From the Office of the Mayor

Jane Castor, Mayor

To All Our City of Tampa Employees, Retirees and Your Families,

This year's budget theme "Tampa Thrives" reflects the amazing sustainability and resiliency of this City. When we continue to work together and stand together, Tampa will thrive! The City of Tampa is thriving in large part due to you, the men and women who serve our citizens.

As Mayor, I see every day the great contributions our dedicated City employees make delivering essential services and improving the quality of life for the citizens of our great city. I want to personally thank you for providing the services that our residents rely on every day.

Your health and the health and well-being of your family are very important. Each year, our Human Resources Team works to ensure that our compensation and benefits offered continue to attract and retain the very best employees, and if you're reading this, you are among the best.

We are working together to make a difference in employees' lives and the lives of their families. Our successful partnership with United Healthcare, the Wellness Centers operated by Care ATC, and all of you have resulted in cost avoidance and improved health for our City family. The Wellness Centers deliver high quality medical care and convenience at no cost to you and your family. In fiscal year 2024, we will open the Hanna Center, where a third Wellness Center will be in operation to serve you and your family.

Along with the other options available to you in the booklet, the City's leave benefits (including parental leave), retirement programs, life, disability, and flexible spending account options provide a rich, comprehensive program to meet your family's needs.

This 2024 Benefits Guide provides a benefits summary; full details can be found on your My Benefits website at tampagov.net/benefits. I encourage you to review this information carefully as you make your 2024 benefit selections, either as a new employee joining the City or during the annual open enrollment.

Thank you for being a valued member of our City of Tampa team!

Sincerely,

Jane Castor
Mayor

Active Employees

2024 Benefits Open Enrollment

Your annual benefits enrollment offers you the chance to review your current coverages, make new elections, and add or delete any dependents for the plan year beginning January 1, 2024.

Benefits Specialists from Employee Family Protection (EFP) will be on site at various locations the week of November 6th thru November 15th to meet one on one.

A location calendar will be distributed in City eNews.

Benefit Specialists from Employee Family Protection can also assist you with your enrollment during this time by calling their call center at [844-231-1623](tel:844-231-1623).

Although you are encouraged to review your benefits every year during annual enrollment, there is no action required for you to remain enrolled in your current elections for health, dental, vision, and elective benefits (i.e., Trustmark, Legal Club) for the 2024 plan year.

November 1st -
November 15th, 2023

- The deadline for you to complete activities for HRA Incentives for 2024 is **November 30th**.
- 2024 Enrollment will be accomplished using Oracle Cloud.
- Health premiums for 2024 will increase by 4.93% for employees and 8.00% for the City.
- Dental and Vision premiums will remain the same in 2024.
- **Flexible Spending Accounts enrollment is required every year during open enrollment.**

Reminder

Enrollment in 457 Deferred Compensation is not an open enrollment event. You can enroll/review/update your 457 deferrals anytime during the calendar year. Any changes will be effective the following pay period after update in Oracle.

Introduction

The City of Tampa understands that your benefits are important to you and your family. This Benefits guide provides a description of the City's benefits program. More detailed information about all of your benefits can be found on the City's Human Resources Department Employee Benefits page located on the City's website www.tampagov.net/benefits. Included in this guide are summary explanations of the benefits and costs, as well as contact information for each provider. It is important to remember that only those benefit programs for which you are eligible and have enrolled, apply to you.

We encourage you to review each section and to discuss your benefits with your family members. Be sure to pay close attention to applicable co-payments and deductibles, how to file claims, pre-authorization requirements, participating networks, and services that may be limited or not covered (exclusions).

This guide is not an employee/employer contract. It is not intended to cover all provisions of your plans, but rather a quick reference to help answer most of your questions. Please see your Summary Plan Description and/or carrier certificates for complete details. We hope this benefits guide will give you an overview of your benefits and help you be better prepared for the enrollment process.

Enrolling in Benefits

If you are an eligible employee, regularly scheduled to work 30 or more hours per week, a qualified part-time employee, a retiree or an eligible dependent, you can enroll in benefits on the date of a qualifying event. You can also enroll or change benefits during our annual Open Enrollment period each year.

Benefits Eligibility

Employee Eligibility

Benefit eligible employees are provided the opportunity to participate in the City of Tampa sponsored health benefits program on the first full payroll cycle after the date of hire and annually during Open Enrollment.

Dependent Eligibility*

A dependent is defined as a covered employee's legal spouse, domestic partner and dependent children of the employee or employee's spouse or domestic partner.

