The City of Tampa Neighborhood Enhancement Division (*formerly Code Enforcement & Clean City Divisions*) enforces all non-criminal city ordinances, codes, and regulations. We also improve the quality of life for Tampa residents through maintenance efforts of medians and vacant lots. The division continues the effort to reduce litter, graffiti and illegal dumping. # Important Notes

- Lot still needs to comply with 50% impervious surface maximum
- Has to meet all building code requirements (including floodplain regulations)
- Parking requirements still apply for main house
- Full building envelope buildout for house and ADU is unlikely due to above requirements.
- Max building heights and ADU square footages also limit the maximum building envelope
