[1] Please note: If an applicant fails to appear at the scheduled DRC meeting or to submit the final site plan on the required date, the application will be moved to next public hearing date with an available slot, unless otherwise approved by the zoning administrator.

[2] Tentative public hearing dates shown are based on a typical City Council annual calendar and are subject to change. City Council official calendar is typically approved in early January. City Council will determine public hearing dates through their standard Council calendar process. Final site plans must be uploaded electronically, in Accela, on the date shown above. Final DRC comments and Staff Report issued to City Council will be based on the final site plan in Accela as of the submittal dates above.

[3] * No Public Hearing for: March, July, August, November, December 2026

[4] * No Public Hearing for: March 2027