Dependent children will be covered until the end of the calendar year in which they reach age 26. A dependent child is defined as:

- A natural child
- A step-child
- A legally adopted child
- A child for whom legal guardianship has been awarded to the covered employee or the employee's spouse or domestic partner
- Unmarried children of any age who become mentally or physically disabled before reaching the age limit

FL Statute 627.6562 Dependent Coverage: Health insurance coverage is available for dependents age 26 to 30. Please visit the employee benefits website at www.tampagov.net/benefits for more information.

FL Statute 627.641 Coverage for Newborn Children: Newborn children of a covered family member other than the spouse of the insured or subscriber, will be covered until they reach 18 months of age. Example: Grandchildren

*Proof of dependent eligibility may be requested. Domestic Partner enrollment will require completion of the City of Tampa Declaration of Domestic Partnership.

Qualifying Event

Coverage elections made at Open Enrollment cannot be changed until the next annual Open Enrollment period. The only exception to this IRS Section 125 Rule is if you experience a "Qualifying Event." A Qualifying Event allows you to make a change to your benefit elections within thirty days of the event.

Examples of Qualifying Events include, but are not limited to:

- Marriage
- Divorce or legal separation
- Birth, adoption, or legal custody of a dependent child
- Involuntary loss of other group health insurance coverage
- Death
- Electing coverage under another group health plan

If you experience a Qualifying Event, you must contact HR Employee Benefits at [\(813\) 274-5757](tel:8132745757) or Benefits@tampagov.net within 30 days of the event to make changes to your benefit elections.

A Qualifying Event allows you to make a change to your benefit elections.

Your Responsibility

Before you enroll, make sure you understand the plans and ask questions. In January, check your first payroll stub to make sure that the correct payroll deduction is being made and that all the benefits you elected are included.

Any corrections must be made by January 30, 2024. You should also verify that all beneficiary information is current during Open Enrollment.

Additional information on all the benefits can be found on-line by visiting the City's Intranet and clicking the Growing Healthy Every Step of the Way tree logo. This will link you to the Human Resources Department Employee Benefits page.

Medical Insurance

Administered by UnitedHealthcare

Administered by UnitedHealthcare

All eligible City employees and their dependents qualify to enroll. For 2024, employees will continue to have a choice of the two current medical plans, which will be unchanged for 2024. Both plans will provide the same covered benefits and the same network of medical providers; however the way you share in out-of-pocket costs differs, as does how incentive rewards are applied.

Wellness incentive rewards earned by an employee and a covered spouse or domestic partner are placed in the HRA, which can then be used to cover out-of-pocket costs which apply to the deductible. The City Plan with HRA covers 90% of the cost of medical services (except those subject to copayment) after meeting the deductible. Members will pay 10% coinsurance until meeting the out-of-pocket maximum.

Employees also have the choice of the Simple Wellness Plan at a higher premium than the City Plan with HRA. In this plan an employee's wellness incentive dollars are used to fund the Dollar First Benefit Allowance to lower the out-of-pocket costs. This allowance helps you and your dependents pay for eligible services such as physician visits, hospital services, lab tests and x-rays. The allowance is applied before you begin to pay your deductible while you are utilizing your Dollar First Benefit Allowance, copayments will still apply.

You can locate a physician or other medical provider by contacting UnitedHealthcare Member Services, or go to UnitedHealthcare's website at www.myuhc.com.

Calendar Year Deductible and Out-of-Pocket Maximum

Calendar Year Deductible is a specified dollar amount that you must pay for certain covered services per calendar year after your HRA Account or Dollar First Benefit Allowance has been exhausted, depending which plan you enroll in. There are individual and family deductibles. Once an individual or a family deductible has been satisfied, you will only be required to make coinsurance payments or copayments until your out-of-pocket maximum has been met.

The Calendar Year Out-of-Pocket Maximum is the amount of covered expenses (including deductible and copayments) that must be paid by you, either individually or combined as a covered family. Once this maximum has been met the plan will pay 100% of covered services for the remainder of the calendar year.

Prescription Drugs

If your physician chooses a brand name drug to treat your condition, ask if a generic is available in the same class of drugs. As long as your physician approves, you will be getting an effective drug that is proven to address your condition, and you will be saving money. Because generic drugs are significantly less expensive and chemically equivalent to their brand name counterparts, it makes sense to save money by asking your doctor to prescribe generic medications.

