We look forward to serving you now and for many years to come.

Sincerely,
Group Medicare Operations

City of Tampa is enrolling you in the Humana Group Medicare preferred provider organization (PPO) plan. You do not need to do anything to be automatically enrolled in this Medicare health plan. If you do not want to join this plan, you can follow the instructions included below. You must do this before the date set by your benefit administrator. **Enrollment in this plan will cancel your enrollment in a different Medicare Advantage or a Medicare Prescription Drug (Part D) plan. However, if you are currently enrolled in a Medicare Supplement plan, you will have to take action to cancel your enrollment.**

What do I need to know as a member of the Humana Group Medicare PPO plan?

This enrollment packet includes important information about this plan and what it covers, including a Summary of Benefits document. Please review this information carefully.

Once enrolled, you will receive information on how to view or request a copy of an Evidence of Coverage document (also known as a member contract or subscriber agreement) from the Humana Group Medicare PPO plan. Please read the document to learn about the plan's coverage and services. As a member of the Humana Group Medicare PPO plan, you can appeal plan decisions about payment or services if you disagree. Enrollment in this plan is generally for the entire year.

When your Humana Group Medicare PPO plan begins, Humana will cover all medically necessary items and services, even if you get the services out of network. However, your member cost share may be lower if you use in-network providers. "In-network" means that your doctor or provider is on our list of participating providers. "Out-of-network" means that you are using someone who isn't on this list. The exception is for emergency care, out of area dialysis services, or urgently needed services.

You must use network pharmacies to access Humana benefits, except under limited, non-routine circumstances when you can't reasonably use network pharmacies.

You must keep Medicare Parts A and B as the Humana Group Medicare plan is a Medicare Advantage plan. **You must also continue to pay your Part B premium. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium.** You can enroll in only one Medicare Advantage plan at a time. You must let us know if you think you might be enrolled in a different Medicare Advantage plan or a Medicare prescription drug plan and inform us of any prescription drug coverage that you may get in the future.

What happens if I don't join the Humana Group Medicare PPO plan?

You aren't required to be enrolled in this plan. If you don't want to enroll or have enrollment questions, please contact City of Tampa Benefits Department at 813-274-5757 (TTY: 711).

- continued on next page

If you choose to join a different Medicare plan, you can contact **800-MEDICARE** anytime, 24 hours a day, 7 days a week, for help in learning how. TTY users can call **877-486-2048**. Your state may have counseling services through the State Health Insurance Assistance Program (SHIP). They can provide you with personalized counseling and assistance when selecting a plan, including Medicare Supplement plans, Medicare Advantage plans and prescription drug plans. They can also help you find medical assistance through your state Medicaid program and the Medicare Savings Program.

What if I want to leave the Humana Group Medicare PPO plan?

You can change or cancel your Humana coverage at any time and return to Original Medicare or another Medicare Advantage plan by using a special election. You can send a request to the Humana Group Medicare plan. Please contact City of Tampa Benefits Department at 813-274-5757 (TTY: 711). You can also call **800-MEDICARE** anytime, 24 hours a day, 7 days a week. TTY users can call **877-486-2048**.

What happens if I move?

The Humana Group Medicare PPO plan serves a specific service area. **If you move to another area or state, it may affect your plan.** It's important to contact City of Tampa Benefits Department at 813-274-5757 (TTY: 711). Please also call Humana Group Medicare Customer Care at **866-396-8810 (TTY: 711)**, Monday – Friday, 8 a.m. – 9 p.m., Eastern time, to notify of the new address and phone number.

If you don't have Medicare prescription drug coverage, or drug coverage that's as good as Medicare's prescription drug coverage, you may have to pay a late enrollment penalty if you sign up for Medicare prescription drug coverage in the future.

Release of Information

By joining this Medicare Advantage plan, you give us permission to share your information with Medicare and other plans when needed for treatment, payment and health care operations. We do this to make sure you get the best treatment and to make sure that it is covered by the plan. Medicare may also use this information for research and other reasons allowed by Federal law.

