ITEMS TO BE REVIEWED:

ARC-25-0000444 OWNER: Joann and Harold Quinn
AGENT: Jansel Irarragory
DISTRICT: Hyde Park
LOCATION: 907 S. Bruce Street
REQUEST: **Certificate of Appropriateness - New Construction: Rear and Second
Story Addition**
PURPOSE: Residential
Site Improvements

Public Comment: No one came forward.

Motion: John Prokop

Second: Tim Jones

Move to grant a Certificate of Appropriateness for the drawings and documents presented at this Public Hearing in ARC-25-0000444 for the property located at 907 S. Bruce Street with the following conditions:

- That the applicant clarify a number of dimensions on the drawings, including the dimensions of the overhang and siding exposure, to staff's satisfaction.
- That the applicant strive to center the windows on the second floor that face the street, which are currently centered on the rooms and not on the exterior elevations.
- That the applicant apply half round gutters and downspouts to the drawings.
- That anything that was called out to be aluminum, particularly railings, will be converted to wood.
- That the composite materials discussed be changed to wood.
- That the applicant consult with staff and reconfigure or clarify the rear landing and the paver configuration.
- That the applicant clarify the impervious percentage of the site plan.
- That the applicant work with staff and revisit the column design for the columns holding up the second story in the back to a more craftsman style column.

because, based upon the finding of fact, the proposed project is consistent with the Hyde Park Design Guidelines of the City of Tampa, for the following reasons, that it meets neighborhood massing, scale, and setbacks appropriate to its neighbor houses.

The motion was approved by a vote of 4-0-0.

Public Comment:

Ray Hyer, 709 S. Delaware Avenue, spoke on this project.

Motion: John Prokop

Second: Tim Jones

Move to grant a Certificate of Appropriateness for the drawings and documents presented at this Public Hearing in ARC-25-0000528 for the property located at 704 S. Newport Avenue with the following conditions:

- That the applicant provide staff the actual window specifications for both the replacement windows and windows in the addition.
- That the applicant consider adding a few additional decorative elements to the extended rear porch façade on the second floor.
- That the applicant work with staff and provide additional column details.
- That the applicant work with staff and provide additional railing details.
- That the applicant provide an identifiably different design for the extended rafter tail notches from the original house on all the additional parts of the house.
- That the applicant provide additional specifications and details, and not just a photograph, for the garage doors
- That the applicant provide additional detailing of knee braces at the roof overhangs, and that those roof overhang knee braces on the addition be simpler yet compatible with the main house.
- That the applicant provide specifications for the side entry door.

because, based upon the finding of fact, the proposed project is consistent with the Hyde Park Design Guidelines of the City of Tampa, for the following reasons, that its materiality, scale, and massing are compatible with the neighborhood.

The motion was approved by a vote of 4-0-0.
