PROJECT DESCRIPTION

This project enhances roadway safety and improves connectivity for pedestrians and bicyclists by improving sidewalk connectivity. The project includes the following elements:

- Ditch enclosure along the east and west sides of N Glen Ave between W Green St and W Beach St.
- New sidewalk along the west side of N Glen Ave.
- shallow swales with an enclosed storm sewer system

BENEFITS TO THE COMMUNITY

- Improved sidewalk connectivity by enclosing the existing open graded ditch and constructing a new sidewalk path along Glen Ave from Green St to Beach St.
- Reduced flooding, making the road and sidewalk safer for travel during inclement weather.
- Increased safety and accessibility for all users including pedestrians and bicyclists.