Building healthy provider relationships

Having a relationship with your primary care provider (PCP) is an important step in protecting and managing your health.

With the Humana Group Medicare PPO plan, you can use any provider who is part of our network, or you can use any provider who accepts Medicare and agrees to bill Humana. Your benefit plan coverage remains the same, even if you receive care from an out-of-network provider. For more information, refer to your Summary of Benefits located in this packet.

Why choose a Humana network provider?

- Your PCP will get to know your overall health history and can guide you toward preventive care to help you be healthy and active.
- Your plan doesn't require referrals to see other providers, but your PCP can help guide you when you need specialized care.
- Humana Medicare PPO network providers must take payment from Humana for treating plan members.
- Network providers coordinate with Humana, which makes it easier to share information. Patients may have a better experience when providers share information this way.
- Humana supplies in-network providers with information about services and programs available to patients with chronic conditions.

Is your healthcare provider in Humana's provider network?

If you need help finding a provider, call our Group Medicare Customer Care team or use our online directory at [Humana.com/Findadoctor](https://www.humana.com/Findadoctor). You can also find a complete list of network providers and pharmacies at MyHumana, your personal, secure online account at [MyHumana.com](https://www.MyHumana.com) or on the MyHumana mobile app (standard data rates may apply).

Medical preauthorization

For certain services and procedures, your provider or hospital may need to get advance approval from Humana before your plan will cover any costs. This is called prior authorization or preauthorization. Providers or hospitals will submit the preauthorization request to Humana. If your provider hasn't done this, please call our Customer Care team, as Humana may not be able to pay for these services.

Use Humana's Find a Doctor tool to search for a provider near you

Choosing a doctor or healthcare facility is an important decision. You can use Humana's Find a Doctor tool to search for an in-network provider near you.

- 1** Go to [Humana.com/FindaDoctor](https://www.humana.com/FindaDoctor).
- 2 Find a doctor or pharmacy**
Use the tabs to help you search for a doctor or pharmacy.
- 3 Location**
Enter a ZIP code and the distance radius you want to search.
- 4 Options**
Select a lookup method from 3 options:
 - 1) Coverage type—choose Medicare or Medicare-Medicaid then select the network that represents your plan,
 - 2) Member ID, or
 - 3) Sign in to MyHumana for more accurate results in finding your network.
- 5 Select the “Search” button for your results**
Have you found the doctor or facility that you're looking for? If you need to revise your search, you can search again without leaving the results page.

Find a doctor on the MyHumana mobile app

Once you are enrolled with Humana, you can use the MyHumana mobile app to find a provider near you. On the app dashboard, locate the “Find Care” section.

Call our Customer Care team at **866-396-8810 (TTY: 711)**, Monday – Friday, 8 a.m. – 9 p.m., Eastern time.

Telehealth visits are available through your Humana plan

The doctor is in, even if you can't or don't want to go into an office. Telehealth visits allow you to get nonemergency medical care or behavioral healthcare through your phone,* tablet or computer.†

Virtual care where you're most comfortable

Telehealth could be used for chronic condition management, follow-up care after an in-office visit, medication reviews and refills, and much more—just like an in-office visit.

When should I use it? For a nonemergency issue, instead of going to the emergency room (ER) or an urgent care center.

Ask your trusted provider if they offer telehealth visits and if so, what you need to do to get started.

If you don't have a primary care provider or if your PCP doesn't offer virtual visits, you can use the "Find a doctor" tool on **Humana.com** or call the number on the back of your member ID card to get connected with a provider that offers this service.

