

THE IMAGINATORS

The Imaginators is the story of three children and the power of imagination. Anne and Tim have just moved to a new town. Using moving boxes and other objects found in the garage, Anne, Tim, and their new neighbor, Nina, battle the child-eating monster, the Mooklecratz. The children discover their own strengths, the value of cooperation, and the unlimited power of their imaginations as they figure out how to defeat the beast. This play encourages children and adults alike never to lose their sense of play and creativity.
