Residential
Water and Wastewater Rate Schedule
Effective October 1, 2024

Single Family Home

Monthly Base Charges

Service	Inside City	Outside City
Water	$7.00	$8.75
Wastewater	$7.00	$8.75
Irrigation[1]	$7.00	$8.75

[1]Irrigation water base charges do not apply if you use reclaimed irrigation water.

Water Rates

Consumption	Tier	Inside City	Outside City
0 - 5 ccf per month	0	$3.35	$4.18
6 - 13 ccf per month	1	$3.91	$4.88
14 - 26 ccf per month	2	$6.57	$8.21
27 - 46 ccf per month	3	$8.75	$10.93
Greater than 46 ccf per month	4	$10.10	$12.62

Apartments

Monthly Base Charges[2]

Service	Inside City	Outside City
Water	$5.25	$6.56
Wastewater	$5.25	$6.56

[2]Water and wastewater base charge calculations are based on the number of dwelling units multipied by the base charge and applied for each provided service. For irrigation base charges, see the chart below.

Monthly Base Charges by Meter Size[4]

Meter Size	Inside City	Outside City
⅝” meter	$7.00	$8.75
1” meter	$17.50	$21.87
1 ½” meter	$35.00	$43.75
2” meter	$56.00	$70.00
3” meter	$105.00	$131.25
4” meter	$175.00	$218.75
6” meter	$350.00	$437.50
8” meter	$560.00	$700.00
10” meter	$805.00	$1,006.25
12” meter	$1,505.00	$1,881.25

[4]This chart reflects base charges for water, wastewater and irrigation by meter size. Irrigation water base charges do not apply if you use reclaimed irrigation water.

Water Rates[3]

Consumption	Tier	Inside City	Outside City
0 - 2 ccf per month	0	$3.35	$4.18
3 - 6 ccf per month	1	$3.91	$4.88
7 - 12 ccf per month	2	$6.57	$8.21
13 - 21 ccf per month	3	$8.75	$10.93
Greater than 21 ccf per month	4	$10.10	$12.62

[3]Water rate calculations are based on the number of dwelling units multipied by the tier range.

Reclaimed Water Irrigation Rates, All Residential Types (Where Available)

Consumption	Inside City Only
Per ccf	$1.20

Wastewater Rates, All Residential Types

Consumption	Inside City	Outside City
Per ccf	$5.62	$7.02

Understanding consumption measurements and rates

- **Consumption Measurements:** Your water, wastewater, and irrigation is billed in ccf units. Each ccf unit is equal to 100 cubic feet, which is the same as 748 gallons.
- **Rates:** Rates vary depending on whether your service location is within the City of Tampa or in Hillsborough County.
