Our MISSION is to preserve and provide quality parks and recreation opportunities for all. Our VISION is a quality park system that meets the community's needs for recreation and learning opportunities to benefit health and well being.

Dear Parents/Guardians/Students,

The Parent Guide is a helpful tool that illustrates student needs, and other policies.

We will create a safe and fun environment for your child. We care for you and your families and are planning on having another incredible summer. You will find all new information available on our website at www.tampagov.net/parks.

We are available Monday to Friday from 8:30 a.m. to 4:00 p.m. EST at 813-274-8615 to answer your questions.

We look forward to a safe and healthy summer,

City of Tampa Recreation Team

PROGRAM REGISTRATION

Registration needs to be done online. Go to www.tampagov.net/parks for details and registration dates. Registration is open to participants who are 5 years old by September 1, 2023, up to 12 years old. Teen programs are available for participants ages 13 through 17. Please see website for details. Please make sure to sign waivers and acknowledgement of Parent Guide. A parent/guardian will need to sign the waiver before the first day of the summer camp program.

NO-SHOW & ATTENDANCE POLICY

Summer No-Show Policy

If your child(ren) is signed up for a summer camp and is not able to attend, please let the supervisor of the facility know prior to the program so that we may remove your child and allow those on the wait list to attend the program. If your child(ren) will be out for a few days, please let a staff member know in advance.

GENERAL INFORMATION

Clothing

Please dress your child(ren) appropriately for both indoor and outdoor activities in comfortable, properly fitting, weather appropriate shorts/pants, shirt and properly fitting, closed toe shoes. Underwear cannot be seen from lowered pants and no inappropriate wording on clothing.

Clothing may not expose the torso or the midriff (front, back or sides). Undergarments shall not be visible. If it is necessary for girls to wear dresses, we highly recommend that shorts or leotards be worn under the dress for modesty during recreational activities. Child (ren) must wear closed toed shoes that are suitable for outdoor play.

Garments and/or jewelry which display or suggest sexual, vulgar, drug, gang, weapons, or alcohol related wording or graphics, or which provoke or may tend to provoke violence or disruption, shall not be worn. Failure to comply may cause staff to contact you, and your child(ren) may be sent home from the program.

All clothing, towels, lunch boxes, backpacks and any other personal items should be labeled with your child's name and stored separately. It is also recommended that your child (ren) apply waterproof sunscreen (SPF with at least 30 is recommended) before coming to the program.

Emergency Situation/Evacuation Process

Staff's primary role is to protect the participants. In the event of an immediate area threat (i.e. bomb threat, fire, flood, other major building problem, etc.), the participants, staff, and other occupants will follow the evacuation plan. If there is a more widespread threat such as a chemical spill or widespread fire, it may be necessary to take children further away from the building. Once everyone's safety has been asserted, you will be contacted immediately to notify you of the incident.

Illness

The health and well being of our families and staff is our highest priority. In the interest of limiting the opportunity for transmission to our vulnerable community, we are taking the following precautionary measures:

How to Protect Yourself/Your Household

Sick children should not be brought to the program site. If your child becomes ill during the day, the parent/guardian will be notified. When the illness involves a fever, vomiting, rash or contagious condition, your child must be picked up immediately. If the parent/guardian cannot be reached, the next authorized person listed will be contacted.

Children sent home due to illness, fever or a contagious condition will not be allowed to return for a minimum of 72 hours. The parent/guardian may be required to provide documentation from a licensed physician.

Medical Emergencies

It is the parent's/guardian's responsibility to keep emergency information and contact data up to date. Staff members are trained in basic First Aid/CPR/AED and can perform certain other emergencies like administering an EpiPen. Minor first aid treatment will be given by on site staff, an incident report will be completed, and the parent/guardian will be notified.

In the event of a medical emergency, the Parks and Recreation Department's policy is to immediately call 911. The staff will contact the parent/guardian, or the emergency person(s) designated if the parent/guardian cannot be reached. The parent/guardian is responsible for payment of medical services required for your child. It is strongly recommended that the emergency contacts listed be no more than 1/2 hour away from the site.

