable housing, rehabilitation of existing housing, homeownership assistance, rental assistance, assistance for supportive housing operations, assistance for persons experiencing homelessness and support for public service operations. The City of Tampa is working collaboratively with community partners to ensure that all Tampanians have a decent place to live that they can afford as a tool to creating equity in our community.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Affordable Housing

The Mayor has made Housing Affordability one of her high priorities and as such has set an ambitious goal of creating 10,000 new attainable housing units by 2027. This is an ambitious goal but has the support of the business community. The City will address this priority need by updating policies such as zoning requirements and offering incentives to encourage the development of affordable housing. This will be a welcome addition to funding activities that include the following: homeowner rehabilitation, homeownership assistance, housing counseling, tenant-based rental assistance, new construction of

affordable housing, rapid rehousing, facility-based supportive housing, permanent supportive housing, and supportive services.

Public Services

The City will support availability/accessibility to decent housing and a suitable living environment by funding organizations providing essential services for low-income and limited clientele populations. The City will assist non-profit organizations in carrying out public service activities assisting low-income persons, youth, seniors, and persons with disabilities. These services are designed to promote self-sufficiency for residents, which in turn promotes permanent housing.

Homeless Services

The City will support ending homelessness by providing funds to organizations carrying out and administering homeless activities including homeless prevention, rapid rehousing, emergency shelters, and Homeless Management Information System (HMIS). These activities will be conducted in accordance, and coordination with, the City's Continuum of Care (CoC) agency, the Tampa Hillsborough Homeless Initiative (THHI).

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Tampa, with other public, private and nonprofit community housing providers and non-housing service agencies, has made significant contributions to provide safe, decent and affordable housing, a suitable living environment, and economic opportunities especially for low- to moderate-income individuals in the community. However, affordable housing, vital public services and public improvements remain some of the most prolific issues facing Tampa as documented by the current Consolidated Plan and the most recent program year 2019 Consolidated Annual Performance and Evaluation Report (CAPER).

The CAPER provides an assessment of progress towards the five-year goals and the one-year goals of HUD entitlement grants CDBG, HOME, ESG and HOPWA in Tampa. In the most recent reporting program year 2019, the City highlighted these accomplishments:

Housing Programs: There were 366 LMI persons that received homebuyer education from local City nonprofit partners. After these services, City residents had a greater opportunity at homeownership

and eligible participants were referred to the Mortgage Assistance Program (MAP). There were 37 eligible first-time homebuyers who received direct financial assistance. There were also 22 LMI households that received rental assistance through the HOME TBRA program.

Public Services: There were 713 LMI persons assisted through vital public services through City funded programs. Activities included senior services, youth services, services for persons with disabilities, childcare services, housing information and referral services. There were also 1,105 LMI persons assisted through the subsistence payment assistance program at Crisis Center of Tampa Bay to help pay for mortgage, rent and utility payments to avoid homelessness.

Public Facilities and Infrastructure: The City completed renovations at the Boys and Girls Club which had an LMI area benefit to 17,120 persons. These activities allowed for the improvement of childcare and youth services in the area.

Clearance and Demolition: In 2019, the City completed 15 building demolitions which removed slum and blight from the inner-city neighborhoods.

Homeless Prevention: The ESG program assisted 806 persons experiencing homelessness with overnight shelter operations and 40 households with rapid rehousing activities (104 persons). Services at the shelter are offered to help individuals and families to avoid chronic homeless and rapid rehousing activities help households avoid returning to homelessness with rental assistance.

Housing for Persons with AIDS: A total of 643 households with HIV/AIDS were served with support services and housing subsidy. This included 29 households served with Short-Term Rent, Mortgage and Utility Assistance (STRMU), 333 households with tenant-based rental assistance (TBRA), 19 households with transitional/short-term facilities and 24 households with facility-based supportive housing. There were also 238 households with HIV/AIDS provided with non-housing related supportive services (health and social).

In PY2019, like most communities across the country, housing and community development activities in Tampa were adversely affected by the outbreak of the COVID-19 pandemic. Many of the activities in the program year were not completed or significantly delayed. Further, the City made efforts to prioritize health and safety precautions which resulted in lower outcome accomplishments. However, despite of the pandemic the City successfully implemented many activities to further its goals addressing identified priority needs.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

To complete its Annual Action Plan and gather meaningful input from the public, the City of Tampa conducted a robust citizen participation process in accordance with its citizen participation plan. The

City of Tampa targeted historically underinvested and underrepresented communities throughout the City, largely, East and West Tampa.

A 30-day public comment period was held to allow the public an opportunity to review and make comments on the draft Annual Action Plan. The City also hosted a public hearing to discuss the funding and activities in this Annual Action Plan. There were no comments made from the public on the draft plan.

Details of the citizen participation process is found in section AP-12 Citizen Participation.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

There were no comments made from the public on the draft plan.

Details of the citizen participation process is found in section AP-12 Citizen Participation.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments are accepted.

Details of the citizen participation process is found in section AP-12 Citizen Participation.

7. Summary

This AAP is the final year of the Consolidated Plan. There were no comments made from the public on the draft plan. The public notices, advertisements and proof of advertisements were uploaded into the AD-25.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

In developing the Consolidated Plan and Annual Action Plan, the City of Tampa conducted a thorough outreach effort to engage with critical stakeholders in the region. This outreach effort was designed to duly record stakeholder input and develop an informed set of priority needs to help guide the City's investment strategies over the course of the Strategic Plan. This section explains the City's consultation efforts and coordination between the City and local agencies and service providers.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City of Tampa actively coordinates with the Tampa Housing Authority (THA) to address a multitude of needs within the city. Chief among these needs is provision of affordable housing opportunities for the city's lowest income residents, ideally housing located in communities with access to job, transportation, and healthcare options. The City supports THA's large-scale redevelopment efforts, which includes mixed-use development, provision of social services, and other supports in health and housing.

