

## ENVIRONMENTAL IMPROVEMENT PROJECT

2101 W Main Street, Tampa, FL 33607

### PROJECT DETAILS

**CRA District:** West Tampa

**City Council District:** 5

**Address:** 2101 W Main Street, Tampa, FL 33607

**CRA Funding Amount:** \$200,000.00

### PROJECT DESCRIPTION

Project scope of work includes improvements to the existing site through contaminated soil removal and replacement following extensive environmental site assessments commissioned by the CRA.

### PUBLIC BENEFIT

Reduction of existing public health and soil environmental hazards in alignment with the City's Brownfields Redevelopment Act initiative. Eventual development of future space to enhance local sense of place and community pride, cultural integration, and surrounding small business stimulation.

### TAMPA CRA OBJECTIVES MET:

Tampa CRA's "Economic Development", "Quality of Life", and "Community Engagement" improvement goals

### WEST TAMPA SOP STRATEGIES MET:

"Public Space Initiative" from West Tampa CRA Strategic Action Plan initiatives 4.1 and 4.2 (increase public green space and parks & improve special event space and community fabric)

*August 2023 Parking Study recommendations applied.*