The City of Tampa's prescription drug plan (both retail and mail order) includes a generic program. Under this program, the plan will pay the cost for the generic option only. You will be responsible for any remaining difference in cost.

The information above is a summary and not a full representation of the plan provisions. Employees should view the Summary Plan Descriptions, Benefit Summaries and other information which is available on the Human Resources Employee Benefits website on the intranet or at www.tampagov.net/benefits.

Ways You Can Control Costs

You and your family members can be active in controlling the overall health care cost paid by you and the City. Below are just a few ways in which lower cost effective treatment can be accessed.

- Utilize the UnitedHealthcare Treatment Cost Estimator at www.myuhc.com to compare cost and outcomes among medical providers
- Engage the UnitedHealthcare disease management or case management, if you qualify
- Seek primary care services at the City's Wellness Centers, operated by CareATC
- Use lower cost UnitedHealthcare's Tier 1 medications when available in accordance with physician approval

Free Standing Emergency Room

Many times we don't need immediate medical care, and in those instances where you go to get that care can have an impact on costs, both yours and the City health plan! Of course, you should always go to the emergency room for very serious illness or injury. However, for services that are not urgent or of an emergency nature you should try to use the City Wellness Center or another physician. Urgent Care centers are higher priced but often offer services not usually found in a physician's office and see patients without appointments. However, free standing emergency rooms have popped up in many areas, and at casual glance appear no different than an urgent care center. In fact, in advertising they brag about the convenience they offer. However, they are emergency rooms and you will pay the higher emergency room copay, and the City will pay emergency room rates on the services. But, of course, if you need the emergency room then, by all means go, regardless of the cost.

HRA/FSA

Health Reimbursement Account (HRA)

Your Health Reimbursement Account (HRA) is an account funded by the City of Tampa.

- The incentive amount earned through participation in City's wellness initiatives in 2023 is placed in your HRA account for 2024.
- Your HRA will help you pay for covered services. This includes paying for services other than copayments that apply to your deductible, such as inpatient hospitalization, outpatient treatment and diagnostic services.
- Any unused HRA balance reverts to zero at year end.

UHC Health Care Flexible Spending Account (FSA)

For active employees only.

- Employees enrolled will receive a debit card
- Funded by Employee's pre-tax contributions
- May be used to pay for any unreimbursed health care expenses including medical copays and pharmacy copays.
- May also be used for out of pocket expenses on Dental and Vision care.
- Any unused FSA balance does not roll-over from year to year.

How HRA and Health Care FSA Work Together

- HRA funded with wellness incentives amount earned by employee and spouse/partner.
- HRA used to pay for unreimbursed medical expenses that count towards the deductible, while the FSA pays for medical and pharmacy copays.
- FSA can fund additional health care expenses ONLY after the HRA fund is exhausted
- FSA may also be used for out of pocket expenses on Dental and Vision care.
- Any unused balance does not roll-over from year to year.

Your HRA is
funded by the
City of Tampa

HRA and Dollar First Funds

HRA and Dollar First funds are automatically applied to medical claims sent to UHC by your provider(s). Claims are paid in the order in which they are received.

HRA and Dollar First funds cannot be "saved" by the member for a specific use. Example: if you're planning a procedure in 2024, you cannot save up your incentive dollars to be applied towards that specific treatment.

City Plan with HRA

Wellness Incentives can be earned by both a covered employee and spouse or domestic partner and are placed in the HRA, which can be used to cover out-of-pocket medical costs which apply to the deductible. The City Plan with HRA covers 90% of the cost of medical services (except those subject to copayment) after meeting the deductible. Members will pay 10% coinsurance until meeting the out-of-pocket maximum.

Simple Wellness

Wellness Incentives can be earned by the employee only and are available for use by each covered family member. For example, if an employee earns \$500, each enrolled family member will have \$500 available. In this plan, an employee's wellness incentive dollars are used to fund the Dollar First Benefit Allowance to lower the out-of-pocket costs. This allowance helps you and your dependents pay for eligible out-of-pocket expenses such as physician visits, hospital services, lab tests and x-rays. This allowance cannot be used to pay your deductible.

Vision Plan Highlights

Administered by Superior Vision

Superior Vision provides affordable quality vision care nationwide. Through Superior’s provider network, you can obtain a comprehensive vision examination, as well as eyeglasses (lenses and frames), or contact lenses.

Carefully review the vision care program summary and take advantage of this very important benefit. You can call Superior’s Customer Service Center at (844) 549-2603 for any questions

about your coverage or contracted providers or you may visit their website at www.superiorvision.com.

