Response: _____

(2) The hardship or practical difficulty does not result from the actions of the applicant. A self-created hardship or practical difficulty shall not justify a variance.

Response: _____

Response: _____

(6) The variance, if granted, will allow development that is consistent with the design standards and compatible with the historic pattern of development within the historic district, historic conservation overlay district, multiple property designation, or the locally designated landmark or landmark site in which the subject property is located.
