### PROJECT DESCRIPTION

#### Scope of Work:

- Interior Demo.
- Full-Interior redesign (includes adding office spaces, pharmacy, retail area).
- New windows and doors
- Bathroom re-model
- Outdoor streetscape enhancements (front and back lounge areas).

### PROJECT BENEFITS

- Provide affordable healthcare options to underserved residents in East Tampa.
- Healthcare services provided include a pharmacy, urgent/ acute care, and a registered nurse (APRN) on site.
- Other services provided include immunizations, covid testing, and medical consultation services, such as insurance assistance.

#### **Tampa CRA Goal(s): Economic Development, Quality of Life**

The mission is to close the gap by providing assessable, affordable, full healthcare options to the underserved population in East Tampa. They will provide healthcare, insurance education and pharmacy services tailored to each patient's individual needs.
