Neighborhood Enhancement

The West Tampa Community Redevelopment Agency has contracted with a local landscaping company to abate the alley behind your home of the overgrown and nuisance conditions. These conditions have been abated because of the negative and blighting impact on the community. The impact of having abated the alley will be positive and long-lasting with your assistance.

In accordance with the City of Tampa Code Section 19-46;

(c) Undeveloped or vacated rights-of-way or abandoned alleys: It shall be unlawful for any owner, agent, custodian, lessee or occupant of any real property abutting any undeveloped or vacated right-of-way or abandoned alley within the city to allow or permit or maintain at any time a public nuisance as defined in this chapter between the centerline of the undeveloped or vacated right-of-way or abandoned alley and the property line of the abutting real property.

Going forward, the alley had been cleaned to make it easier for you, as the abutting homeowner or resident, to continue to maintain it as required by law. Please cut, mow, trim and otherwise maintain the half of the alley that abuts your property as necessary. Thank you for doing your part to make Tampa a cleaner and safer place to live, work & play.

Please contact the Neighborhood Enhancement Customer Service Office at (813) 274-5545 if you have any questions regarding this matter.
