INSTRUCTIONS FOR APPLICATION -- VARIANCE REVIEW BOARD (VRB)

Please be aware that these instructions are provided as a guide to assist you in submitting your application online in the City's Accela Citizen Access system. Application guidelines are derived from Chapter 27 Zoning and City Policy. For Variance information, please refer to Section(s) [27-76](#) and [27-80](#).

PLEASE READ INSTRUCTIONS THOROUGHLY

It is recommended that you contact a representative of Development and Growth Management (DGM) at TampaZoning@tampagov.net or (813) 274-3100, option 2, prior to submitting your application to ensure that you receive the correct guidance for your needs.

A [Site Plan](#) is required for the VRB application. The DGM recommends that the applicant discuss the Site Plan with DGM staff prior to uploading the Site Plan to the electronic record.

Submittal of an Electronic Application

- The application must be submitted online through the City's Accela Citizen Access (ACA) system at aca.tampagov.net.
- All information in Accela marked with an asterisk must be completed via the online form.
- All information requested or required by the application such as the owner/agent affidavit, any Exhibits, a survey, or the Site Plan must be uploaded into Accela into the electronic record.

Fees

- Application (record) fees will be assessed through the Accela system when the application is accepted by staff.
- Fees are determined by City Council by resolution.
- Fees are payable online via MasterCard, VISA, American Express or Discover or through e-check.
- Personal checks and cash are not accepted.

Scheduling of Applications

DGM staff will assign a public hearing date at time of submittal. Note that the Board limits itself to ten (10) cases per month and that the deadline is usually eight (8) weeks prior to the hearing. Applications for a Variance Review are generally heard on the second Tuesday of the month. Please schedule your VRB needs accordingly. Please note that DGM staff does not have the authority to exceed the ten cases established by the Board.

To be scheduled for a hearing, the application will need to be determined to be sufficient by DGM staff. A sufficient application must include the following: the owner/agent affidavit, color photographs of the subject property, a complete Accela record (aside from public notice), and a to-scale site plan indicating the requested variance. If the Variance Review application information is not deemed sufficient by DGM staff, the application will not be scheduled for a hearing.

Public Notice

A VRB application requires public notice in accordance with [Section 27-149](#) of the City of Tampa Code of Ordinances. Staff will provide you with further instructions, the required documents, and public notice sign(s) to complete the notice process once your application has been accepted.

Note: Please check the Plat, Survey, Title Policy and all other documentation relating to your property prior to any application for design and construction. The City of Tampa and its staff DO NOT review for compliance with individual private deed restrictions and covenants.

VARIANCE REVIEW BOARD (VRB) – SITE PLAN REQUIREMENTS

The Variance Review Board application requires submittal of a Site Plan. The site will comply with Chapters 5, 17.5, 22, 23 and 26 and all technical standards of the City of Tampa and Chapter 27, unless waived specific to this request. The Site Plan must be drawn to-scale (i.e., to an engineer's scale with a ratio such as 1" = 10').

The Variance request will be evaluated based on compliance with the Tampa Comprehensive Plan in addition to the appropriateness of the site plan based on the requirements of Chapter 27 and other applicable land development regulations.

If the Variance request is granted, the site plan will be binding upon the owner and his/her successors in title. Development and use of the property shall only occur in strict conformance with the approved site plan.

All development will be reviewed for compliance with all applicable City Codes at time of building permitting.

Required General Information

- North arrow, legend, scale.
- Total acreage of the site.
- Total area.
- Total floor area ratio and total building square footage (if applicable).

Existing Site Conditions
