PROGRAM REGISTRATION

- Registration must be completed online. Go to www.tampa.gov/parks for details and registration dates. Please see website for details.
- Please be sure to sign the waiver and acknowledgement of Parent Guide. A parent/guardian will need to sign waiver before the first day of the After-School Program.

NO-SHOW AND ATTENDANCE POLICY

No-Show Policy

All children signed up for an After-School Program who find out they are not able to attend need to let the facility supervisor know prior to program start date. This will allow us to add children from the waitlist.

SIGN-IN/PARENT DROP-OFF

Staff may go to select schools to walk students to the sites. Some sites are drop-off only.

Sign out is daily from 4:30-6 p.m. Parent/guardian will be asked to provide a picture ID when picking up child(ren), and may be asked each time until the staff and parent/guardian develop a working relationship and staff is familiar with the parent/guardian. Late pick up will follow our Code of Conduct consequences.

Parent/guardian will follow posted signs at the facility on how to enter the car line. Once parent/guardian arrives at pick-up point, parent/guardian remains in the car. The parent/guardian will follow the signs to exit. Please contact staff if child is to be picked up early.

Walk-up parents/guardians will come to pick-up point. A student may walk home, but must follow this policy:

- Parents may complete a sign-in/out waiver to allow children to leave the program unescorted.
- Once children sign themselves out for the day, they are not allowed to return to the program.
- Children must be 10+ years of age to walk home unescorted.
- Younger children may walk home with a family member who is 10 or older, if permission is given.
- Distance from recreation center to home may not exceed 1/2 mile, unless the child is 13 or older. Then the distance allowed will be determined by the parent and supervisor.
- Staff will use appropriate maps to determine if children are eligible to walk home.
- Staff will not allow children to walk home during inclement weather.
- It will be the responsibility of the parent/guardian to pick up children by 6 p.m. any day.

This will be strictly enforced.

GENERAL INFORMATION

Clothing

Please dress children appropriately for both indoor and outdoor activities in comfortable, properly fitting, weather-appropriate shorts/pants, shirt, and properly fitted, closed-toe shoes.

Clothing may not expose the torso or the midriff (front, back or sides). Undergarments shall not be visible. If it is necessary that girls wear dresses, we highly recommend that shorts or leotards be worn under the dress for modesty during recreational activities.

Garments and/or jewelry which display or suggest sexual, vulgar, drug, gang, weapons, or alcohol-related wording or graphics, or which provoke or may tend to provoke violence or disruption, shall not be worn. Failure to comply may cause staff to contact you, and children may be sent home from the program.

All personal items should be labeled with your child's name and stored separately.

Emergency/Evacuation Procedures

Staff's primary role is to protect the participants. In the event of an immediate area threat (i.e. bomb threat, fire, flood, other major building problem, etc.), the participants, staff, and other occupants will follow the evacuation plan. If there is a more widespread threat such as a chemical spill or widespread fire, it may be necessary to take children farther from the building. Once everyone's safety has been assured, you will be contacted immediately and notified of the incident.

Personal Items

We request that participants do not bring personal belongings to the site. Electronic devices (cell phones, earbuds, Bluetooth devices, electronic games, iPads, etc.) are not allowed during program hours, and it is recommended that they not be brought to the sites. The City of Tampa is not responsible for lost or damaged property. Only bring essential items.

GENERAL INFORMATION (CONTINUED)

Phone/Electronic Device Usage

Parks and Recreation Department facility phones are for business use only. Children only will be allowed to use the phone only in an emergency situation. As children's safety is our first priority, staff may not always be available to receive calls; however, staff will relay messages to children as time permits.

Severe Weather

Staff will take immediate action if there is severe weather just prior to or during hours of operation for the protection of all participants and patrons.

Supervision

Tampa Parks and Recreation staff will be supervising all children. Staff will keep parents informed about upcoming events, special announcements, accomplishments, accidents, and incidents. Any discipline problems will be brought to the parent's attention, documented, and possibly require a meeting with the parent.

Suspected Child Abuse

Parks and Recreation Department staff is legally required to report questionable bruises or marks that are repetitious and obvious to the staff. Likewise, should children indicate to a staff member that abuse of any kind is happening to them, it is our obligation to report the discussion to the Department of Children and Families.

ILLNESS, MEDICAL EMERGENCIES AND MEDICATION

Illness

Sick children should not be brought to the program site. If children become ill during the day, the parent/guardian will be notified. When the illness involves a fever, vomiting, rash, or contagious condition, children must be picked up immediately. If the parent/guardian cannot be reached, the next authorized person listed will be contacted.

Children who are sent home sick from school cannot attend the After-School Program. A doctor's note may be required to return.

Children sent home due to illness, fever, or a contagious condition will not be allowed to return for a minimum of 72 hours, or until on-site staff verifies the situation has been resolved. The parent/guardian may be required to provide documentation from a licensed physician.

The Parks and Recreation Department follows the policies and procedures of the Hillsborough County School Board regarding communicable diseases.

Medical Emergencies

It is the parent's/guardian's responsibility to keep emergency information and contact data up to date. Staff members are trained in basic First Aid/CPR/AED, and can perform certain other aid like administering an Epi Pen. Minor first aid treatment will be given by on-site staff, an incident report will be completed, and the parent/guardian will be notified.

In the event of a medical emergency, the Parks and Recreation Department's policy is to immediately call 911. The staff will contact the parent/guardian or the emergency person designated if the parent/guardian cannot be reached. The parent/guardian is responsible for payment of medical services required for your child.

It is strongly recommended that emergency contacts listed be no more than 30 minutes from the site.

ILLNESS, MEDICAL EMERGENCIES AND MEDICATION (CONTINUED)

Medication

Whenever possible, schedules for medication — including prescription and over-the-counter medicines, vitamins, and food for special diets — should be arranged so they are given at home. However, we understand that circumstances will arise which require children to bring items to the program site. Parents/guardians and participants must abide by the following mandatory policy:

- A Participant Medication Form must be completed and kept on file. Prescriptions, over-the-counter medications, vitamins and food for special diets must be in their original container, with the physician's name, the child's name, name of the medication, time medication is to be taken and required dosage. No outdated medication will be accepted by staff.
- If the medication requires equipment for administering (spoon, cup, or dropper), the parent/guardian is responsible for providing it.
- Medications will not be kept at program sites overnight.
- Any medication required for longer than one (1) day, and for any "as-needed" emergency medication, such as inhalers, Benadryl, etc., is required to have a physician's signature on the Participant Medication Form.

COMMUNICATION

Parents/guardians must inform the staff when:

- Household contact information should be updated (i.e. change in phone number, e-mail address, mailing address, emergency contact, etc.).
- Someone other than those people listed on your registration will be picking up your children. This information must be in writing and the designee will be asked to show valid identification.
- Your children cannot be picked up on time, or your children will arrive late.
- You need to drop off your children late, or pick them up early.

On-site staff would appreciate notification of any change in children's lives that may alter their attitude or behavior, or cause emotional stress (i.e. divorce, loss of a pet, death in the family, etc.).

Parents/guardian will be notified when:

- Children are injured or ill.
- Children are having disciplinary issues.

Parent/guardian conferences will be scheduled by the staff when:

- Children exhibit a pattern of disruptive behavior that interferes with the quality of the program or management of other children (see *Code of Conduct, pages 10-11*).
