Information Regarding LND Lots Split

Lot splits under an LND application are only for two types of lots:

1. Any lot located in an Overlay District requesting to go back to their original plat. If the lot is not going back to its original plat then you will need to apply for a Formal Decision.
2. Any lot located outside of the Overlay Districts requesting to go back to their original plat, if that original plat meets the current minimum lot size standards stated in code section 27-156. In the City of Tampa Land Development Code. If the lot does not meet the lot size standard per the code, or if the lot is not going back to its original plat then an LND will not be granted, and the applicant may need to apply for a Formal Decision.

The following documents are required to be submitted upon applying for a General Land Use application for a lot split: An existing survey of the parcel, signed and sealed by the surveyor, as well as a signed and notarized owner/authorized agent affidavit (see page 3).

Note: Please check the Plat, Survey, Title Policy and all other documentation relating to your property prior to any application for design and construction. The City of Tampa and its staff DO NOT review for compliance with individual private deed restrictions and covenant