If you elect not to enroll in the Superior vision plan but you are enrolled in the group medical plan, you have access to a basic discount vision program through UnitedHealth. You can get one routine eye exam per year at no cost.

Dental Plan Highlights

Administered by Humana

You have the choice between a DHMO and a PPO plan. The first option is a pre-paid DHMO plan with In-Network benefits only. All benefits are subject to a comprehensive fee schedule that outlines copays and charges for services. For a complete summary of copays by procedure please refer to the Humana Schedule of Benefits. The PPO plan provides coverage for both In-Network and Out-of-Network (non-contracted dentist) coverage. You will maximize your benefits and minimize your out of pocket expenses when you seek care from a contracted Humana PPO dentist.

You must select a Primary Care Dentist for the DHMO Plan

To search for a provider, do the following:

1. Go to www.humana.com
2. Enter Zip Code, select "Look Up" to choose network
3. Select the coverage type, click DHMO Network, and in drop-down box choose HS195 DHMO/Pre-Paid, click Select (for PPO, select Traditional/Preferred).

Flexible Spending Account (FSA)

Administered by UnitedHealthcare

FOR ACTIVE EMPLOYEES ONLY

UnitedHealthcare will continue to be the Flexible Spending Account administrator for 2024. There are two types of Flexible Spending Accounts: Health Care and Dependent Care. Flexible Spending Accounts (FSA) help you save money by providing a way to pay for certain types of health care and dependent care on a pre-tax basis. FSA dependent care covers child care expenses for dependents under age 13 and elder care expenses for adults who are unable to support themselves.

How FSA Works

During Open Enrollment, you decide how much money you want to contribute for the year - up to \$2,850 per family for healthcare FSA and up to \$5,000 per family for dependent care FSA. You have only one opportunity a year to enroll, unless you experience a qualifying event. The amount you designate for the year is divided in equal installments each pay period and placed in a FSA account.

How the Debit Card Works

The debit card has an automatic payment feature that allows eligible medical and prescription claims, when you are responsible for a portion of the costs, to automatically pay from your FSA account. This will automatically reduce the available funds in your FSA. The FSA debit card cannot be used for dependent care expenses.

Estimate Expenses Carefully

To receive the greatest savings, you must carefully estimate the amount of eligible out-of-pocket expenses you will have for the year. Once you have estimated the total annual amount, that amount is what will be deducted from your gross pay (before taxes) each pay period to be used to fund your Flexible Spending Account. The City of Tampa has 26 pay periods per year. To get a complete listing of what is considered an eligible expense please refer to [IRS.gov](https://www.irs.gov) and refer to publication 502.

Active employees have until March 15th of the following plan year to incur medical expenses and until March 30th to submit claims. If an employee terminates employment before the end of the calendar year and has an account balance, the employee has 90 days from the date of termination to file claims for medical expenses incurred while still an active employee. You may have rights to claim medical expenses on your FSA if you elect COBRA upon terminating employment. If you elect COBRA, contact the UnitedHealthcare onsite representative for more information.

Do Not Over Estimate

Be conservative in your calculations. If you do not incur eligible expenses for the full amount you elected to put in your FSA, the remaining balance in your account will be forfeited according to IRS regulations. Use it or lose it!

Wellness Incentives

Administered by Rally

| Incentive | Reward |
|--|---------------------------|
| Rally Health Survey | \$100 |
| Annual Preventive Care: Annual Physical, Cancer Screening (Colon, Breast, Cervical) or Prenatal Exam | \$200 |

Below is the incentive structure for the Simple Wellness Plan. Incentives can be earned through various activities as listed in the incentive activities and rewards chart. Depending on how much wellness incentive you earn, that will determine your First Dollar Benefit amount. In order to receive

any First Dollar Benefit, you must earn at least \$250 in incentives. For example, if you earn \$600 in wellness incentives, you will be placed into the \$500 Simple Wellness Plan. If you earn \$50 in wellness incentives, you will not have any incentive and will be placed in the \$0 Simple Wellness Plan.

\$0 - \$249 = \$0 incentive Simple Wellness Plan

\$250 - \$499 = \$250 incentive Simple Wellness Plan

\$500 - \$749 = \$500 incentive Simple Wellness Plan

\$750 - \$999 = \$750 incentive Simple Wellness Plan

Employee Assistance Program (EAP)

Administered by Wood & Associates, and UnitedHealthcare Live and Work

Employee Assistance Program

For active employees only.