Connect with someone who cares

Use telehealth services to connect with a licensed behavioral health specialist. These providers are available when you may need them to coach you through many of life's challenges. These providers can:

- Discuss healthy ways you can deal with stress, anxiety or sadness
- Listen without judgment as you talk about your life, relationships and feelings
- Help you set and meet behavioral and emotional goals
- Assist you in developing strategies for living a fuller, healthier life

Ask your trusted provider about any virtual behavioral health options they may offer. One option is Array, a national in-network virtual behavioral health provider. Visit [Arraybc.com/patients/Humana](https://arraybc.com/patients/Humana) or call **888-410-0405 (TTY: 711)** to learn more.

Delivering the care you need securely, conveniently and on your terms—that's human care.

Remember, when you have a life-threatening injury or major trauma, call 911.

*Depending on the initial consultation, video may be required for telehealth visits.

†Standard data rates may apply.

Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any description of when to use telehealth services is for informational purposes only and should not be construed as medical advice. Please refer to your Evidence of Coverage for additional details on what your plan may cover or other rules that may apply.

Having a provider you're happy with can play an important role in your health and meeting your needs

If your healthcare provider says they do not accept Humana insurance, give them this flyer.

Once you are a member of the Humana Group Medicare Preferred Provider Organization (PPO) plan, sharing this information can help your provider understand how this plan works.

Don't forget to take your Humana member ID card to your first appointment.

A message for your provider

Humana will provide coverage for this retiree under a Group Medicare PPO plan. The in-network and out-of-network benefits are structured the same for any member of this plan. This means you can provide services to this retiree or any member of this plan if you are a provider who is eligible to participate in Medicare.

Contracted healthcare providers

If you're a Humana Medicare Employer PPO-contracted healthcare provider, you'll receive your contracted rate.

Out-of-network healthcare providers

Humana is dedicated to an easy transition. If you're a provider who is eligible to participate in Medicare, you can treat and receive payment for your Humana-covered patients who have this plan. Humana pays providers according to the Original Medicare fee schedule less any member plan responsibility.

Claims process

If you need more information about our claims processes or about becoming a Humana Medicare Employer PPO-contracted provider, call Provider Relations at **800-626-2741**, Monday – Friday, 9 a.m. – 6 p.m., Eastern time. **This number is not for patient use.**

Patients, please call the Group Medicare Customer Care number on the back of your Humana member ID card.

Medicare Part D prescription medication tiers

Tier 1 – Preferred generic

Essentially the same medications, usually priced differently

Have the same active ingredients as brand-name medications and are prescribed for the same reasons. The Food and Drug Administration (FDA) requires generic medications to have the same quality, strength, purity and stability as brand-name medications. Your cost for generic medications is usually lower than your cost for brand-name medications.

Tier 2 – Generic

A medication available to you for less than a nonpreferred

Generic or brand medications that the plan offers at a higher cost to you than Tier 1, and at a lower cost to you than Tier 3.

Tier 3 – Preferred medication

A medication available to you for less than a nonpreferred medication

Generic or brand medications that the plan offers at a higher cost to you than Tier 2, and at a lower cost to you than Tier 4.

Tier 4 – Nonpreferred medication

A more expensive medication than a preferred

More expensive generic or brand-name prescription medications that Humana offers at a higher cost to you than preferred medications.

Tier 5 – Specialty

Medications for specific uses

Some injectable and other high-cost medications to treat chronic or complex illnesses like rheumatoid arthritis and cancer.

Important information about your prescription medication coverage

Some medications covered by Humana may have requirements or limits on coverage. These requirements and limits may include prior authorization, quantity limits or step therapy. You can visit [Humana.com](https://www.humana.com) to register or sign in and select Pharmacy or call Humana's Group Medicare Customer Care team to check coverage on the medications you take.

Prior authorization

The Humana Group Medicare Plan requires you or your provider to get prior authorization for certain medications. This means that you will need to get approval from the Humana Group Medicare Plan before you fill your prescriptions. The reason a prior authorization is required can vary depending on the medication. Humana will work with your provider when a prior authorization is required. The Centers for Medicare & Medicaid Services (CMS) requires a turnaround time of 72 hours for a prior authorization. However, an expedited review can be requested by your provider if waiting 72 hours may be harmful to you.

