

The City of Tampa's Creative Arts Theatre Company Presents

# THE MAGIC FISH

BY HARRISON BAXLEY

INSPIRED BY THE CLASSIC FAIRY TALE,  
THE FISHERMAN AND HIS WIFE

## Tampa Parks & Rec presents... THE MAGIC FISH

When two siblings discover a fish who grants wishes, will they both remember what is truly important? Or will one of them be swept away by their own greed? *The Magic Fish* is a new, modern adaptation of the classic Grimms' fairy tale, *The Fisherman and His Wife*, that explores a theme as old as time and yet is still relevant to today's world.