Medication

Whenever possible, medication (including prescription, over the counter, vitamins, and special diet) schedules should be arranged so all medication is given at home. However, we understand that circumstances will arise which require a child to bring their medication to the program. However, city staff will not administer medication to participants. That is the child's responsibility. Parents/guardians and participants must abide by the following mandatory policy:

- A Participant Medication Form must be completed and on file.
- Prescriptions, over the counter medications and vitamins must be in the original container with the physician's name, the child's name, name of the medication, time medication is to be taken and required dosage. No outdated medication will be accepted by staff.
- If the medication requires equipment for administering (i.e. spoon, cup or dropper), the parent/guardian is responsible for providing it to their child.
- Medications will not be kept at program sites over night.
- Any medication required for longer than 10 days and for any "as needed" emergency medications, such as inhalers, Benadryl, etc. is required to have a physician's signature on the Participant Medication Form.

Personal Items

We request that participants do not bring personal belongings to the site. Electronic devices (cell phones, earbuds, Bluetooth, electronic games, iPads, etc.) are not allowed during program hours and will be regulated by the staff. The City of Tampa is not responsible for lost or damaged personal property. Only bring the essentials.

Phone/Electronic Device Usage

Parks and Recreation Department facility phones are for business use only. Children will only be allowed to use the phone in an emergency. As your child's safety is our first priority, staff may not always be available to receive calls; however, staff will relay messages to children as time permits.

Severe Weather

Staff will take immediate action if there is severe weather just prior to or during hours of operation for the protection of all participants and patrons.

Sign In/Parent Drop Off

Sign in is daily from 7:30 a.m. to 9:00 a.m. Parents dropping off will follow posted signs at the facility on how to enter the car line. Once parent arrives at drop off point, parent remains in the car and child exits the vehicle.

Sign out is daily from 4:00 p.m. to 6:00 p.m. Late pick up will follow our Code of Conduct consequences. Parent/guardian will follow posted signs at the facility on how to enter the car line. Once parent/guardian arrives at pick up point, parent/guardian remains in the car. Staff will see the displayed name tag and use the two way radio to bring child out. The parent/guardian will follow the signs to exit.

Walk up parent/guardian will come to pick up point. Please call site for early pick up. A student may walk home, but must follow the policy below:

Parents must complete a sign in/out waiver to allow their child(ren) to leave the summer program unescorted. Once a child signs themselves out for the day, they are not allowed to return to the program. Child must be 10 years of age to walk home by himself/herself. A younger child may walk home with his/her family member who is 10 or older if permission is given. Distance from the recreation center to the home may not exceed 1/2 mile, unless the child is 13 or older. Then the distance allowed will be determined by the parent and supervisor. Staff will use appropriate maps to determine if child is eligible to walk home. Staff will not allow child to walk home during inclement weather. It will be the responsibility of the parent/guardian to pick up the child by 6:00 p.m. that day. This will be strictly enforced.

Supervision

Tampa Parks and Recreation staff will be supervising your children. Staff will keep parents informed about upcoming events, special announcements, accomplishments, accidents and incidents. Any discipline problems will be brought to the parent's attention and documented.

Suspected Child Abuse

Tampa Parks and Recreation staff is legally required to report questionable bruises or marks that are repetitious and obvious to the staff. Likewise, should a child indicate to a staff member that abuse of any kind is happening to them, it is our obligation to report the discussion to the Department of Children and Families.

Transportation

Parents/guardians must make their own transportation arrangements to and from our programs. The city assumes no responsibility for transportation to and from our programs.

Staff is never allowed under any circumstances, to transport participants in their personal vehicles. When transporting participants (i.e. field trips), seatbelts will be worn at all times by staff and passengers, as is required by law. Vans and buses may be used to transport to swim lessons and field trips.

COMMUNICATION

Parents/guardians must inform the staff when:

- Household contact information should be updated (i.e. change in phone number, email address, address, emergency contact, etc).
- Someone other than those listed on your child's registration will be picking up the child. This information must be in writing and the designee will be asked to show valid identification.
- Your child cannot be picked up on time.
- You need to drop off your child later or pick up early.

On site staff would appreciate notification concerning any change in your child's life that may alter his/her attitude or behavior, or cause emotional upset (i.e. divorce, loss of a pet, death in the family)

Parents/guardians will be notified when:

- Your child is injured or ill.
- Your child is having disciplinary issues.

Parent /guardian conferences will be scheduled by staff when:

- Your child exhibits a pattern of disruptive behavior that interferes with the quality of the program or management of other children (see Code of Conduct).
- The staff observes unusual patterns of behavior or participation in your child.

Open communication is very important to us. Expressing concerns or complaints in a respectful manner is essential to communication. Abuse of any kind will not be tolerated. Conference calls will be scheduled by phone.