The City is an active member of the Tampa Hillsborough Homeless Initiative (THHI) Continuum of Care (CoC) and works closely with counterparts at the County and THHI to address homelessness in our area. The City has also collaborated with the County to fund housing, public service and public facilities projects. Additionally, the City of Tampa makes every effort to coordinate with its neighboring local government partners, including Hillsborough, Pinellas, Pasco and Hernando counties. This coordination results in a streamlined HOPWA EMSA administrative process, coordination on regional fair housing efforts, and fair lending education and outreach efforts.

Housing is a critical need in our area and staff has been working with non-profit, for-profit, businesses and advocates to increase the funding and the supply of affordable housing. Staff also conducts regular technical assistance workshops throughout the year to better coordinate with our non-profit partners.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Tampa consulted with the THHI, the lead CoC that is responsible for coordinating social service providers, homelessness outreach, and services targeted to persons experiencing homelessness in the City of Tampa and in Hillsborough County. Consultation with THHI was conducted through

multiple interactions, including direct engagement with providers working in coordination with THHI, one-on-one interaction with THHI officials, and during a CoC coordinating session.

Officials from the City of Tampa serve on THHI's board of directors, facilitating constant communication with THHI and its efforts to address the needs of homeless persons in the City, and in surrounding regions. In addition to board leadership, the City of Tampa coordinates with THHI on a variety of programs and initiatives, including Operation Reveille, a program to support homeless veterans in the City. The City contracts with THHI to administer the ESG funds. This will allow for unified reporting and coordination of homeless services in Hillsborough County.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

ESG funds allocated to the City for PY 2021/22 were disbursed in consultation with THHI to ensure maximum effectiveness and targeting of resources in areas with the greatest need. The City and the County utilize THHI to disburse ESG funds. By having THHI disburse and manage the ESG contracts, a unified and seamless system of addressing homelessness can be achieved.

In terms of performance standards, the City is a member of the CoC, and thus has a voice in THHI's development of performance standards for the CoC. The CoC at large provides input and helps THHI develop, work toward, and meet performance standards for the region's social service providers and agencies. Additionally, the City assists in developing an effective Homeless Management Information System (HMIS) management system through its active role on THHI's UNITY Advisory Committee.

The UNITY Information Network (UNITY) is the Continuum of Care's HMIS. HMIS is a shared, secure data system used by community partner agencies that assists individuals and families who are homeless or at risk of becoming homeless. It collects information about the people being served through the homeless system of care. A community dashboard and system performance measures are located on the THHI website at: <https://www.thhi.org/coc-data-dashboard>

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

This Annual Action Plan presents the City of Tampa’s strategic approach to housing activities and community development for the fiscal year 2021/22. The plan considers market conditions for a wide range of housing characteristics, including the number of available housing units, cost and condition of housing, homeless facilities and services, special needs facilities and services, and barriers to affordable housing. The City will pursue strategies focused on affordable housing activities, housing rehabilitation, assistance for supportive housing operations, assistance for persons experiencing homelessness, and support for public service operations. This diverse range of strategies is intended, ultimately, to bolster the City’s core structural components – its families, homes, neighborhoods, and businesses.

As part of the American Rescue Plan (ARP) Act of 2021, passed by Congress to further aid in the recovery of the economy and health of the country, the City anticipates that it will receive an allocation of \$6,335,438 in HOME ARP funds. HOME ARP funds are a one-time funding opportunity to help meet the housing and supporting needs of a community’s most vulnerable population. HOME ARP funds can be used for four eligible activities including the production/preservation of affordable housing, TBRA, supportive services (homeless prevention and housing counseling) and the purchase or development of non-congregate shelter for the homeless. HUD will be issuing guidance on how to implement HOME ARP through a substantial amendment to the 2021 AAP at a later time.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City will use the federal funds to support projects and programs implemented by City staff as well as non-profit organizations, developers, and other partners. For the projects to be successful, other funding sources including in-kind resources are often added to the federal funding in order to have sufficient resources to benefit the population to be served as well as to cover expenditures that may not be allowable under the CPD programs or to cover indirect costs. The source of these additional funds will depend on the nature of the activity. For example, funds provided for public service activities will be matched by the agencies receiving funding from other sources, including public and private sources as well as foundations and fundraising.

The City is required to provide a specific percentage of funds from non-federal sources to be eligible to receive the HOME and ESG grant funds. The HOME program requires a 25% match which may be reduced by HUD if the City is distressed or suffered a Presidentially declared disaster. For PY 2020, Tampa was granted a 50% match reduction due to fiscal distress. The City will satisfy the HOME match through the State Housing Initiative Program (SHIP). The ESG program requires the City provide a 1:1 match. The ESG match will be provided by the subrecipients selected through the annual application process and are ranked and awarded, in part by match funds.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Florida Statutes Section 166.0451, Disposition of municipal property for affordable housing, requires that cities create an inventory list of real property with fee simple title appropriate for affordable housing. Tampa maintains the inventory of City-owned surplus land through its Real Estate Division. The City awarded 100 publicly owned single-family residential lots to Domain Homes, Inc. to expand the supply of affordable housing and deconcentrate poverty in the RE/CAP areas in Tampa. This infill housing project is a collaboration with CDC of Tampa and Habitat for Humanity. The Project is intended to help rebuild the inner city by providing affordable housing opportunities for income eligible individuals or households. These affordable housing opportunities are seen as the engine to further opportunities that will help foster place-making and community investment. Through this award, Domain Homes, Inc. is helping to increase the home values in the area, which in turn helps to build the capacity of the non-profit agencies.

Projects

AP-35 Projects – 91.220(d)

Introduction

This Annual Action Plan presents the City of Tampa’s strategic approach to housing activities and community development for the fiscal year 2021-2022. The plan considers market conditions for a wide range of housing characteristics, including the number of available housing units, cost and condition of housing, homeless facilities and services, special needs facilities and services, and barriers to affordable housing. The City will pursue strategies focused on housing rehabilitation, homeownership assistance, rental assistance, new construction of affordable housing, assistance for supportive housing operations, assistance for persons experiencing homelessness, and support for public service operations. This diverse range of strategies is intended, ultimately, to bolster the City’s core structural components – its families, homes, neighborhoods, and businesses.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Tampa, like many communities around the country, is suffering from an affordable housing shortage. This Action Plan prioritizes affordable housing subsidy, development and housing rehabilitation activities.