Quantity limits

For some medications, the Humana Group Medicare Plan limits the quantity of the medication that is covered. The Humana Group Medicare Plan might limit how many refills you can get or quantity of a medication you can get each time you fill your prescription. Specialty medications are limited to a 30-day supply regardless of tier placement.

One-time transition fill

For certain medications typically requiring prior authorization or step therapy, Humana will cover a one-time, 30-day supply of your Part D covered medication during the first 90 days of your enrollment. Once you have received the transition fill* for your prescription requiring a prior authorization or step therapy, you'll receive a letter from Humana telling you about the requirements

or limits on the prescription. The letter will also advise that you will need to get approval before future refills will be covered. A prior authorization will need to be approved or other alternative medications should be tried if the medication requires step therapy.

Step therapy

In some cases, the Humana Group Medicare Plan requires that you first try certain medications to treat your medical condition before coverage is available for a more expensive medication prescribed to treat your medical condition.

Next steps for you

1. Visit **Humana.com/Pharmacy** to view your prescription drug guide. The prescription drug guide will provide information on quantity limits, step therapy or if a prior authorization is required. If you have additional questions, please call our Customer Care number on the back of your Humana member ID card.
2. Talk to your provider about your medications if they require prior authorization, have quantity limits or if step therapy is needed.

Next steps for your provider

1. Go online to **Humana.com/Provider** and visit our provider prior authorization page. This page has a printable form that can be mailed or faxed to Humana.
2. Call **800-555-2546 (TTY: 711)** to speak with our Humana Clinical Pharmacy Review team, Monday – Friday, 8 a.m. – 8 p.m., Eastern time.

*Some medications do not qualify for a transitional fill, such as medications that require a Part B vs D determination, CMS Excluded medications, or those that require a diagnosis review to determine coverage.

How to find the list of medications covered by your Humana Group Medicare plan

View the most complete and current Drug Guide information online.

Humana’s Drug List, also called “formulary,” lists the most widely prescribed medications covered by Humana and is updated regularly by doctors and pharmacists in our medical committee. Updates to this year’s formulary are posted monthly. New medications are added as needed, and medications that are deemed unsafe by the Food and Drug Administration (FDA) or a drug’s manufacturer are immediately removed. We will communicate changes to the Drug List to members based on the Drug List notification requirements established by each state.

If a specific medication you need is not on the list, please call the Customer Care number on the back of your Humana member ID card.

Medical and hospital deductible and yearly limits

Yearly limits - These limits give you financial protection

These limits tell the **most** you will have to pay in 2023 in "out-of-pocket" costs (copays, coinsurance, and your deductible) for medical and hospital services covered by the plan.

These yearly limits are called your "out-of-pocket maximums." They put a limit on how much you have to pay, but they do not put a limit on how much care you can get. This means:

- Once you have reached a limit in out-of-pocket costs, **you stop paying medical claims costs.**
- You keep getting your covered services as usual, and **the plan will pay the full cost** for the rest of the year.

2023 Combined Annual Plan Out-of-pocket

This statement contains claims that were processed in a prior plan year. Below is the adjusted limit information.

In 2023, \$8,850.00 is the most you will have to pay for covered services from providers.

As of February 28, 2023 you have paid:	\$1,822.90
Your remaining amount is:	\$7,027.10

Frequently asked questions

Do I need to show my red, white and blue Medicare card when I visit the doctor?

No. You'll get a Humana member ID card that will take its place. Keep your Medicare ID card in a safe place—or use it only when it's needed for discounts and other offers from retailers.

What should I do if I move or have a temporary address change?

If you move to another area or state, it may affect your plan. It's important to contact your group benefits administrator for details and call to notify Humana of the move.

What should I do if I have to file a claim?

