Meet Your Care Providers

Sergei Popov, DO

Himes Wellness Center

Dr. Popov has worked as a Family Practice Physician in a variety of healthcare settings. Originally from St. Petersburg, Russia, Dr. Popov went back through physician training in 1994 at the New York College of Osteopathic Medicine, graduating in the top 10 percent of his class. He subsequently completed his internship, family practice residency and was an attending physician at St. John's Episcopal Hospital in New York. Once in Florida, he worked for the Department of Defense at the U.S. Naval Hospital in Pensacola and also practiced at Eglin Air Force Base in Fort Walton Beach. Dr. Popov joined CareATC in 2011.

Anil Patel, MD

Himes Wellness Center and Brandon Wellness Center

Dr. Anil Patel is board certified in family medicine and licensed in both Florida and California. His areas of focus include preventative care, nutrition and physical fitness. Dr. Patel is a published author of four books and two medical apps for use by physicians and parents. In addition to clinic work, Dr. Patel has provided family medicine and primary care for United States Air Force active personnel and their dependents at Nellis AFB, Lackland Joint AFB.

Jibril Skaden, MD

Himes Wellness Center

Dr. Jibril Skaden is board-certified by the American Board of Family Medicine. Before joining CareATC, Dr. Skaden was the Chief Occupational Health Physician for the City of Cape Coral serving city employees, police, and fire departments in both workers compensation, annual surveillance, and primary care. He now serves on the CareATC Occupational Health team at Tampa Himes. Dr. Skaden received his Doctor of Medicine at the State University of New York Downstate College of Medicine in Brooklyn, NY and was residency trained in both Family & Social Medicine at Montefiore Medical Center in the Bronx, NY, as well as Occupational & Environmental Medicine at the University of Pennsylvania in Philadelphia, PA. He is currently working on completion of his master's degree in public health at the University of South Florida and MacDill AFB.

Cary Usher, DNP, APRN, FNP-BC

Himes Wellness Center

Cary received her B.S. in Nursing at Capital University, her M.S. in Nursing at Florida State University and is also a Board Certified Family Nurse Practitioner. Cary served as a Lieutenant Colonel and Chief Nurse in the U.S. Air Force retiring in 2015 and has also served as Deputy Chief, Family Nurse Practitioner with the United States Special Operations Command. She is currently pursuing her Doctoral in Nursing Practice (DNP) at Florida State University. Cary joined the CareATC team in 2011.

Brittany Moore, MD

Brandon Wellness Center

Brittany Moore, MD is a board certified Family Medicine Physician. She is a graduate of University of Rochester School of Medicine and Dentistry in Rochester, NY. She completed her residency training at University of South Florida Family Medicine Residency where she was heavily involved in community service and medical mission work. She is passionate about preventive medicine, mental and physical wellness, as well as patient advocacy.

Cori Crow, FNP

Brandon Wellness Center

Cori Crow is a licensed Nurse Practitioner whose greatest joy as a provider is helping patients achieve and maintain their health so they can feel their best. Her Christian faith and passion for health and wellness guided her decision to pursue a career as a nurse. As an RN, she gained experience working in a long-term acute care hospital, a NeuroTrauma ICU, and a Medical/Coronary care ICU. Now as a Nurse Practitioner, she sees patients for acute illnesses, chronic disease management, mental health, weight management, nutrition, and more. Outside of work, she enjoys gardening, landscaping her yard, and spending time with her family on hikes and at the beach. She completed her degree at Walden University in Minneapolis, MN.

Beth Lloyd, MD

Hanna Wellness Center

Beth Lloyd, MD, is a family medicine physician who has been practicing in Florida since 2006. She has a background in sports medicine, research, and primary care, and her work has been published eleven times. Dr. Lloyd completed her internship and residency at Howard University Hospital in Washington, D.C., going on to become a fellow in Primary Care Sports Medicine at the Virginia Sports Medicine Institute in Arlington, VA.
