

## Joining Virtual Appointments

1. At the designated time, a text and email with a link to the virtual meeting, including an authentication “**PIN**” (Access Token) will be sent to the phone number and email address provided when the appointment was scheduled.
2. Click on the link, review the terms of usage, select/confirm your camera and microphone settings, and enter the authentication “**PIN**” (Access Token) in the appropriate field. Then click “**Connect.**”

3. You will then be connected to the virtual meeting.

## **4. REMINDER: Disconnect at end of call.**