Call Humana Group Medicare Customer Care for more information and assistance. To request reimbursement for a charge you paid for a service, send the provider's itemized receipt and the Health Benefits Claim Form (also available at Humana.com) to the claims address on the back of your Humana member ID card. Make sure the receipt includes your name and Humana member ID number.

What if I have other health insurance coverage?

If you have other health insurance, show your Humana member ID card and your other insurance cards when you see a healthcare provider. The Humana Group Medicare plan may be eligible in combination with other types of health insurance coverage you may have. This is called coordination of benefits. Please notify Humana if you have any other medical coverage.

When does my coverage begin?

Your former employer or union decides how and when you enroll. Check with your benefits administrator for the proposed effective date of your enrollment. Be sure to keep your current healthcare coverage until your Humana Group Medicare PPO plan enrollment is confirmed.

What if my service needs a prior authorization?

If your medical service or medication requires a prior authorization, your provider can contact Humana to request it. You can call Customer Care if you have questions regarding what medical services and medications require prior authorization.

What if my provider says they will not accept my plan?

If your provider says they will not accept your PPO plan, you can give your provider the "Group Medicare Provider Information" flyer on page 11. It explains how your PPO plan works. You can also call Customer Care and have a Humana representative contact your provider and explain how your PPO plan works.

What should I do if I need prescriptions filled before I receive my Humana member ID card?

If you need to fill a prescription after your coverage begins but before you receive your Humana member ID card, take a copy of your temporary proof of membership to any in-network pharmacy.

How can I get help with my drug plan costs?

People with limited incomes may qualify for assistance from the Extra Help program to pay for their prescription drug costs. To see if you qualify for Extra Help, call **800-MEDICARE (800-633-4227)**, 24 hours a day, seven days a week. If you use a TTY, call **877-486-2048**. You can also call the Social Security Administration at **800-772-1213**. If you use a TTY, call **800-325-0778**. Humana Medicare Insight Network

When patients receive necessary routine vision services, they will be covered according to the following schedule.

Vision care services	In-network patient cost	Out-of-network reimbursement
Exam (One per calendar year) Routine eye exam (includes refraction)	\$0 copay	Up to \$175
Eyewear benefit (One per calendar year) Benefit toward the purchase of eyeglasses and pair of lenses or contact lenses (conventional or disposable)	Any retail amount over \$100 allowance	Up to \$100

Additional plan details:

Benefit allowance is applied toward the retail price. Member is responsible for any costs above the plan-approved amount.

The benefit can only be used one time. Any remaining benefit dollars do not "roll over" to a future purchase.

Eyeglass lens options may be available with the maximum benefit coverage amount up to one pair per year. Maximum benefit coverage amount is limited to one-time use per year.

Lost or broken materials are not covered.

Benefits are offered on a calendar basis. If benefits are changed or eliminated next year and were not used this year, the member is no longer eligible for them.

2024 VIS200

Additional discounts:

Member may receive a 20% discount on items not covered by the plan at in-network locations. Discount does not apply to provider's professional services or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see our online provider locator to determine which participating providers have agreed to the discounted rate. Discounts on vision materials may not be applicable to certain manufacturers' products. The Plan reserves the right to make changes to the products on each tier and the member out-of-pocket costs. Fixed pricing is reflective of brands at the listed product level. All providers are not required to carry all brands at all levels. Service and amounts listed above are subject to change at any time.

Members may receive a 40% discount off complete-pair eyeglass purchases and may receive a 15% discount off conventional contact lenses once the funded benefit has been used.

Member may receive a 15% discount off the retail price or may receive 5% off any promotional price of Lasik or photorefractive keratectomy (PRK) laser vision correction procedures. Lasik or PRK correction procedures are provided by the U.S. Laser Network, owned by LCA-Vision. Please note that since Lasik and PRK vision correction are elective procedures, performed by specially trained providers, this discount may not always be available from a provider in your immediate location, so members should first call **844-608-2020** for the nearest facility and to receive authorization for the discount.