The City will also support availability/accessibility to decent housing and a suitable living environment by funding organizations providing essential services for LMI and special needs populations. The City will assist non-profit organizations in carrying out public service activities assisting LMI persons and families, youth, seniors, and persons with disabilities. HOPWA funds will go towards assisting persons and their families living with HIV/AIDS. Funding for economic development activities include supporting activities such as capital access programs and micro-enterprise or micro-funding programs. There is also a high need to provide Public Facilities funding to help with building/program expansion especially in LMI areas.

The City has identified a high need to support ending homelessness by providing funds to organizations carrying out and administering homeless activities including: homeless prevention, emergency shelters, and HMIS.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Tampa has a total of seven geographic areas that will receive funding over the course of the Action Plan. Those geographic areas are as follows:

- East Tampa. Identified during preliminary research related to the City's Assessment of Fair Housing. The East/Central Tampa target area includes census tracts identified as a racially/ethnically concentrated area of poverty.
- West Tampa. Identified during preliminary research related to the City's Assessment of Fair Housing. The West Tampa target area includes census tracts identified as a racially/ethnically concentrated area of poverty.
- Citywide. The City funds operations that benefit census tracts outside of specific target areas. These investments are categorized under the Citywide geography.
- Hillsborough County. As the administrator for a regional HOPWA eligible metropolitan statistical area (EMSA), the City is responsible for disbursing HOPWA funds across a four-county region. This Action Plan includes investments in Hillsborough County under that administrative plan.
- Hernando County. As the administrator for a regional HOPWA eligible metropolitan statistical area (EMSA), the City is responsible for disbursing HOPWA funds across a four-county region. This Action Plan includes investments in Hernando County under that administrative plan.
- Pasco County. As the administrator for a regional HOPWA eligible metropolitan statistical area (EMSA), the City is responsible for disbursing HOPWA funds across a four-county region. This Action Plan includes investments in Pasco County under that administrative plan.
- Pinellas County. As the administrator for a regional HOPWA eligible metropolitan statistical area (EMSA), the City is responsible for disbursing HOPWA funds across a four-county region. This Action Plan includes investments in Pinellas County under that administrative plan.

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Assistance will be provided City wide to low- and moderate-income families as the City seeks to

Affirmatively Further Fair Housing by deconcentrating poverty. Both the Federal and State funds will be used to promote financial stability and independence through several different programs developed and administered to meet both output and outcome measures. Most of the funding will continue to address the RE/CAP areas identified in the Analysis of Fair Housing Impediments/AFH.

AP-60 Public Housing – 91.220(h)

Introduction

Public housing serves an absolute critical housing need for the region. The City and the Tampa Housing Authority (THA) have a strong partnership as evidenced by the City's support of the Encore project, West River project and homeless programs. The housing inventory managed by THA and made available through Section 8 and other rental assistance programs are critical to meeting the demand for housing. In the City of Tampa, THA offers subsidized rent for some of the most at-risk populations in the region, including the elderly, persons living with a disability, persons diagnosed with HIV/AIDS, and extremely low-income families. In addition to working with THA, the City of Tampa also works with other housing authorities in the region through its role as the administrator for HOPWA funds across a four-county Eligible Metropolitan Statistical Area (EMSA).

Actions planned during the next year to address the needs to public housing

Actions related to addressing the needs of public housing residents in this Action Plan primarily relate to projects awarded through the HOPWA program. The City of Tampa will support Pasco County Housing Authority and the THA with funds to provide tenant-based rental assistance for persons living with HIV/AIDS and their affected family members. Specifically, these funds will be used to provide rental assistance vouchers, and support program operations and administrative costs. The Tampa Housing Authority will receive 222 Emergency Housing Vouchers (EHV's) as part of the American Rescue Plan. The EHV's will be used to address the needs of 222 households that are eligible for public housing assistance. The resources allocated to Pasco County Housing Authority are expected to assist 13 unduplicated households, and funds awarded to the THA are expected to assist 75 unduplicated households. The City will also provide funds for tenant based rental assistance to the Boley Centers, a recognized public housing authority in the state of Florida. These funds are expected to assist 120 households. Additionally, the City will continue to provide funding for multi-family rental developments in THA's West River redevelopment project.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

THA is actively engaged in programs designed to support resident self-sufficiency, including programs aimed at encouraging homeownership. A principal program administered by the THA, and supported by the City of Tampa, is the Family Self-Sufficiency (FSS) program. The FSS program was created to enable families to achieve economic independence and self-sufficiency. The FSS program tackles the problem of dependency by giving economically and educationally disadvantaged families the opportunity to receive housing under the Housing Choice Voucher Program and the supportive services necessary for them to obtain an education and/or job training and secure permanent employment. The head of the household is expected to obtain higher education and permanent employment with the assistance of the FSS program. The participant can withdraw from the program at any time without being penalized, if the

contract terms are met. The City of Tampa will continue to support the program, primarily through public recognition, counsel, and ongoing coordination.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City of Tampa works closely with THHI, the lead CoC that is responsible for coordinating social service providers, homelessness outreach, and services targeted to persons experiencing homelessness in the City of Tampa and in Hillsborough County. Consultation with THHI was conducted through multiple interactions, including direct engagement with providers working in coordination with THHI, one-on-one interaction with THHI officials, and during a CoC coordinating session.

Officials from the City of Tampa serve on THHI's board of directors, facilitating constant communication with THHI and its efforts to address the needs of homeless persons in the City, and in surrounding regions. In addition to board leadership, the City of Tampa coordinates with THHI on a variety of programs and initiatives, including Operation Reveille, a program to support homeless veterans in the City. The City contracts with THHI to administer the ESG funds which allow for unified reporting and coordination of homeless services in Hillsborough County.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Tampa supports THHI through General Funds and used to support the Hillsborough County CoC efforts with HMIS maintenance and outreach efforts. The City subgrants our ESG funding for better coordination. The City of Tampa has two dedicated Tampa Police Officers who are responsible for homeless services and outreach. The two officers act as a liaison between the homeless individuals and families on our coordinated intake and assessment list. The Tampa Downtown Partnership hired a new staff person to serve as a Homeless Liaison employee to coordinate with the City, Tampa Police Department, and homeless services providers in Tampa.

