If you seek to register/re-register, enclosed is the Grease Hauler Registration Application Form. Please complete and mail the enclosed application to the attention of "Wastewater Department Utility Service" or drop it off at our office. Upon receipt of the completed application, the City has 45 days to review the application and respond in writing if the application has been approved, denied, or approved with conditions, and if any new vehicles will be scheduled for inspections.

Once approval is granted and the inspections are completed, new Grease Hauler decals will be furnished for your vehicles.
