PROJECT DESCRIPTION

Assessment of existing West Tampa parking conditions, improvement needs, and strategy development for parking system planning

PUBLIC BENEFIT

Expert advisory research, needs-assessment, and data collection for citizens, CAC, and CRA's knowledge while discussing comprehensive improvement strategies. An informed advisory report can lend to adequate parking inventory considerations for residents and businesses and encourage alternative mobility modes to reduce parking demand.

TAMPA CRA GOAL(S):

"Infrastructure Initiative" and "Safety Initiative" from West Tampa CRA Strategic Action Plan initiatives 2 and 3.