This year the City will dedicate a team to address homelessness; the team will consist of a Coordinator, CD Specialist and 4 outreach workers. This team will work to support the efforts of the CoC and work to move the homeless into shelters and rapid rehousing to reduce the term of homelessness. The continuing effects of the pandemic has provided an unintended opportunity to house all homeless individuals and families with the increased ESG funding.

Addressing the emergency shelter and transitional housing needs of homeless persons

Emergency shelter needs for homeless persons are always noted as a high need priority in the citizen and stakeholder action planning process. The City continues to support these efforts and this year will providing funding for shelter operations. In the prior program year, the City helped to fund a new

shelter, which was a version of Catholic Charities Pinellas Hope which provides, tents, cottages and supportive housing. The program had huge successes in addressing the needs of chronically homeless individuals. The Spring provides a safe haven, emergency shelter, and supportive services to victims of domestic violence. The Spring of Tampa Bay provides a continuum of services that include emergency shelter; children's services including shelter case management; transitional housing; and outreach services. ESG funds will be used for shelter operations which will benefit an estimated 850 unduplicated clients within the City of Tampa limits.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City of Tampa will award projects in this year's Action Plan for rapid rehousing. The City will fund Catholic Charities with ESG funds to provide Rapid Rehousing assistance to 50 households to assist with transitioning into permanent independent living.

As previously mentioned, the City will also continue to fund HOME TBRA vouchers earmarked for homeless individuals and families. The HOME TBRA clients will also receive case management services to assist with resource identification to promote independence and self-sufficiency.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City is an active partner of the THHI CoC. As a participant, the City contributes to the planning process to coordinate homeless services in the CoC. Together with Hillsborough County, the City of Tampa has funded homeless projects in the past and will continue to look for new opportunities to jointly fund homeless services and resources. The City will also continue to support the THHI through General Funds and to fund non-profit partners through ESG, HOPWA, SHIP and CDBG to provide homeless services, resources and housing opportunities.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of Tampa will continue to address the barriers to affordable housing as they relate to public policy barriers, financial barriers, and discriminatory barriers. The City of Tampa provides a monthly opportunity through the Affordable Housing Advisory Committee and the Human Rights Board meetings. At both meetings, the public and community partners can attend and provide feedback regarding program design and community needs. It is through these forums that the City is able to receive additional comments throughout the year, providing the opportunity for needed program updates to address barriers.

The City in partnership with Hillsborough County and the Tampa Housing Authority approved the 2018-2022 Regional Analysis of Impediments (AI) to Fair Housing Choice in program year 2018. The AI utilized HUD's Affirmatively Furthering Fair Housing (AFH) format, which helped to identify contributing factors to fair housing issues. Through the assessment made in the AI, seven goals were created to address these contributing factors. They were:

GOAL 1: Increase the production and preservation of affordable housing units in a range of sizes within high opportunity areas and R/ECAPs

GOAL 2: Increase the supply of affordable, accessible housing in integrated settings for persons with disabilities including individuals who need supportive services

GOAL 3: Increase access to opportunity for persons residing in R/ECAPs or low opportunity areas

GOAL 4: Increase homeownership opportunities and improve equal access to credit and financial services for minorities and low-and moderate-income persons

GOAL 5: Increase awareness of Federal, state, and local fair housing laws and practices

GOAL 6: Increase potential for minorities, persons with disabilities, and other protected groups to move to areas of high opportunity

GOAL 7: Increase public investment and encourage private investment to address disparities in housing, proficient schools, employment opportunities, and services

The full regional AI with the description of goals can be downloaded at:

<https://www.hillsboroughcounty.org/library/hillsborough/media-center/documents/affordable-housing/projects-plans-and-report-notices/10-21-20-analysis-impediments-to-fair-housing.pdf>

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City will continue to implement the following strategies to eliminate barriers to affordable housing:

- Implement the goals and objectives of the City's Comprehensive Plan as it pertains to increasing the supply of affordable housing.
 - Expedite permitting for affordable housing projects providing for efficient review and minimal delays.
 - Provide incentives to assist in the provision of affordable housing such as the allowance of flexibility in densities for affordable housing, the reduction of parking and setback requirements, and reduction of impact fees.
 - Allowance of affordable accessory residential units in residential zoning districts.
 - Prepare a printed inventory of publicly owned land suitable for affordable housing and develop a strategy for disposition of this land.
 - Support affordable housing developments near transportation and major employment centers.
 - Review policies, procedures, and regulations to determine the impact on the cost of housing.
- The following are some of the changes we hope to implement this year:
- Subsidizing impact fees
 - Provide a subsidy to cover cost of the tree regulations
 - Assign two inspectors to affordable housing projects to provide consistency and reduce the permitting time.

AP-85 Other Actions – 91.220(k)

Introduction:

The City of Tampa recognizes that the needs of Tampa residents extend beyond housing and infrastructure. These needs include reducing lead-based paint hazards, reducing poverty through job creation and skill building, developing institutional structures, and enhancing coordination between public and private social service agencies. The following is a list of actions that the City of Tampa intends to implement over the next fiscal year to achieve success in addressing the housing and community development needs of low to moderate income residents.

Actions planned to address obstacles to meeting underserved needs

Two main obstacles to meeting the needs of the underserved is communication/outreach and funding. There are programs available to meet the majority of needs in the community. However, there are still large segments of the population that are unaware. HCD Staff will continue working with the City's Grant Specialist and our non-profit partners to obtain the additional funding needed to expand services. HCD has also added an outreach specialist to the staff, who is focused on getting the word out. These includes making changes to our webpage, offering more online access to programs, video tutorials to help individuals to complete applications, translation services and connecting in alternative ways.

Actions planned to foster and maintain affordable housing

The City of Tampa recognizes the critical importance of maintaining its supply of affordable housing. As subsidized units reach their term of affordability, many units are removed from the city's supply of affordable housing due to market rate conversion. According to the Shimberg Center for Housing Studies, approximately 1,050 units of subsidized housing are expected to reach their affordability expiration (preservation risk assessment, accessed July 31, 2017).

