Business Impact Estimate

The City provides the following Business Impact Estimate, which may be revised following its initial posting:

1. Summary of the proposed ordinance (please include a statement of the public purpose, such as serving the public health, safety, morals, and welfare):

The proposed ordinance will remove a criterion for evaluating whether the construction of a sidewalk is impracticable as it relates to the City's sidewalk in-lieu fee.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the city, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur,

Businesses in residential or commercial development or redevelopment may see decreased incidences of application of the sidewalk in-lieu fee given that an exception is being removed.

- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and

Businesses will not be responsible for a new fee because the sidewalk in-lieu fee has been in place.

- (c) An estimate of the city's regulatory costs, including estimated revenues from any new changes or fees to cover such costs.

None.

3. A good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

There are approximately 120 residential and commercial builders that work within the City of Tampa.

For use as of October 1, 2024.

ADA Compliant
