

Pre-Development Grant

Overview

The goal of the Pre-Development Grant is to reduce the barriers of upfront development costs ~~posed to~~faced by owners who ultimately deliver completed projects, as defined in the Commercial Grants & Funding Policy Section 311.2.1, of properties within the City of Tampa's Community Redevelopment Agency (CRA) Redevelopment Areas (TCRA) by encouraging the use of design guidelines and incentivizing small to medium scale improvement projects (total project cost at or under \$750,000). It is designed to increase property values by encouraging improvements that exceed the requirements of the City Code of Ordinances and spur private investment within the Redevelopment AreasCRA area.

The grant is a two-level, non-matching grant providing 100% funding of eligible services cost for eligible projects up to a maximum of 20% of the overall project budget, not to exceed \$150,000 up to a maximum project cost of \$750,000. The Pre-Development Grant will foster new and retained development activity and property activation by helping property owners determine the scope and feasibility of proposed improvement projects. While Level I is a prerequisite for Level II; Level II is not a requirement of Level I. However, these Pre-Development Grants must be fully repaid to the CRA if: 1) within twenty-four (24) months of the date of the award, an approved redevelopment project has not been approved and commenced before that date; or 2) if an approved redevelopment project has been found in default of its completion date by the CRA, and the project has been terminated by the CRA. The terms of repayment of Pre-Development Grants found to be in default under this provision is within thirty (30) months of the date the CRA finds that the terms of the Pre-Development Grant are in default.

What can the grant pay for: This is a 100% direct pay grant for technical assistance, consulting, design and engineering services to assist in planning for aesthetic development improvements and preparation of construction and permit ready documents including, but not limited to, site plans, construction plans, etcetera. All services will be provided by pre-qualified firms contracted directly by the CRA.

Applicants may ~~exhaust-utilize~~ the maximum allowable grant across each TCRA redevelopment area. Any work, including pulling permits, must begin after the ~~award letter has been received~~ issuance of a Finding of Project Completion is issued. Failure to follow the process will render your application ineligible for grant funding.

Approved grant requests will require:

1. Execution of a Grant ~~Award~~ Agreement within 10 business days after it has been provided to the Applicant for execution, and prior to obtaining permits and commencing any work to be funded by the grant.
2. Granting ~~of~~ reasonable access to all documents pertaining to the planning, construction and financing of the project as may be reasonably required to assure compliance with the terms of the Grant ~~Award~~ Agreement.
3. Granting the CRA ~~and City~~ ownership and right of use of all work-product and plans produced ~~as a result of~~ from the grant ~~award~~ funds.

~~TCRA~~ staff will provide an application, and any other necessary forms, following a successful pre-application meeting. Within ten (10) business days of application ~~submittal~~ receipt, ~~TCRA~~ staff will review applications for completeness and accuracy and ~~coordinate with~~ notify the applicant regarding any deficiencies or issues with the application; additional information may be requested. Applications are considered submitted once all required documents have been received. Incomplete applications will only be held open for a maximum of 60 days after initial submission. After 60 days, if the application remains incomplete, it will be withdrawn by staff. Thereafter, an Applicant will have to reapply for a grant by submitting an entirely new grant application for the project, including any documents originally submitted by the applicant in connection with its initial application.

The CRA will issue a Notice to Proceed (NTP) prior to the start of each phase of the Pre-Development process. If the project scope changes to the extent it no longer qualifies for CRA funding, staff reserves the right to terminate the grant and the amount provided to the Grantee will be immediately repayable to the CRA.
