Resident/Owner:

Please Be Advised the City of Tampa Neighborhood Enhancement Division has abated the alley behind your home of overgrowth and nuisance conditions at no charge.

In accordance with the **City of Tampa Code 19-46** you are responsible for maintaining the right of ways, including half of the alley, abutting your property.

We realize you may not be aware of this code requirement, or it may be an innocent oversight by the person or company charged with the maintenance at this location.

However, please be advised, if violations are observed in the future, the property owner may be issued a notice of violation and provided an opportunity to correct. And, if not corrected in the timeframe stipulated on such notice, the City of Tampa may take necessary measures to obtain compliance, which may include abatement, citation, magistrate hearing, and/or further legal action.

If you are no longer the property owner, or if you have any questions or concerns regarding this advisory letter, please contact our office at (813) 274-5545.

Thank you in advance for your cooperation in keeping our right of ways and alleys clean.

Regards,
