To: Boards of Trustees

From: Klausner, Kaufman, Jensen & Levinson

Subject: Required Documents for Posting by Plan Sponsor

Date: February 1, 2026

---

Over the course of several years, municipal governmental pension plans have been tasked with requirements to ensure that certain documents are provided to the plan sponsor to be posted on the plan sponsor's website, as well as posted on the plan's website (if they have one).

To make everyone aware of these requirements, please see the below list of items required to be provided to the plan sponsor to be posted:

- Section 112.664 Compliance
- Detailed Accounting Report
- 60T Disclosure - (History of Investment Returns compared to assumptions and investment portfolio asset allocations)
- Actuarial Valuation
- Link to the Division of Retirement's Summary Fact Sheet for the Plan

Separately, if the plan has a website, the contact information for the Public Records Custodian must be prominently displayed.

We recommend that this memo be provided to your administrative team and the Municipal Clerk or District Administrator (whichever is applicable), so that they are aware of the posting requirements.

Please contact us if you have any questions.