The City of Tampa has selected a number of projects designed to increase the supply of affordable housing and increase access to sustainable housing options for low-income residents across the City. In particular, the City will fund programs through its CDBG allocation for housing counseling services. Funded organizations will assist in processing applications for the City's Mortgage Assistance Program (MAP).

The City will work to acquire more land for affordable housing, starting with current city owned land that is suitable for affordable housing, aggressively pursue code enforcement liens on vacant property that can be used for affordable housing and the purchase of strategic properties along transit corridors and near to employment centers. The City will continue to work with Tampa Housing Authority to build multi-family housing and solicit other multifamily projects to help meet the growing need for affordable rentals. The City will continue to work with its Community Housing Development Organization (CHDO) partners to develop affordable housing.

Actions planned to reduce lead-based paint hazards

The City of Tampa's housing programs have integrated the components of 24 CFR Part 35 into all of its policies and procedures governing federally assisted housing programs directly administered under the City of Tampa and those contracted with subrecipient organizations. Programs will be affected include housing rehabilitation, acquisition, and TBRA, as specified within 24 CFR Part 35.

The City also ensures compliance with lead hazard reduction requirements when CDBG, HOME, ESG, or HOPWA funding is used to acquire and/or renovate existing buildings for housing. Language is included in all subrecipient contracts identifying all lead regulations and procedures for notification and remediation.

Removing all lead-based paint from every house within the City of Tampa is not an economically feasible or realistic goal. However, the City addresses this issue through disseminating printed information concerning lead-based paint hazards to all residents in the City's housing rehabilitation program. The City's housing rehabilitation contractors are certified and/or have received training in the identification of lead hazards, proper methods of paint stabilization, interim control, abatement procedures and rehabilitation activities.

The City of Tampa will support any application for lead-based paint hazard abatement grants, especially those that will benefit residents classified as extremely low, low, and moderate-income.

Actions planned to reduce the number of poverty-level families

The City of Tampa is proud to support economic development projects through its CDBG allocation. These projects will help reduce the total number of poverty-level families in the City through increased job-readiness and foster entrepreneurship. The City will partner with Kiva to provide micro loans to small businesses to help support and expend small business opportunities.

The City of Tampa believes a strong, well-educated and highly prepared workforce is critical to the long-term success of tackling poverty in the City. The City will support MacDonald Training Center to sustain, adapt and expand its Education2Employment (E2E) workforce readiness programming during and after the coronavirus outbreak to meet the growing need for job training programs among high school graduates with disabilities. E2E offers transformational, certificate-based job training aligned with employment opportunities in three high-growth sectors of the economy: technology, manufacturing, and healthcare/ hospitality.

Actions planned to develop institutional structure

Proper institutional delivery structures are critical to the long-term success of community development efforts in the City. These structures assist in proper targeting of resources, efficient use of those resources, and meaningful change in the number of poverty-level families in the City. The City of Tampa

will continue to engage in coordination efforts between governmental agencies operating within the City, and continued support for institutional efforts to address long-term challenges in the region. The City, in partnership with the Tampa Chamber of Commerce and the Hispanic Chamber, is working to engage the business community in the issue of housing affordability. This effort includes working with the business community to support the development of affordable housing as well as educating their workforce on programs to address their housing needs.

Actions planned to enhance coordination between public and private housing and social service agencies

In the past, the primary means by which the City of Tampa worked towards coordination between public and private housing and social service agencies was through continued engagement with THHI and its CoC social service agencies. THHI hosts a monthly coordination meeting with all CoC members - including the City of Tampa - to discuss coordination activities, needs in the community, and any expected challenges. These meetings are critical to the long-term success of coordination activities, and the City of Tampa continues to take an active participation in these meetings.

With the addition of the Outreach Specialist position, the City has enhanced its coordination and collaboration with both Public and Private housing and social service agencies. In July, the City hosted a forum to bring the business/development community together with non-profit builders and social service agencies to help expand resources and introduce the business/development community to new ways to get involved in the community. This was the first of a new series of quarterly events to help Tampa Transform Tomorrow to a brighter future.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

This section describes the program specific requirements for CDBG, HOME HOPWA and ESG.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	129,495
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	129,495

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	100.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

N/A

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City of Tampa uses the recapture option in 24 CFR 92.254(a)(5)(ii)(A)(1) to ensure long-term affordability of the assisted property. The entire amount of the direct HOME subsidy becomes due and payable upon transfer of ownership interest during any point of the affordability period. The affordability periods are determined by the subsidy dollar levels and programs. The recapture requirement is subject to the limitations of the mortgage documents in place when the recapture requirement is triggered by a sale (voluntary or involuntary) of the housing unit. The amount recaptured cannot exceed the net proceeds, if any (or the amount of the HOME subsidy). The net proceeds are the sales price minus superior loan repayment (other than HOME funds) and any closing costs. To secure the city's investment throughout the affordability period, the City uses a mortgage note attached to each property in the amount of the assistance. HOME funding language is included in all contract documents. The City's HOME program policy and procedures as well as the mortgage and contract documents are available for public review at the City's HCD Office.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The City of Tampa uses the recapture provision in 24 CFR 92.254(a)(5)(ii)(A)(1) to ensure long-term affordability of the assisted property. The full amount of the direct HOME subsidy becomes due and payable upon transfer of ownership interest during any point of the affordability period. To impose and ensure the affordability and recapture provision, the City uses a mortgage note attached to each property in the amount of assistance. The City's HOME program policy and procedures, as well as the mortgage and contract documents, are available for public review at the City's HCD Office.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City does not anticipate using any HOME funds to refinance existing debt secured by multifamily housing units that are being rehabilitated with HOME funds. In the event that it becomes necessary to refinance such existing debt, the City will seek HUD's prior approval as needed on a

case-by-case basis.

**Emergency Solutions Grant (ESG)
Reference 91.220(l)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

The City of Tampa issues an RFA for funding consideration under the Emergency Solutions Grant (ESG) grant program. ESG funding was available for emergency shelter and housing services for homeless persons throughout the City of Tampa.