From time to time many of us will face problems at work or at home that we are not sure how to solve. These can range from employer problems to marital problems or even substance abuse. That's why the City of Tampa is pleased to offer its employees two confidential Employee Assistance Programs. The People First EAP, is administered locally by Wood & Associates. The second program is available if you are covered under the UnitedHealthcare medical plan and is referred to as Live and Work Well.

These programs offer you professional assistance in dealing with almost any life issue. From stress or depression to legal or financial issues, EAP can help!

These services are available to you and your dependents by calling a toll free phone line open 24 hours a day - 7 days a week. All conversations are confidential. These EAP programs differ slightly, however, free telephonic and face-to-face sessions are available. Contact the EAP provider for specific details.

Elective Benefits

FOR ACTIVE EMPLOYEES ONLY

Trustmark provides the elective benefits that are available to eligible employees by meeting with an Employee Family Protection (EFP) Benefit Counselor.

Sign up to enroll by calling [\(844\) 231-1623](tel:8442311623) or by going online at: www.efpnow.com/cotappointments.

Benefits available through EFP are:

NEW! Critical Illness with Cancer Insurance - Provides immediate financial relief from the overwhelming expenses of a serious illness such as a heart attack, stroke or cancer. It pays you a lump sum cash benefit which can be used any way that you wish. This policy contains a pre-existing condition limitation.

Short-Term Disability - If you find yourself unable to work due to a non-occupational illness or injury, short term disability can help you protect your paycheck. Please note that there is a pre-existing condition limitation included with this plan. If you have a pre-existing condition and become disabled due to that condition within the first 12 months of coverage, no benefits will be payable.

Accident Insurance - Covers unexpected expenses that can result from all kinds of accidents, even sports related injuries. It pays you a cash benefit to help you offset what your medical plan may not pay (deductibles, copayments etc.)

Cancer Guardian - Cancer Guardian will empower you (and your covered family members) to identify your individual genetic risk and arm you with resources that can improve prevention and

Protect your paycheck when the unexpected occurs

survival of a cancer diagnosis. Cancer Guardian provides access to the support services, DNA Testing, and technology needed to manage and navigate the confusing cancer landscape more effectively. Cancer Guardian provides day one benefits that can be utilized immediately, as well as valuable features that are made available if a cancer diagnosis occurs in the future.

Universal Life Insurance - This life policy offers the flexibility of whole life insurance and offers a built in Long-Term Care Accelerated benefit. This policy contains a pre-existing condition limitation.

Legal Services* - Offers a large network of providers for many legal services. It also includes identity theft restoration, free simple tax return preparation and a free simple will. Legal services are provided at a discounted fee for your entire family.

If you have any questions or want to enroll in any of these elective benefits, please contact EFP.

Basic Term Life Insurance

Administered by Voya

FOR ACTIVE EMPLOYEES ONLY

For Active Employees Only

The City of Tampa provides you with Basic Term Life Insurance at no cost through Voya. The amount of insurance is specified in the applicable union contract or the Personnel Manual for non-union employees. Special benefits for law enforcement officers and firefighters are also included.

The Plan will also match your Basic Life Insurance benefits for Accidental Death and Dismemberment (AD&D). The AD&D benefit will provide your beneficiary with an additional amount equal to the basic term life insurance in force, if death is due to an accident. If the employee is dismembered (such as loss of an eye or limb), benefits will be paid to the employee as a percentage of the basic life amount.

Beneficiary Information - Please make sure that your beneficiary information is up to date in Oracle Self Service.

Supplemental Coverage

In addition to the Basic Term Life coverage provided by the City you can also purchase supplemental life insurance for yourself and your eligible dependents.

Employee - Purchase in increments of \$10,000 up to a maximum of \$500,000. If you are a newly eligible employee you can purchase up to \$150,000 without answering any health questions. If you request an amount above \$150,000, or you did not enroll when initially eligible, or you are increasing your insurance during open enrollment, you will be required to answer health questions.

Spouse/Domestic Partner - Purchase in increments of \$10,000 up to a maximum of \$500,000. If your spouse is newly eligible you can purchase up to \$50,000 without answering any health questions. If you request an amount above \$50,000, or you did not enroll when initially eligible, or you are increasing your insurance during open enrollment, you will be required to answer health questions.

Children - For dependent children that are at least 14 days old and under the age of 19, or 25 if a full-time student, you can purchase life insurance in the amount of \$5,000 or \$10,000.

