### **4. LHAP 2025-2027**

The City is required to prepare an LHAP every three years to be reviewed by AHAC. The City creates a three-year strategy on how to spend SHIP dollars on different categories, such as down payment assistance, owner-occupied rehab, and new construction. These strategies are submitted to the Florida Housing Finance Coalition for review and approval by May 2nd. The incentives previously approved will be included in the LHAP documentation for submittal.

The goal is to have the LHAP go before Council by March 27<sup>th</sup> and be submitted to the State by May 2<sup>nd</sup>.

The Committee discussed the repayment terms of the down-payment assistance mortgages, and if they will remain forgivable. Ms. Koehler requested to remove the forgiveness clause, and have the homeowner repay the DPA upon sale of the property regardless of the affordability period. Potentially, these mortgages would never be released. Ms. Koehler states the repayment of these loans through the County program has generated \$5.2 million from inception back into a pool that helps more homebuyers in Hillsborough County.

Mr. McKittrick states the Florida Housing Finance Corporation Board that approves the LHAP wants a set period of time for the mortgages, and they did not want more than a 30-year term. The Committee discussed establishing a 30-year affordability period.

Ms. Gaston-Gardner proposed using the original definition of a first-time homebuyer as an individual who has had no ownership of a personal residence or who has not owned a home in the last three years of the time application. The exceptions are domestic violence and a displaced spouse with appropriate documentation. Ms. Boone will research the SHIP definition and update the LHAP.

Michelle Boone updated the Committee with the following events per the presentation materials provided to the Board.