- No more than 5% of Emergency Solutions Grant funds may be utilized for administrative costs.
 - ESG Project Sponsors must ensure the consistent participation in UNITY the local Homeless Management and Information (HMIS) system administered by the Tampa Hillsborough Homeless Initiative.
 - Successful Applicants must utilize the Tampa Hillsborough Homeless Initiative's Coordinated Intake and Assessment System (CI&A). Further, the successful Applicant will establish a Memorandum of Understanding (MOU) with the community organizations participating in the Coordinated Intake & Assessment (CI&A) process established by the Tampa Hillsborough Homeless Initiative.
 - The awarded agencies must also agree to abide by the policies and procedures written and provided by the Tampa Hillsborough Homeless Initiative any subsequent amendments. ESG grant funds must be matched, dollar for dollar, with locally generated amounts.
2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The Tampa Hillsborough CoC has adopted the Vulnerability Index-Service Prioritization Decision Assistance Tool (VI-SPDAT) as the method to assess individuals and families who are experiencing homelessness. The VI-SPDAT is an evidence-informed approach to assessing an individual's or family's acuity. The tool, across multiple components, prioritizes who to serve next and why, while concurrently identifying the areas in the person/family's life where support is most likely necessary in order to avoid housing instability.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

ESG funds are only awarded through the RFA process. As a result of the COVID-19 pandemic, applicants were unable to attend a mandatory workshop where they are given the opportunity to ask questions about the application, process and requirements. A taped webinar was available at www.tampagov.net/hcdf for three weeks explaining the application process and requirements. They are given approximately two weeks to ask additional questions before submitting their

application. Applications are reviewed by a review committee made up of subject matter experts and are scored during a public meeting, which applicants are encouraged to attend. Following the review meeting, City staff verify that all requirements have been met and awards are announced.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The Tampa Hillsborough Homeless Initiative is the lead entity for the Continuum of Care (COC) planning process in Tampa and Hillsborough County. The Initiative is responsible for establishing and maintaining strategic efforts to develop long-term constructive solutions that address the underlying causes of homelessness as well as meet the immediate needs of currently homeless people. The City of Tampa is an active partner in working with the Tampa Hillsborough Homeless Initiative to develop the Continuum of Care needs assessments and strategically plan the use of community resources.

5. Describe performance standards for evaluating ESG.

The City of Tampa adheres to using IDIS as the main reporting tool for the ESG program. ESG providers are also required to submit their HMIS data in the SAGE HMIS reporting system. In addition, the City requires that all providers awarded with City ESG funds use and maintain an active participant role in using the local HMIS known as UNITY. Both IDIS and UNITY capture the federally required reporting fields to assist in evaluating the program goals and objectives.

City of Tampa ESG providers are also asked to submit quarterly reports which mirror the reporting forms in IDIS. As a result, the City is able to review program goals and objectives quarterly to ensure that goals are being met. The City also conducts onsite monitoring to ensure that program compliance is being met.

HOPWA Method for selecting project sponsors:

The Housing and Community Development Division (HCD) released Request for Proposals for HOPWA projects in PY 2021. Information on the application and eligible programs was located on HCD's website while the application was open. Potential sponsors are welcome to view the funding available and eligible and ineligible uses.

Each year, staff review every application. The applications were provided to the reviewers and the Reviews/Scoring was completed during the development of the plan. Reviewers were selected who had knowledge of the programs to be funded through the various grants to help reduce subjectivity. The

Reviewers attended a workshop to review the rating form and guidelines for reviewing the applications. All Reviewers were required to sign a conflict of interest form, which was reviewed prior to final selection. Based on the scores from the Reviewers and the staff threshold evaluations, the HOPWA agencies were awarded.

I'd Rather Be Fishing

by Jesse Simpson

This Stings

This year, we have had an outrageous number of wasps hovering over our backyard lawn. When the sun is burning down over the grass around midday until close to sundown, we can scan over the backyard expanse and easily count about 100 wasps.

We observe them hovering for a short period of time, land on the grass and disappear closer to the dirt. A few seconds later, they emerge and repeat their movements. There is constant movement throughout the yard, end to end.

Having two large dogs that enjoy roaming the yard, these wasps have become a serious nuisance. Within the past month, our male, Luke Duke, has been stung twice and possibly a third that we could not confirm. Our female, Daisy Duke, has been stung once and her reaction was significantly worse than Luke's.

The first instance with Luke was while he was roaming the path in the yard and a wasp flew up and stung the top of his

foot. The bump was noticeable and a little swelling occurred but he was otherwise fine. By the end of the day, the bump was close to being gone.

The wasps are not only in our backyard, but my mother's as well. The second time Luke was stung was two weeks ago at her house. I arrived after work to pick them both up and Luke's left eye was almost swollen shut. He had been stung on the top of his head and the swelling spread to one side.

After getting home, I applied a cold compress to the bee sting and his eye to help reduce the swelling. Again, by the end of the day, the swelling was minimal and the next morning, was nonexistent.

The day Daisy was stung by a wasp was somber and unforgettable. Two weeks ago, we were hanging out outside, watching the dogs in the yard while they walked their path. Daisy was one stride away from stepping onto the patio, her left front paw landed on a wasp. She immediately jumped

into the air and hobbled over to me. Uncontrollably, she kicked and shook her leg around and quickly lay down next to me, still kicking.

After only a matter of minutes, she began having symptoms of a stroke. She tried standing, her head kept falling to one side and her eye movements were bouncing all over the place in a fast pace.

I jumped down onto the ground and placed my hands under her head to avoid a hard impact to the concrete. She lay on her side, trying to fight but could not overcome the symptoms.

I placed a pillow under her head, placed a washcloth on her head and foot and sat down beside her while her body was still, her eye movements slowed and her breathing shallowed to relaxed long, short breaths.

As time passed slowly, her eye movements stopped, her body began shifting and her tail began wagging lazily. From beginning to end, about 10 minutes time, she lifted her head, looked me straight in the

eyes and wagged her tail as if she hadn't seen me in a week.

The reaction was like she had no idea what happened and she was so excited that I was sitting on the ground next to her and rubbing her belly and petting her face. Not long after, she got up and acted like nothing happened, like she didn't remember.

