

HYDE PARK GROUNDWATER DIVERSION PROJECT

Mobility Department
Stormwater Engineering Division

ABOUT THE HYDE PARK GROUNDWATER DIVERSION PROJECT

The City of Tampa's **Hyde Park Groundwater Diversion Project** is a neighborhood enhancement project located in the Hyde Park Historic District. The project will provide continued relief to chronic ponding issues on sidewalks and streets associated with groundwater seepage by installing underdrains below the sidewalks to intercept groundwater and divert it to the existing storm sewer system along Bayshore Boulevard. The project will improve sidewalks and road surface conditions for safer walking, biking, and driving.

For a map of the streets and blocks affected by this project, a complete project fact sheet and more information about the Hyde Park Groundwater Diversion Project can be found on the project webpage at:

HYDE PARK GROUNDWATER DIVERSION PROJECT CONSTRUCTION ADVISORY

Starting on October 9, 2023, Tampa's Hyde Park Groundwater Diversion Project will begin its block-by-block construction phase on Delaware Avenue beginning at Bayshore and working towards Inman. Work will include installation of an underdrain pipe under the sidewalks. The work zone will require blocking a part of the street within the work area for construction access. In an effort to alleviate traffic disruptions, the City will work to keep at least one lane and one sidewalk open in each block at all times. Where underdrains cross streets, temporary road closures will be necessary and roads will be reopened to traffic as soon as the crossing is complete. The standard working hours are Monday through Friday, from 7 am to 7 pm and 8 am to 5 pm, Saturday.

WHEN: October 9, 2023 _ Christmas 2023

WHERE: South Delaware Avenue
(Bayshore Blvd. To Inman Ave.)

In accordance with the Americans with Disabilities Act ("ADA") and Section 286.26, Florida Statutes, persons with disabilities needing a reasonable accommodation to participate in this public hearing, meeting or event should contact the City of Tampa's ADA Coordinator at least 48 hours prior to the proceeding. The ADA Coordinator may be contacted by phone at 813-274-3964, email at TampaADA@tampagov.net, or by submitting an ADA - Accommodations Request online form available at tampa.gov/ADARRequest.