Portability: If you retire, leave the City or take a leave of absence, you may continue your supplemental term life coverage and make premium payments directly to the insurance company.

Long-Term Disability Insurance

Administered by New York Life

FOR ACTIVE EMPLOYEES ONLY

For Active Employees Only

This coverage is provided by New York Life and replaces part of your income if you meet the policy's definition of disabled and are unable to work. All full-time employees automatically receive the City-paid base plan that replaces 30% of income up to a maximum of \$10,000 per month. This coverage is effective on the first day of the month following 180 days of continuous employment. You may elect to increase the coverage from the 30% plan to the 50% plan or the 60% plan the first time you enroll as a new employee. Thereafter, you may increase your coverage by only one level

during the annual open enrollment period but no more than 60%. You will be required to satisfy an additional pre-existing condition period associated with the increase in coverage. See your certificate booklet for details.

The cost of coverage depends on your age and salary, and it will be automatically reviewed and adjusted on January 1st of each year. Disability benefits will be coordinated with other sources of income such as Social Security, retirement and workers compensation incomes which ultimately reduce your disability benefit. For more information regarding long-term disability benefits or to file a claim, call the benefit's question line at [\(813\) 274-5757](tel:8132745757).

Retirement Benefits

Deferred Compensation

Deferred Compensation is a program that allows you to contribute part of your salary to a retirement account before taxes are taken out. For 2023, you are able to defer up to \$22,500 plus \$7,500 catch up subject to IRS revision (ages 50 and up) or 100% of your income, whichever is less. **The deferral limits are subject to change annually.**

To calculate your payroll deduction, take your total annual contribution and divide it by 26 payroll periods. For more information on Deferred Compensation, visit the City's Employee Benefits page. The minimum monthly contribution is \$20.00 OR \$9.23 per pay period.

Employees have the option of enrolling in a pre-tax deferred compensation plan and/or a ROTH after tax plan. Employees can use Nationwide Retirement Solutions or Florida League of Cities as their Deferred Compensation administrator, but may not have deductions go to both providers at the same time. The City makes these available to employees as a service, but does not contribute to the funding of these plans. As is the case with any investment, careful consideration regarding the costs and benefits of each plan should be evaluated by the employee prior to making a selection.

Why Participate In The 457(b) Deferred Compensation Plan?

It's automatic and easy. You choose pre-tax or after-tax (Roth) contributions. Individuals can no longer count on the federal government and their employers to provide a secure retirement for them. Investing a little money each month now can grow into a large amount of money when you retire. With pre-tax money invested, participants can enjoy the effects of compound growth without the worry of paying taxes until after they begin to withdraw funds. With Roth after-tax money invested, participants pay taxes upfront then withdraw funds later without paying additional taxes.

Who Are The FLC And The FMPTF?

The Florida League of Cities (FLC) was created in 1922 to meet and serve the needs of Florida's municipalities. Administered by the FLC, the Florida Municipal Pension Trust Fund (FMPTF) was established in 1983 for the purpose of collectively managing employee retirement programs of participating Florida governments. The FMPTF is a nonprofit, member-owned trust providing professional and cost-effective investment and administrative service. This structure means we not only have lower expenses, but also are able to look out for our participants' best interests.

Low Expenses And Fees, Clearly Disclosed

The FMPTF charges participants a 0.20% annual administrative fee. Participants also pay investment expenses to the mutual fund companies in which they invest. Participants pay an average of 0.22% in expenses. See our full brochure or visit FLCretirement.com for other fees that may apply.

Plan Now For A Comfortable Retirement

You might be thinking that you have a lot of time before you need to think about retirement. You're right. But you may need to put that time to work.

Here's why:

- Your pension might not cover all your living expenses in retirement
- You want to save more so you can enjoy your time in retirement
- The more time you have, the easier it is to fill a potential income gap

The sooner you start, the easier it can be.

If you wait, it could take much more per pay period to achieve the same goal.

It's time to get started!

Deferred Compensation Makes it Easy

Through your employer's 457(b) deferred compensation plan, you:

- Contribute to your account each pay period
- Invest that money so it can potentially grow into a lot more
- Use tools to monitor your account and make adjustments as needed

This material is not a recommendation to buy or sell a financial product or to adopt an investment strategy. Investors should discuss their specific situation with their financial professional.

This document is an outline of the coverage provided under your employer's benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the "plan documents"). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer's benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/Benefits Department.