Why didn't I panic? Last year in July, she experienced the exact symptoms and I rushed her to Blue Pearl Emergency Pet Hospital. When it began happening, she was on the couch and I freaked out as it was happening and rushed her into the backseat of my truck. On the way to Blue Pearl, she was back to normal. I had no idea what to think so I kept driving, hoping they could figure out what happened to her.

They did bloodwork and a head scan but they could not find anything wrong. They told me to watch her and see if it happens again. It never did until now. It made me wonder if she was stung by a wasp the first time.

Last week, we think Luke was stung on the bottom of his foot inside the crease of one of the pads. He was kicking his leg uncontrollably and did not want to stand up. He would not let us touch his foot or even look at it so we couldn't see what was happening.

Thinking it was a bee sting or something stuck in his foot, he put him in the bathtub with warm water and Epsom salts. He soaked in the water for about 10 minutes and we put him on the couch to rest and keep the weight off his paw.

We noticed some blood a little while later, cleaned it up and let him rest a while longer. Around bed time, he wasn't kicking his leg anymore and he only seemed to be favoring his other foot, but was walking fine. The next day, it was all gone and he was back to normal.

I believe what is in our yard are Paper Wasps.

I have been unable to find anyone else's stories about their yards being overwhelmed with any type of bees or wasps. Regardless, I need to find a way to get rid of them. Our dogs are suffering and I have tried almost everything I could find online on what to do to repel them.

I've tried a whole bottle of Cutter Backyard Defense one evening when the dogs were in bed. The next day, the wasps were back in full swing. I walked the entire yard spraying Hot Shot Wasp & Hornet killer, watching them fly off. They were back not long after using the whole can.

I found a few people that say vinegar kills the bees and repels, but it can kill your grass. I went ahead and tried a mixture of water and distilled white vinegar, the wasps just flew away to another part of the yard. It didn't faze them.

I have looked around for nests or holes of where they could be coming from. Nothing.

The paper wasp name comes from the water-resistant, paper-like nests they build from a mixture of plant fibers and saliva. They are found throughout the United States, North America is home to more than 4,000 kinds of bees and over 20,000 species around the world.

There are more ways I will be trying. The internet is full of concoctions for repellants and bee catchers like garlic powder and cucumber peels. In order to keep my dogs safe, I will work tirelessly to rid our yard of these pests.

Think outside, no box required.

ARBOR GREENE
COMMUNITY DEVELOPMENT DISTRICT

NOTICE OF REGULAR BOARD MEETING AND NOTICE OF PUBLIC HEARING TO RECEIVE PUBLIC COMMENT ON THE FISCAL YEAR 2021/2022 PROPOSED FINAL BUDGET(S); TO CONSIDER THE ADOPTION OF AN ASSESSMENT ROLL, THE IMPOSITION OF SPECIAL ASSESSMENTS TO FUND THE PROPOSED BUDGET(S), AND PROVIDING FOR THE LEVY, COLLECTION AND ENFORCEMENT OF THE SAME

The Board of Supervisors (the "Board") of the Arbor Greene Community Development District (the "District"), will hold a public hearing on Tuesday, August 17, 2021 at 6:30 P.M. in the Gathering Room, Arbor Greene Community Center, 18900 Arbor Greene Drive, Tampa, Florida.

The purpose of this hearing is to receive public comment and objections on the Fiscal Year 2021/2022 Proposed Final Budget, to consider the adoption of an assessment roll, the imposition of special assessments to fund the proposed budget upon the lands located within the District, and to provide for the levy, collection and enforcement of the non-ad valorem assessments that will be collected by the Hillsborough County Tax Collector. The public hearing is being conducted pursuant to Chapters 190 and 197, Florida Statutes.

The District is located in Hillsborough County, Florida and is generally described as comprising a parcel of land approximately 987 acres, west of Hunters Green Development, east of Cary Lakes Development, north of Cross Creek Boulevard and south of the South Florida Water Management District Conservation property.

The District may also fund various facilities through the collection of certain rates, fees and charges, which are identified within the budget(s). A copy of the proposed final budget, proposed final assessment roll, a detailed assessment schedule, and/or the agenda for the hearing may be obtained at the offices of the District Management Company, Inframark, 2654 Cypress Ridge Boulevard, Suite 101, Westchapel, Florida 33544 during normal business hours.

In accordance with Section 180.016, Florida Statutes, the proposed budget will be posted on the District's website www.arborgreene.org at least two days before the budget hearing date.

The Board will also consider any other business, which may properly come before it. The hearing/meeting is open to the public and will be conducted in accordance with the provisions of Florida Law for Community Development Districts. The meeting may be continued to a date, time, and place to be specified on the record at the meeting.

There may be occasions when one or more supervisors will participate by telephone.

In accordance with the provisions of the Americans with Disabilities Act, any person requiring special accommodations at this hearing/meeting because of a disability or physical impairment should contact the District Manager, Inframark at (813) 991-1116. If you are hearing or speech impaired, please contact the Florida Relay Service at 711 for aid in contacting the District Office at least two (2) days prior to the date of the hearing and meeting.

Each person who decides to appeal any decision made by the Board with respect to any matter considered at the hearing/meeting is advised that such person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

I'd Rather Be Fishing

Go Outside and Play

Unless you want to scale a mountain or photograph icebergs and snowmen, Florida is the perfect destination for your bucket list of outdoor pursuits.

Even if you've only lived here a few years, there are numerous ventures you should have already experienced or should add to your summer itinerary. Tubing Ichetucknee Springs is our main event.

Each year, our La Gaceta family and friends eagerly travels to Gainesville for an exciting weekend that starts at the hotel pool, which leads to a delicious dinner and returns back to the pool for a night with our favorite cocktails. Waking before sunrise for breakfast, we then travel to Ichetucknee Springs State Park to go tubing down the cold river, which maintains a 72-degree temperature year round. Sitting in a tube, each tied together with rope, we slowly cruise down the river with the constant flow. Mid-day, we stop for lunch and sunbath then head back to the water to finish the cruise down the river. Refreshing and relaxing, it's one of our favorite mini-vacations to do in Florida.

