

Gasparilla Parades- Temporary Flight Restrictions

The Gasparilla parade route and surrounding areas are **drone-free zones**, meaning a temporary flight restriction will be in place during **both** parades.

There will be law enforcement drones in the air for the safety of parade-goers, but if you see something suspicious, be sure to say something, so law enforcement can do something:

- Find the nearest officer
- Dial 911
- Call the Tampa Police non-emergency number: 813-231-6130
