## Know before you enroll

**You must be entitled to Medicare Part A and enrolled in Medicare Part B as the Humana Group Medicare PPO plan is a Medicare Advantage plan.**

### **When does my coverage begin?**

Your former employer or union decides how and when you enroll. Check with your benefits administrator for the proposed effective date of your enrollment. Be sure to keep your current healthcare coverage until your Humana Group Medicare PPO plan enrollment is confirmed.

### **Is your provider and pharmacy in-network or out-of-network?**

You can find a doctor or pharmacy in your network by using Humana's Find Care tool, visit [Humana.com/findcare](https://www.humana.com/findcare).

### **What does insurance cover?**

- Every health plan is different. Check coverage details before you see a doctor, use services or have procedures.
- Sometimes, your plan may not cover procedures and treatments, or may require prior authorization. Knowing what is and is not covered may save you time and money.
- See if your prescription medication is covered and if you have any open transfers that need to occur.

### **What if I have other health insurance coverage?**

You can enroll in only one Medicare Advantage plan and one Medicare prescription drug plan at a time. Enrollment in this plan will cancel your enrollment in a different Medicare Advantage plan and Medicare prescription drug plan.

If you have other health insurance, show your Humana member ID card and your other insurance cards when you see a healthcare provider. The Humana Group Medicare plans may be eligible in combination with other types of health insurance coverage you may have. This is called coordination of benefits. Please notify Humana if you have any other medical coverage.

### **Do I need to show my red, white and blue Medicare card when I visit the doctor?**

No. You'll get a Humana member ID card that will take its place. Keep your Medicare ID card in a safe place—or use it only when it's needed for discounts and other offers from retailers.

### **What if my provider says they will not accept my plan?**

If your provider says they will not accept your PPO plan, you can give your provider the "Member to Provider" information page in this packet. It explains how your PPO plan works. You can also call Humana Customer Care to have a Humana representative contact your provider and explain how your PPO plan works.

### **What should I do if I need prescriptions filled before I receive my Humana member ID card?**

If you need to fill a prescription after your coverage begins but before you receive your Humana member ID card, take a copy of your temporary proof of membership to any in-network pharmacy.

## Important Enrollment Information

**City of Tampa** is enrolling you in the Humana Group Medicare preferred provider organization (PPO) plan. You do not need to do anything to be automatically enrolled in this Medicare health plan. If you do not want to join this plan, you can follow the instructions included below. You must do this before the date set by your benefit administrator. **Enrollment in this plan will cancel your enrollment in a different Medicare Advantage or a Medicare Prescription Drug (Part D) plan. However, if you are currently enrolled in a Medicare Supplement plan, you will have to take action to cancel your enrollment.**

### **What do I need to know as a member of the Humana Group Medicare PPO plan?**

This enrollment packet includes important information about this plan and what it covers, including a Summary of Benefits document. Please review this information carefully.

Once enrolled, you will receive information on how to view or request a copy of an Evidence of Coverage document (also known as a member contract or subscriber agreement) from the Humana Group Medicare PPO plan. Please read the document to learn about the plan's coverage and services. As a member of the Humana Group Medicare PPO plan, you can appeal plan decisions about payment or services if you disagree. Enrollment in this plan is generally for the entire year.

When your Humana Group Medicare PPO plan begins, Humana will cover all medically necessary items and services that are covered by the plan, even if you get the services out of network. However, your member cost share may be lower if you use in-network providers. "In-network" means that your doctor or provider is on our list of participating providers. "Out-of-network" means that you are using someone who isn't on this list. The exception is for emergency care, out of area dialysis services, or urgently needed services.

**You must use network pharmacies to access Humana benefits, except under limited, non-routine circumstances when you can't reasonably use network pharmacies.**

You must keep Medicare Parts A and B as the Humana Group Medicare plan is a Medicare Advantage plan. **You must also continue to pay your Part B premium. If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium.** You can enroll in only one Medicare Advantage plan at a time. You must let us know if you think you might be enrolled in a different Medicare Advantage plan or a Medicare prescription drug plan and inform us of any prescription drug coverage that you may get in the future.

### **What happens if I don't join the Humana Group Medicare PPO plan?**

You aren't required to be enrolled in this plan. If you don't want to enroll or have enrollment questions, please contact City of Tampa Benefits Department at 813-274-5757 (TTY: 711).

If you choose to join a different Medicare plan, you can contact **800-MEDICARE** anytime, 24 hours a day, 7 days a week, for help in learning how. TTY users can call **877-486-2048**. Your state may have counseling services through the State Health Insurance Assistance Program (SHIP). They can provide you with personalized counseling and assistance when selecting a plan, including Medicare Supplement plans, Medicare Advantage plans and prescription drug plans. They can also help you find medical assistance through your state Medicaid program and the Medicare Savings Program.

**What if I want to leave the Humana Group Medicare PPO plan?**

You can change or cancel your Humana coverage at any time and return to Original Medicare or another Medicare Advantage plan by using a special election. You can send a request to Humana Group Medicare. You must also contact City of Tampa Benefits Department at 813-274-5757 (TTY: 711). You can also call **800-MEDICARE** anytime, 24 hours a day, 7 days a week. TTY users can call **877-486-2048**.

**What happens if I move?**

The Humana Group Medicare PPO plan serves a specific service area. **If you move to another area or state, it may affect your plan.** It's important to contact City of Tampa Benefits Department at 813-274-5757 (TTY: 711). Please also call Humana Group Medicare Customer Care at **866-396-8810 (TTY: 711)**, Monday – Friday, 8 a.m. – 9 p.m., Eastern time, to notify of the new address and phone number.

If you leave this plan and don't have creditable prescription drug coverage (as good as Medicare's prescription drug coverage), you may have to pay a late enrollment penalty if you enroll in Medicare prescription drug coverage in the future.

**Release of Information**

By joining this Medicare Advantage plan, you give us permission to share your information with Medicare and other plans when needed for treatment, payment and health care operations. We do this to make sure you get the best treatment and to make sure that it is covered by the plan. Medicare may also use this information for research and other reasons allowed by Federal law.

### A message for your provider

Humana will provide coverage for this member under a Group Medicare PPO plan. The in-network and out-of-network benefits are structured the same for any member of this plan. ## Additional discounts:

---

Member may receive a 20% discount on items not covered by the plan at in-network locations. Discount does not apply to provider's professional services or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see our online provider locator to determine which participating providers have agreed to the discounted rate. Discounts on vision materials may not be applicable to certain manufacturers' products. The Plan reserves the right to make changes to the products on each tier and the member out-of-pocket costs. Fixed pricing is reflective of brands at the listed product level. All providers are not required to carry all brands at all levels. Service and amounts listed above are subject to change at any time.

Members may receive a 40% discount off complete-pair eyeglass purchases and may receive a 15% discount off conventional contact lenses once the funded benefit has been used.

Member may receive a 15% discount off the retail price or may receive 5% off any promotional price of Lasik or photorefractive keratectomy (PRK) laser vision correction procedures. Lasik or PRK correction procedures are provided by the U.S. Laser Network, owned by LCA-Vision. Please note that since Lasik and PRK vision correction are elective procedures, performed by specially trained providers, this discount may not always be available from a provider in your immediate location, so members should first call **844-608-2020** for the nearest facility and to receive authorization for the discount.