One of the most exceptional experiences my boyfriend Chris and I have had is skydiving. In 2017, Chris, my brother Kenny, our long-time friend Randy and I met at Skydive City in Zephyrhills. The four of us hopped on a small plane that took us to 10,000 feet above land.

Prior to boarding, we each had an individual training session with our tandem skydiver. Preparations were thorough and we felt well prepared for our first time jumping out of a plane.

The plane ride ascent to our desired height was a thrill. The large door on the side of the plane opened and we were each moved closer to

the opening. From the ground, Florida is beautiful, but the vista of greens and blues from 10,000 feet painted an image for my eyes I only ever dreamed. Not to be outdone, as we approached the opening from where we would jump, the whipping wind felt as if it were sent from clouds of fear and excitement that electrified us like never before.

There was no turning back. My tandem diver began counting down and we flipped out of the plane into the open air, freefalling towards the ground.

Gravity brought us closer to Earth quickly but I maintained an open smile the entire time. Dropping for about 30 seconds, the parachute was deployed and we snapped into a slow coasting speed as we descended towards the ground.

Given the opportunity to hold onto the parachute's controls, my instructor told me to pull down on each handle one at a time, giving us the ability to fly one way and the other and spinning around at our leisure. Having complete control of the reigns, we dropped down smoothly while taking in the view from above.

He regained control of the parachute as we got closer to land, preparing me for landing. Holding my legs out straight, he instructed me to put my feet on the ground when landing. We landed easily, both of us standing upright.

As we removed the chute and harnesses, I watched Chris, still high in the sky. His landing wasn't as graceful as mine, but he made it back down to Earth safely.

As you know if you are a regular reader of this column, scalloping is a favorite pastime of mine. Floating face-down in the shallow waters of Crystal River in search of the snapping squinting shells is a must.

After scalloping, hop back in the boat and troll around the mangrove islands while fishing for snook and redfish. Crystal River has awesome fishing grounds. It's where I caught my first snook, a whopping 28.5 inches long and shortly after, Chris' dad, Bill, caught a 29-inch redfish.

Oldsmar is home to Empower Adventures where you can zip through the air on their ziplines, traverse their 200-foot wood suspension

bridge and test your abilities on their aerial obstacles. Chris and I will be challenging ourselves later this year.

A quick internet search will give you a long list of hot air balloon rides, dinner cruises, mini powerboats and amusement parks, just to name a

few. Or you can just take a stroll down Tampa's Riverwalk. Get outside, soak up the Florida sunshine and enjoy your Florida adventure.

Think outside, no box required.

You will then be contacted with additional instructions on how to participate live through the use of CMT. Registration for speaking remotely must be requested at least 24 hours prior to the meeting.

5. Participate by using CMT available at Old City Hall:

Those individuals, who do not have access to a communications media device, have the option of participating via communications media technology, which will be made available to the public by the City of Tampa, during the hybrid live/virtual meeting, at:

Old City Hall
315 E. Kennedy Blvd., Tampa, FL 33602 (2nd Floor)

PLEASE NOTE: Use of masks and social distancing inside the building are encouraged.

All comments must be received no later than 5:30 PM, Wednesday, July 28, 2021 (24 hours prior to the hearing) in order to be made a part of the official records. Public comments timely received by mail, email, web, or via CMT will be afforded equal consideration as if the public comments were made in person.

For additional information, please contact City Council Attorney Martin Shelby at Martin.Shelby@tampa.gov or 813-274-8869.

The purpose of this Public Hearing shall be to:

- 1) Present information concerning FY 2022 Action Plan, Statement of Community Development Objectives, and Projected Use of Funds.
- 2) Continue to obtain the views and comments of citizens concerning the FY2022 Action Plan. Comments received prior to the hearing date will be made available on July 29, 2021. Public Comment period has begun on June 4, 2021 and will continue to July 29, 2021.
- 3) The documents may be viewed on line at <http://www.tampa.gov/hcd>. The documents can also be viewed in the City Clerk's Office on the Second Floor of Old City Hall, 315 East Kennedy Blvd., Tampa, FL 33602 and at the Housing and Community Development office located at 4900 W. Lemon Street, Tampa, FL 33609.
- 4) Afford to any person or organization the opportunity to be heard on this subject.
- 5) Obtain City Council approval of the FY2022 Action Plan.

In accordance with the Americans with Disabilities Act and Section 286.26, Florida Statutes, persons with disabilities needing special accommodation to participate in the Public Hearing should contact the City of Tampa's ADA Coordinator at least 48 hours prior to the proceeding. The ADA Coordinator may be contacted by phone at 813-274-3964, email at TampaADA@tampagov.net, or by submitting an ADA - Accommodations Request online form available at tampagov.net/ADARquest. Closed Captioning is also available through the hybrid live and virtual meeting provider - those wishing to use such provider services are strongly urged to test and become familiar with them and how any assistive features may be accessed in advance of the prior 24 hour period - if you experience difficulty accessing such assistive controls or have other similar questions, please contact the City's ADA Coordinator.

Any person wishing to appeal any matter to be considered at this meeting shall ensure that a verbatim record of the proceeding is made, including all testimony and evidence upon which the appeal may be based (F.S. 286.0105).

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4040-0009
Expiration Date: 02/28/2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0345-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

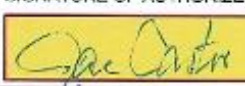

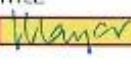

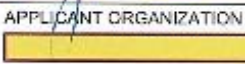

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 18 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-362) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§280 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4040-0039
Expiration Date: 02/28/2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-245), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-618), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

Standard Form 424D (Rev. 7-97)
Prescribed by OMB Circular A-102

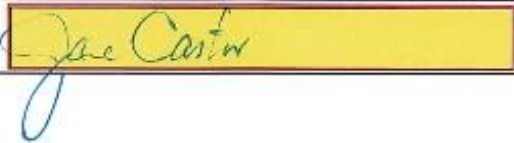

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 175(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-L.L.L., "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation – It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan – Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan – It is following a current consolidated plan that has been approved by HUD.

Use of Funds – It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2021 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrances to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Subsidy layering -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.
