FY2025 Social Action and Arts Fund (SAAF) S.M.A.R.T. Program

Thank you for your interest in receiving supplemental funding from the City of Tampa. As the review process approaches October 1, 2024, and beyond, the City will consider your request based on available funding within the Social Action and Arts Fund (SAAF) S.M.A.R.T. review process.

In Fiscal Year 2025, we will be reviewing our supplemental funding to current and potential community partners on a quarterly basis using a grant-style approach to planning and reporting. This review is in keeping with the Mayor's goals of:

- Adding strategic accountability,
- Maintaining financial responsibility, and
- Opening potential opportunities to new or additional nonprofit organizations.

This new process can be initiated by your organization and may offer opportunities for support. Below is the link to the City's *SAAF S.M.A.R.T. Form*. Please note that the 'achievable' aspect relates to the short-, mid-, and long-term objectives of Fiscal Year 2025; the 'relevant' aspect relates to the City of Tampa's mission and strategic plan; and the 'time-bound' aspect relates to reporting outputs and outcomes quarterly for the next distribution of available funding.

If you would like to be considered, please email the SAAF S.M.A.R.T. Form to Dennis.Rogero@tampagov.net, with a cc to Lori.Hernandez@tampagov.net.

Once again, thank you for your interest.
