

YBOR CITY FLOODING STUDY

Districtwide

PROJECT DETAILS

CRA District: Ybor City

City Council District: 5

Address: Districtwide

CRA Funding Amount: \$47,000

PROJECT DESCRIPTION

Firm provided civil engineering services for evaluating possible flood relief projects within the Ybor City area of the City of Tampa.

PUBLIC BENEFIT

It helps identify and assess flood-prone areas, predict potential impacts, help communities prepare for and respond to flood events, reduce the risk of injury or loss of life. It guides decision making for infrastructure, improves the ability to manage and recover from a flood.

TAMPA CRA OBJECTIVES MET:

Tampa CRA's "Transportation" improvement goals.

YBOR CITY CRP:

CRP recommends improvements to all public structures including streets and storm drains. The need for storm drainage should be increased by redevelopment. CRA SAP recommends essential infrastructure for stormwater continue to be improved or replaced.
